The Kindness Of Strangers The Abandonment Of Children In Western Europe From L

Marc Huys

The Kindness Of Strangers The Abandonment Of Children In Western Europe From L:

The Kindness of Strangers John Boswell, 1998-11 Using a wide variety of sources John Boswell examines the evidence that parents of all classes gave up unwanted children exposing them in public places donating them to the church or delivering them in later centuries to foundling hospitals He shows what happened to these children and he illuminates the moral codes that condoned abandonment

Poor Women and Children in the European Past John Henderson, Richard Wall, 1994 Women and children have always featured prominently among the critically disadvantaged Poor Women and Children in the European Past provides a comparative survey of the poverty experienced by women and children in Europe by testing the applicability of the outline of the poverty life cycle Among the issues raised in a perceptive and wide ranging introduction by the editors John Henderson and Richard Wall are the distinctive nature of women's poverty over the life cycle the relationship between family and demographic systems and the level of poverty and the relative generosity of public and private charity provided by a range of European societies

The Family in the Western World from the Black Death to the Industrial Age Beatrice Gottlieb, 1994-07-28 Presents aspects of family life in the preindustrial Western world including households of the wealthy and the poor courtship and marriage and the care and training of children

Endangered Children Lita Linzer Schwartz, Natalie K. Isser, 2011-12-13 From infancy onward children are in danger from many sources including parental and sibling abuse drug abuse and mental illness in the home parental neglect and poverty Removing an at risk child from a troubled environment brings on a host of new concerns and is not always a panacea Endangered Children Homicide and Other Crimes Second Edi

The Cambridge World History of Slavery: Volume 2, AD 500-AD 1420 Craig Perry, David Eltis, Stanley L. Engerman, David Richardson, 2021-08-12 Medieval slavery has received little attention relative to slavery in ancient Greece and Rome and in the early modern Atlantic world This imbalance in the scholarship has led many to assume that slavery was of minor importance in the Middle Ages In fact the practice of slavery continued unabated across the globe throughout the medieval millennium This volume the final volume in The Cambridge World History of Slavery covers the period between the fall of Rome and the rise of the transatlantic plantation complexes by assembling twenty three original essays written by scholars acknowledged as leaders in their respective fields The volume demonstrates the continual and central presence of slavery in societies worldwide between 500 CE and 1420 CE The essays analyze key concepts in the history of slavery including gender trade empire state formation and diplomacy labor childhood social status and mobility cultural attitudes spectrums of dependency and coercion and life histories of enslaved people

Infant and Child Mortality in the Past Alain Bideau, Bertrand Desjardins, Héctor Pérez Brignoli, 1997 The main demographic revolution in modern history has been the increased survival of children the gradual elimination of the biological waste linked to the high mortality of the past This volume examines the trends of early age mortality across time and space and the methodological and theoretical problems inherent in such studies It widens the discussion beyond the standard European

focus by including data from Asian and American sources showing that they offer enormous potential for researchers At the same time it makes clear the need for cautious treatment of historical data and points towards the design of techniques for appraising their quality correcting distortions and filling gaps The analysis demonstrates that levels of infant and child mortality are linked not only to material conditions of life but also to social and cultural factors The authors argue that a better understanding of these interactions can only come from an interdisciplinary approach where demography joins forces with biology medicine public health and social and economic history

Economy, Family, and Society from Rome to Islam Simon Swain, 2013-04-25 Bryson's Management of the Estate Oikonomikos Logos offers advice on the key private concerns of the Roman elite getting rich managing slaves love and marriage and bringing up children This estate owner is a farmer and a merchant making his money through good and effective business His wife is co owner of the estate and their love promotes material prosperity Their child needs twenty four hour supervision in all his affairs Bryson's book was almost certainly written in the mid first century AD but survives mainly in Arabic It had a profound effect on Islamic thinking on the economy and on marriage but is virtually unknown to classicists This new edition of the text together with the first English translation will appeal to Roman social and economic historians students of imperial Greek literature and all those interested in the development of Greco Roman thought in the Islamic empire of the Middle Ages

The Tale of the Hero who was Exposed at Birth in Euripidean Tragedy Marc Huys, 1995

Between Birth and Death Michelle T. King, 2014-01-08 Female infanticide is a social practice often closely associated with Chinese culture Journalists social scientists and historians alike emphasize that it is a result of the persistence of son preference from China's ancient past to its modern present Yet how is it that the killing of newborn daughters has come to be so intimately associated with Chinese culture Between Birth and Death locates a significant historical shift in the representation of female infanticide during the nineteenth century It was during these years that the practice transformed from a moral and deeply local issue affecting communities into an emblematic cultural marker of a backwards Chinese civilization requiring the scientific religious and political attention of the West Using a wide array of Chinese French and English primary sources the book takes readers on an unusual historical journey presenting the varied perspectives of those concerned with the fate of an unwanted Chinese daughter a late imperial Chinese mother in the immediate moments following birth a male Chinese philanthropist dedicated to rectifying moral behavior in his community Western Sinological experts preoccupied with determining the comparative prevalence of the practice Catholic missionaries and schoolchildren intent on saving the souls of heathen Chinese children and turn of the century reformers grappling with the problem as a challenge for an emerging nation

Inventing the Child Joseph L. Zornado, 2021-11-18 This book traces the historical roots of Western culture's stories of childhood in which the child is subjugated to the adult Going back 400 years it looks again at Hamlet fairy tales of the Brothers Grimm and Walt Disney cartoons Inventing the Child is a highly entertaining humorous and at times acerbic account of what it means to be a child

and a parent in America at the dawn of the new millennium John Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order

Children, Sexuality, and Child Sexual Abuse Dianna T. Kenny, 2018-04-09 In the past 20 years the progressive uncovering of child sexual abuse in institutional settings has reverberated across the globe with simultaneous investigations across Europe and the English speaking world However most books on child sexual abuse are narrowly focused and do not situate this most distressing of human behaviours within a social or historical context *Children Sexuality and Child Sexual Abuse* examines child sexual abuse from a broader perspective in order to understand how and why child sexual abuse is perpetrated by whom under what circumstances and with what societal consequences for victims and perpetrators This book will be an essential reference for all those working in the field of child sexual abuse Beginning with histories of childhood and sex and their intersections the book goes on to analyze sexual development sexuality and sexualized behaviour in children and adolescents This is followed by an examination of the extent of child sexual abuse in the English speaking world including its prevalence in the Indigenous communities of Australia New Zealand and Canada and in once trusted societal institutions including the Church orphanages and schools The book focuses on issues of concern to all those who encounter the problem of child sexual abuse and addresses questions such as How and when do children disclose child sexual abuse What are the characteristics of memory that affect reporting How are disclosure claims assessed What are the effects of having experienced child sexual abuse Finally there is an examination of young people who offend sexually

Crime and Punishment in the Middle Ages and Early Modern Age Albrecht Classen, Connie Scarborough, 2012-10-30 All societies are constructed based on specific rules norms and laws Hence all ethics and morality are predicated on perceived right or wrong behavior and much of human culture proves to be the result of a larger discourse on vices and virtues transgression and ideals right and wrong The topics covered in this volume addressing fundamental concerns of the premodern world deal with allegedly criminal or simply wrong behavior which demanded punishment Sometimes this affected whole groups of people such as the innocently persecuted Jews sometimes individuals such as violent and evil princes The issue at stake here embraces all of society since it can only survive if a general framework is observed that is based in some way on justice and peace But literature and the visual arts provide many examples of open and public protests against wrongdoings ill conceived ideas and concepts and stark crimes such as theft rape and murder In fact poetic statements or paintings could carry significant potentials against those who deliberately transgressed moral and ethical norms or who even targeted themselves

Death Control in the

West 1500-1800 Gregory Hanlon, 2022-09-21 Employing a rigorous methodological approach and analysing a vast body of sources from towns and regions in Italy France and England over 300 years this book hints at the extent of routine infanticide of newborns by married parents in early modern Europe a practice ignored by contemporary tribunals Death Control in the West 1500 1800 examines baptismal registers and ecclesiastical censuses across a score of communities in Catholic and Protestant Europe Married women had little reason to hide their condition from priests midwives neighbours and friends however the practice of post partum abortion was common everywhere especially during times of hardship By no means was it confined to the lower classes or to girls alone Proposing a series of reflections on population control this volume explores how families adopted a system of selective infanticide to manage resources and to safeguard social status just like populations elsewhere around the globe This study is an excellent tool for students and researchers interested in the demographic mechanisms of the age and social and familial relationships in early modern Europe *And Now My Soul is Hardened* Alan M. Ball, 1994 Warfare epidemics and famine left millions of Soviet children homeless during the 1920s Many became beggars prostitutes and thieves and were denizens of both secluded underworld haunts and bustling train stations Alan Ball's study of these abandoned children examines their lives and the strategies the government used to remove them from the streets lest they threaten plans to mold a new socialist generation The rehabilitation of these youths and the results years later are an important lesson in Soviet history *Byzantine Christianity* Derek Krueger, 2010-01-01 This third volume in the pioneering A People's History of Christianity series focuses on the religious lives of ordinary people and introduces the religion of the Byzantine Christian laity by asking the questions What did ordinary Christians do in church in their homes and their workshops How were icons used How did the people celebrate marry and mourn Where did they go on pilgrimage Contributors include Derek Krueger University of North Carolina at Greensboro Vasiliki Limberis Temple University Georgia Frank Colgate University James Skedros Holy Cross Greek Orthodox School of Theology Nicholas Conostas Harvard University Sharon Gerstel University of Maryland Peter Hatlie University of Dallas at Rome Charles Barber University of Notre Dame Brigitte Pitarakis Centre National de la Recherche Scientifique Paris Alice Mary Talbot Dumbarton Oaks Jaclyn Maxwell Ohio University **Children and Childhood in Western Society Since 1500** Hugh Cunningham, 2014-07-10 This book investigates the relationship between ideas about childhood and the actual experience of being a child and assesses how it has changed over the span of five hundred years Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present taking in Locke Rousseau Wordsworth and Freud revealing considerable differences in the way western societies have understood and valued childhood over time His survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries For undergraduate courses in History of the Family European Social History History of Children and Gender

History Four Romances of England Graham Drake, Ronald B Herzman, Eve Salisbury, 1999-04-01 Fitted with ample introductions notes and glosses this volume will make an excellent text for a class of any level on Middle English romance This excellent edition includes King Horn Havelok the Dane Bevis of Hampton and Athelston These romances all deal with the Matter of Britain that is they celebrate action and adventure tales taking place in England Featuring all the hallmarks of a good romance these works include disinherited nobles thrilling battles love stories dragons and all sorts of marvels and adventures Spanning the mid thirteenth to the late fourteenth century these works provide an excellent cross section of the wonderful world of Middle English romances featuring the escapades of their fantastical countrymen **Veiled Women**

Sarah Foot, 2019-06-04 There is no published account of the history of religious women in England before the Norman Conquest Yet female saints and abbesses such as Hild of Whitby or Edith of Wilton are among the most celebrated women recorded in Anglo Saxon sources and their stories are of popular interest This book offers the first general and critical assessment of female religious communities in early medieval England It transforms our understanding of the different modes of religious vocation and institutional provision and thereby gives early medieval women s history a new foundation

T&T Clark Handbook of Children in the Bible and the Biblical World Sharon Betsworth, Julie Faith Parker, 2019-05-16 This ground breaking volume examines the presentation and role of children in the ancient world and specifically in ancient Jewish and Christian texts With carefully commissioned chapters that follow chronological and canonical progression a sequential reading of this book enables deeper appreciation of how understandings of children change over time Divided into four sections this handbook first offers an overview of key methodological approaches employed in the study of children in the biblical world and the texts at hand Three further sections examine crucial texts in which children or discussions of childhood are featured presented along chronological lines with sections on the Old Testament Hebrew Bible the Intertestamental Literature and the New Testament and Early Christian Apocrypha Relevant not only to biblical studies but also cross disciplinary scholars interested in children in antiquity **The Family in Roman Egypt** Sabine R. Huebner, 2013-07-04 This book examines the role of the family in the Roman province of Egypt drawing on a wide range of sources

The Kindness Of Strangers The Abandonment Of Children In Western Europe From L Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Kindness Of Strangers The Abandonment Of Children In Western Europe From L has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Kindness Of Strangers The Abandonment Of Children In Western Europe From L has opened up a world of possibilities. Downloading The Kindness Of Strangers The Abandonment Of Children In Western Europe From L provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Kindness Of Strangers The Abandonment Of Children In Western Europe From L has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms

The Kindness Of Strangers The Abandonment Of Children In Western Europe From L

where individuals can download The Kindness Of Strangers The Abandonment Of Children In Western Europe From L. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Kindness Of Strangers The Abandonment Of Children In Western Europe From L. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Kindness Of Strangers The Abandonment Of Children In Western Europe From L, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Kindness Of Strangers The Abandonment Of Children In Western Europe From L has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Kindness Of Strangers The Abandonment Of Children In Western Europe From L Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Kindness Of Strangers The
