Moreton is the representative in Rome for a London insurance broker who deals at Lloyds of London From the author of *All the Money in the World* now a major motion picture directed by Ridley Scott comes an exciting intricate and funny novel about a ransom gone wrong Moreton's troubles begin with the appearance of Dr Avicenna Some instinct of self preservation should have warned me against Dr Avicenna from the start how many times since have I cursed myself for getting so easily so light heartedly involved with him Avicenna's proposal is for a gigantic insurance policy on a dissolute Italian prince to include a clause insuring the prince against a kidnap ransom The subsequent events are marvelously exciting intricate and funny      *The Kindness of Doctor Avicenna* John Pearson, 1981      *The Bookseller*, 1982      *The Private Lives of Winston Churchill* John Pearson, 2011-12-01 The first major biography of Winston Churchill to focus on his inner life and psychology An extraordinary biography Pearson has a sensitive pen matching the wit of his subject and shows perceptive intuition towards the delicate relationships between the members of the Churchill family and their assorted spouses and lovers International Journal on World Peace He was a lion of a man who helped shape the course of this century with his relentless ambition and fierce political instincts Few have matched Winston Churchill's cunning or force of will Few have seen the equal of his audacity on the battlefield or the determination with which he strove toward his own ideal of greatness At the height of his power he seemed to embody the ideals of the empire he helped sustain valor pride and above all tradition His sense of personal destiny was rooted deeply in the legacy of his birth right the heritage of his family and the awesome responsibility of being born Churchill In *The Private Lives of Winston Churchill* first published in 1991 John Pearson takes us behind the myth of Churchill and deep into the psychology of a dynasty that some have called the most complicated Anglo American family of this century In doing so he reveals in rich portraits some of the family's greatest most charismatic and most deeply troubled members and shows us the real private Winston Churchill      **The Publishers Weekly**, 1982      **The Seven Books Of Paulus Aegineta** Paulus (aus Ägina), 1847      **Biggles** John Pearson, 2011-12-01 From the author of *All the Money in the World* now a major motion picture directed by Ridley Scott comes the fictional biography of the mystical and fearless ace James Biggles Worth For over fifty years James Biggles Worth D S O D F C M C has flown the skies in everything from Sop with Camels to the earliest jets he emerged with glory from devilish scrapes all over the world Yet until now Biggles has often been seen as a storybook caricature A dashed fine chap certainly but not the extraordinary man he really was Here for the first time is an insight into the real man who made these adventures possible In *Biggles* his fictional biography first published in 1978 John Pearson has unraveled the missing strands in Biggles' life delving vigorously into subjects that were once taboo Why did Biggles never marry What was the truth about his tragic first love And what were Biggles' real regrets and frustrations as he tried to come to terms with a rapidly developing world in peacetime The truth so long hidden behind a
