historical influence **American Women's History on Film** Rosanne Welch, Peg A. Lamphier, 2022-11-07 By exploring a range of films about American women this book offers readers an opportunity to engage in both history and film in a new way embracing representation diversity and historical context Throughout film history stories of women achieving in American history appear few and far between compared to the many epic tales of male achievement This book focuses largely on films written by women and about women who tackled the humanist issues of their day and mostly won Films about women are important for all viewers of all genders because they remind us that the American Experience is not just male and white This book examines 10 films featuring diverse depictions of women and women's history and encourages readers to discern how and where these films deviate from historical accuracy Covering films from the 1950s all the way to the 2010s this text is invaluable for students and general readers who wish to interrogate the way women's history appears on the big screen

Environmental Justice Kristin Shrader-Frechette, 2002-09-26 Shrader Frechette offers a rigorous philosophical discussion of environmental justice Explaining fundamental ethical concepts such as equality property rights procedural justice free informed consent intergenerational equity and just compensation and then bringing them to bear on real world social issues she shows how many of these core concepts have been compromised for a large segment of the global population among them Appalachians African Americans workers in hazardous jobs and indigenous people in developing nations She argues that burdens like pollution and resource depletion need to be apportioned more equally and that there are compelling ethical grounds for remedying our environmental problems She also argues that those affected by environmental problems must be included in the process of remedying those problems that all citizens have a duty to engage in activism on behalf of Environmental Justice and that in a democracy it is the people not the government that are ultimately responsible for fair use of the environment **ABA Journal** , 1982-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

The People's Advocate Daniel Sheehan, 2013-09-01 The People's Advocate is the autobiography of American Constitutional Trial Attorney Daniel Sheehan Sheehan traces his personal journey from his working class roots through Harvard Law School and his initial career in private practice His early disenchantment led to his return for further study at Harvard Divinity School and rethinking the nature of his career Eventually his role as President and Chief Trial Counselor for the famous Washington D C based Christic Institute would help define his role as America's preeminent cause lawyer In The People's Advocate Sheehan details the inside story of over a dozen historically significant American legal cases of the 20th Century all of which he litigated The remarkable cases covered in the book include both The Pentagon Papers Case in 1971 and The Watergate Burglary Case in 1973 In addition Sheehan served as the Chief Attorney on The Karen Silkwood Case in 1976 which additionally revealed the CIA's Israeli Desk had been smuggling 98% bomb grade plutonium to the State of Israel and to Iran In 1984 he was the Chief Trial Counsel on The American Sanctuary Movement Case establishing the right

of American church workers to provide assistance to Central American political refugees fleeing Guatemalan and Salvadorian death squads His involvement with the sanctuary movement ultimately led to Sheehan s famous Iran Contra Federal Civil Racketeering Case against the Reagan Bush Administration which he investigated initiated filed and then litigated The resulting Iran Contra Scandal nearly brought down that Administration leading Congress to consider the impeachment over a dozen of the top ranking officials of the Reagan Bush Administration The People s Advocate is the real story of these and many other historic American cases told from the unique point of view of a central lawyer

The Man Who Hated Work and Loved Labor Les Leopold,2007-11-14 A CIA connected labor union an assassination attempt a mysterious car crash listening devices and stolen documents everything you d expect from the latest thriller Yet this was the reality of Tony Mazzocchi the Rachel Carson of the U S workplace a dynamic labor leader whose legacy lives on in today s workplaces and ongoing alliances between labor activists and environmentalists and those who believe in the promise of America In The Man Who Hated Work and Loved Labor The Life and Times of Tony Mazzocchi author and labor expert Les Leopold recounts the life of the late Oil Chemical and Atomic Workers Union leader Mazzocchi s struggle to address the unconscionable toxic exposure of tens of thousands of workers led to the passage of the Occupational Safety and Health Act and included work alongside nuclear whistleblower Karen Silkwood His noble high profile efforts forever changed working conditions in American industry and made him enemy number one to a powerful few As early as the 1950s when the term environment was nowhere on the political radar Mazzocchi learned about nuclear fallout and began integrating environmental concerns into his critique of capitalism and his union work An early believer in global warming he believed that the struggle of capital against nature was the irreconcilable contradiction that would force systemic change Mazzocchi s story of non stop activism parallels the rise and fall of industrial unionism From his roots in a pro FDR immigrant family in Bensonhurst Brooklyn

through McCarthyism the Sixties and the surge of the environmental movement Mazzocchi took on Corporate America the labor establishment and a complacent Democratic Party This profound biography should be required reading for those who believe in taking risks and making the world a better place While Mazzocchi's story is so full of peril and deception that it seems almost a work of fiction Leopold proves that the most provocative and lasting stories in life are those of real people

Taking Action, Saving Lives Kristin Shrader-Frechette, 2007-10-19 In this book at once brilliant and accessible Shrader Frechette reveals how politicians campaign contributors and lobbyists and their power over media advertising and public relations have conspired to cover up environmental disease and death She also shows how science and regulators themselves are frequently captured by well funded polluters and special interests But most important the author puts both the blame and the solution on the shoulders of ordinary citizens She argues that everyone especially in a democracy has a duty to help prevent avoidable environmental deaths Encyclopedia of White-Collar and Corporate Crime Lawrence M.

Salinger, 2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U S economy In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U S Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles **Rehumanizing Law** Randy D. Gordon, 2011-01-01 Originally presented as the author's thesis Ph D University of Edinburgh 2009

I Got Mine John Nichols, 2022-06 I Got Mine Confessions of a Midlist Writer is the memoir of Nichols extraordinary life as seen through the lens of his writing Everything that went into making him a writer and eventually found an outlet in his work his education family wives children friends enemies politics and place is told from the point of view of his daily practice of writing Beginning with his first novel The Sterile Cuckoo published in 1965 when he was just twenty four Nichols shares his highs and lows his ambivalent relationship with money his growing disenchantment with the hypocrisy of capitalism and his love hate relationship with Hollywood including the years long struggle of working with director Robert Redford on the film version of The Milagro Beanfield War which was filmed around Truchas and featured many of Nichols northern New Mexico neighbors Throughout I Got Mine Nichols spins a shining thread connecting his lifelong engagement with progressive political causes his passionate interest in and identification with ordinary people and his deep connection to the land **Nuclear Power** Harry Henderson, 2014-05-12 Provides timely and up to date facts context perspectives and

tools to make informed decisions about nuclear energy In the 21st century nuclear power has been identified as a viable

alternative to traditional energy sources to stem global climate change and condemned as risky to human health and environmentally irresponsible Do the advantages of nuclear energy outweigh the risks especially in light of the meltdown at the Fukushima plant in 2011 This guide provides both a comprehensive overview of this critical and controversial technology presenting reference tools that include important facts and statistics biographical profiles a chronology and a glossary It covers major controversies and proposed solutions in detail and contains contributions by experts and important stakeholders that provide invaluable perspective on the topic
