The Killing of Greybird Eric Swedin, 2004-03 The Killing of Greybird is a vivid well told saga of the lost days of pioneer Utah of the effects of war and ethnic hatred on a society learning to live Christ like lives the characters of this novel reflects author Swedin s careful attention to human nature his characters teach us by overcoming tragedy through the grace of the gospel In the unfolding story you ll discover a wonderful character David Halliday unravelling mystery through attention to human nature and observation not through simple plot devices *Journal of Mormon History* ,2008 **When Angels Wept** Eric G. Swedin, 2010 In 1961 at the Bay of Pigs CIA trained and organized Cuban exiles aiming to overthrow Fidel Castro were soundly defeated Most were taken prisoner by Cuban armed forces Fearing another U S invasion of its new ally the Soviet Union sneaked into Cuba strategic missiles tipped with nuclear warheads and Soviet troops armed with tactical nuclear weapons However a U 2 spy plane flight would soon find the Soviet missile sites thus sparking the famous missile crisis For thirteen terrifying days the world watched nervously as the two superpowers moved toward escalation holding the world s fate in their hands Finally Nikita Khrushchev blinked He agreed to withdraw the weapons from Cuba in return for John F Kennedy s pledge not to invade the island But what if it had not turned out this way What if the U 2 flight had been delayed If the confrontation had set off a nuclear war what would have happened to the United States and Soviet Union in 1962 What kind of account would a historian have written in a world scarred by nuclear war Eric G Swedin draws on research made available after the Soviet Union s collapse to examine what could have happened Top U S military officers all urged stronger action against Cuba than the naval blockade including a bombing campaign and even a full scale invasion Unknown to the Americans meanwhile the Soviet Union had tactical nuclear weapons in Cuba and were prepared to use them The 1962 crisis had many possible outcomes Positing an alternate history helps us better appreciate the dangers of that tense time Such counterfactual speculation shows what the Cuban missile crisis could have wrought and how it was truly one of the most important moments of the twentieth century *Seeking Valhalla* Eric G. Swedin, 2013-09-12 The time 1945 The place Germany during the final days of the Nazi regime of Adolf Hitler When Major John Carter and Sergeant Carson Napier discover a barracks at the Dachau concentration camp full of young beautiful women being prepared as pagan sacrifices to the Norse god Odin they embark upon a quest to defeat the German priest who s determined to reverse the course of the war even at this late date The key is finding Valhalla the near mythical green valley in the Arctic where Yggdrasil the world tree emerges from the hollow Earth its fruit when consumed is said to grant the eater his greatest wish With the help of an Irish woman Aoife an enigmatic occult science officer and several others Carter pursues the Nazi SS officer to the frozen North where the final battle must take place Can the forces of evil be overcome A rousing science fiction novel in the old style

Miscellaneous correspondence* Sir Thomas Browne, 1889     *Pilgrimage in Popular Culture* Ian Reader, Tony Walter, 2016-07-27 Specially commissioned studies of popular pilgrimages East and West past and present religious and secular ranging from Shikoku Japan to Santiago de Compostela Spain Kosovo Yugoslavia Glastonbury Anfield UK Flanders fields Graceland and military pilgrimages in the USA The book asks in what ways all these can be called pilgrimages and what their relation is to tourism and to entertainment highlighting the enduring popularity not only of pilgrimage but also of saints and heroes     *Into the Wild* Jon Krakauer, 2009-09-22 NATIONAL BESTSELLER In April 1992 a young man from a well to do family hitchhiked to Alaska and walked alone into the wilderness north of Mt McKinley Four months later his decomposed body was found by a moose hunter This is the unforgettable story of how Christopher Johnson McCandless came to die It may be nonfiction but Into the Wild is a mystery of the highest order Entertainment Weekly McCandless had given 25 000 in savings to charity

abandoned his car and most of his possessions burned all the cash in his wallet and invented a new life for himself Not long after he was dead Into the Wild is the mesmerizing heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention Immediately after graduating from college in 1991 McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir In the Mojave Desert he abandoned his car stripped it of its license plates and burned all of his cash He would give himself a new name Alexander Supertramp and unencumbered by money and belongings he would be free to wallow in the raw unfiltered experiences that nature presented Craving a blank spot on the map McCandless simply threw the maps away Leaving behind his desperate parents and sister he vanished into the wild Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life Admitting an interest that borders on obsession he searches for the clues to the drives and desires that propelled McCandless When McCandless's innocent mistakes turn out to be irreversible and fatal he becomes the stuff of tabloid headlines and is dismissed for his naiveté pretensions and hubris He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge Krakauer brings McCandless's uncompromising pilgrimage out of the shadows and the peril adversity and renunciation sought by this enigmatic young man are illuminated with a rare understanding and not an ounce of sentimentality Into the Wild is a tour de force The power and luminosity of Jon Krakauer's storytelling blaze through every page
