Walker,2009-10-06 The nation and the world gaze in awe at Chicago's magnificent White City in this summer of 1893 But Inspector Alastair Ransom sees the rot beneath the splendor of the great Exposition and he is consumed with an overpowering need for vengeance The Phantom of the Fair a blood thirsty fiend who nearly added Ransom to his ever growing list of slaughtered victims is still lurking somewhere in the shadows of Ferris's gargantuan Wheel And to end the maniac's reign Ransom refuses to play by the rules established by the police brass and the corrupt politicians appointing himself judge jury and executioner But white hot hatred and zealous fury can blind a determined manhunter to a more terrible truth And dangerous missteps may lead to even greater bloodshed

*City of the Absent* Robert W. Walker,2009-10-06 Chicago's magnificent White City will soon be fading into memory As the grand Exposition of 1893 reaches its final day the metropolis is rocked by the public assassination of its popular mayor In the chaos that ensues another murder the savage slaughter of a Pinkerton agent posing as a prostitute in a seedy slum alleyway goes virtually unnoticed except by police inspector Alastair Ransom An avenging angel haunted by the ghosts and mistakes of his past Ransom called the slain detective Nell Hartigan friend and his unorthodox inquiries into her murder are pointing him toward a fiend who's targeting the city's most unremarkable and disposable citizens But in a great urban slaughterhouse where foul corruption festers in every dark corner Ransom will find himself accused of the one crime he did not commit and facing the final judgment of the hangman's noose      Citizen Vince Jess Walter,2012-05-29 From the highly acclaimed new

crime novelist a story of witness protection petty thievery local politics and murder set against the turbulent backdrop of the 1980 presidential election It's the fall of 1980 the last week before the presidential election that pits the downtrodden Jimmy Carter against the suspiciously sunny Ronald Reagan In a seedy suburban house in Spokane a small time crook formerly from New York Vince Camden pockets his weekly allotment of stolen credit cards and heads off to his witness protection job at a donut shop At the shop he takes a shine to a regular named Kelly who works for a local politician Somehow he finds himself and the politician in a parking lot at three in the morning giving the slip to a couple of menacing thugs And then he crosses the path of a young detective and discovers his credit scam partner lying dead in his passport photo office with a Cheerio size bullet hole in his head No one writing crime novels today tells a story or sketches a character with more freshness or élan than Jess Walter Citizen Vince is his funniest and grittiest book yet      **City for Ransom** Robert W. Walker,2009-10-06

Welcome to Chicago 1893 where new wonders are being unveiled and a monster feeds on the unsuspecting Tens of thousands are flocking to a bustling wind swept metropolis in the middle of America for the great Exposition of 1893 to see the future and to ride Mr Ferris's remarkable wheel A city of hope and hardship has caught the attention of the world and a maniacal killer has made it his hunting ground Inspector Alastair Ransom carries the burden of the dead on his shoulders But a demon far worse than Ransom's own is loose a bloodthirsty killer who preys on Chicago's most vulnerable citizens his grisly handiwork masked by the glitter and frenzy of the World's Fair But a haunted detective doesn't realize how desperate his search has become for each passing hour brings the slayer closer to his next intended victim Alastair Ransom     The Jack Taylor Series, Books 1-3 Ken Bruen, 2015-12-15 Ken Bruen's explosive Jack Taylor series set in the streets of Galway place him among the greats of modern crime fiction Now for the first time the first three books in the series are available as an eBook bundle The Guards Ousted from the Guards Ireland's police force Jack Taylor is stuck in Galway with nothing to look forward to until a dazzling woman walks into the bar with a strange request and a rumor about Jack's talent for finding things But when Jack agrees he has little idea of what he's getting into The Killing of the Tinkers Jack's back in Galway a year later falling into his old patterns But a big gypsy arrives one day during a moment of Jack's clarity and changes all that Young men of his band are turning up dead in the center of town Jack agrees to look into it knowing but not admitting that getting involved is going to lead to more bad than good The Magdalen Martyrs Jack Taylor receives a call from Bill Cassell a hard man that Jack owes a favor asking him to track down a woman now either dead or very old When Jack drags his feet Bill's goons come for him and it becomes clear finding this woman is his only chance to stay alive     The Disappeared Pádraig Ó Ruairc, 2024-02-01 The spectre of The Disappeared those abducted by the IRA secretly executed and their bodies buried in bogs lakes and woodlands has overshadowed the debate around the legacy of the Troubles in Northern Ireland for the last two decades This book the first of its kind uncovers the extent to which forced disappearances were part of the violent political conflicts that blighted Ireland for 200 years Succeeding where attempts by the PSNI journalists and other historians had failed Ruairc's research led to the identification and recovery of a British soldier killed by the IRA He reveals in this book the location of several other bodies that remain to be exhumed The Disappeared cuts through the exaggeration and myth that pervade the popular history of the Irish struggle for freedom The author examines the role of leading Irish politicians in these killings and challenges the commonly held belief that the Provisional IRA disappeared more victims than the Good Old IRA of the War of Independence Behind each disappearance there is a face a life story and a family left searching for answers Ruairc deftly incorporates this human element paying tribute to those who were disappeared on both sides of the conflict
