Prime Time Soap Operas Douglas M. Snauffer, 2009-09-03 Prime time soaps are often revered long after their runs on television have ended as Dallas Twin Peaks and Beverly Hills 90210 readily demonstrate Due to their profound impact it's easy to forget how recently the genre itself was born Dallas premiered in 1978 and was originally intended to air solely as a five part mini series Then in 1981 producer Aaron Spelling stepped in and introduced his own ultra glitzy entry Dynasty Between these two mega hits the era of the nighttime soap was born Soaps soon spun off into non traditional avenues as well in sitcoms like Filthy Rich and the supernatural drama Twin Peaks Then with the arrival of the more youth oriented Fox Network producers were able to hook an entirely new generation on programs such as Beverly Hills 90210 Melrose Place and Party of Five Pay cable channels have also stepped into the picture and now act as trendsetters with hits like Sex and the City Six Feet Under The Sopranos and The L Word Now from the spiritually themed 7th Heaven to the naughty neighbors of ABC's Desperate Housewives soaps dominate prime time Prime Time Soaps covers all the major shows within the soap opera genre and also investigates all the ways that soaps have contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators also supplement this revealing and entertaining account Even outside of their genre these shows continue to influence current programming Few series on TV today are purely episodic instead containing on going storylines involving the personal dilemmas of their characters Another very recognizable contribution from soaps occurred on the evening of March 21 1980 when Dallas finished out its third year with J R Ewing being shot by an unknown assailant leaving fans to wait until the fall for the resolution This was the beginning of the cliffhanger endings that are now implemented by just about every series on television Prime Time Soaps covers all the major shows and also investigates all the ways that soaps have contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators supplement this revealing and entertaining account

Cats, Cannolis and a Curious Kidnapping Cheryl Denise Bannerman, 2018-09-03 Critics call the series a laugh out loud whimsical adventure full of tasty Italian dishes and adorable cats Anna Romano is a middle aged Italian woman who is also a successful published author a cat mama and an excellent cook with a hankering for Italian cuisine She lives by herself in her quaint house in a quiet community with a white picket fence in Central New Jersey When she is not writing her next book or hosting book signing events with her publicist she is cleaning litter boxes and baking Cannolis but never at the same time of course In this first installment on a typical day in Anna's somewhat perfect life a book signing event turns her world upside down Is it a case of mistaken identity or was she just being paranoid After being stalked for weeks Anna quickly finds

herself literally tied up fighting for her life and desperate to get back home to her cats all while unwittingly falling in love with the detective who was trying to save her How she finds her way out of this mess is anyone's guess Find out more about Anna and the dangerous cases of murder and mayhem she haphazardly gets herself into in the new Anna Romano Mystery Series **A Fairytale or Not** Philip Badger Greenwood,2011-08-18 Many a year has past since the day of my birth suffice to say that I am as old as my heart and as young as the winter snow Odd that I should mention the winter for it was the season that I entered this world and it is my favourite I love the magic of the season and the good will of the human spirit It has always been this way with me and I shall never differ My life differs none other than yours excepting perhaps that I have witnessed many a phenomenon For example spirits of the dead have visited and spoken with me I have stood in my garden at night and watched unidentified flying objects cross the sky and disappear in the blinking of an eye Moreover yes I have even seen a fairy I live deep in the countryside and often feel the magic of the fairy folk around me Not to long ago I found myself driving down the long narrow road that eventually leads to my home I was half a mile from my property and travelling at approximately 25 miles per hour I have to pass a small coppice at the side of the road that boasts a mound in its centre Perhaps it was from out of this mound that a little man appeared I cannot say However of a sudden a little man with beautiful transparent wings attached to his back flew across my window screen I must admit that these sightings are so very rare and that to witness such a sight is magnificent indeed It has never accorded me to put my experiences to paper However after my last encounter with some very odd creatures I have decided to give record of a few My reason for this is that after you have read these few examples perhaps you would care to read some of the following tales that I have accumulated over a period of many years The Kidnapping Peter Cacciolfi,Pattimari Cacciolfi,2019-03-16 This thrilling adventurous story takes you all the way from Santa Barbara to Tijuana in search of Sofia a famous author who vanished without a trace Aideen her granddaughter won't give up and hires more than one investigator who failed to locate her fast enough She had a contact with an Italian crime family who went in search for her Aideen's life was turned upset down not knowing where to turn next A group of six special ops retirees took over and that changed everything *DIE(T) TRYING* Kenneth Schwarz,2017-12-05
