The King and I ,1962 Presented by Theatre 62 produced by John Edmund music by Richard Rodgers book and lyrics by Oscar Hammerstein II *The King and I* Richard Rodgers,1951 The Holy Bible Covenant Christian Coalition,2020-02-02 THE LSV IS FINALLY HERE A BRAND NEW LITERAL EASY TO READ TRANSLATION OF THE COMPLETE HOLY BIBLE BOTH OLD AND NEW TESTAMENTS This is the first edition of the LSV available for Google Play The LSV is published by Covenant Press the publishing arm of the Covenant Christian Coalition A modern literal word for word formal equivalence English translation of the Holy Scriptures utilizing English word rearrangement when necessitated for readability The LSV is the most literal translation of The Holy Bible with significant improvement over previous literal translations including Robert Young s excellent Young s Literal Translation Preservation of verb tenses wherever possible Utilization of the transliterated Tetragrammaton in the Old Testament All uppercase LORD is used in the New Testament when a reference to YHWH is likely Removal of many Hebrew and Greek transliterations remember transliterations are generally not translations Unlike most translations justified typographic alignment consistent with the style of the original Hebrew Aramaic and Greek biblical autographs The ancient caesura mark is used for easy readability of poetic literature such as the Psalms Inclusion of the verses found in older English translations such as the King James Version KJV that are not found in many modern translations and inclusion of the alternative LXX Genesis chronology set next to the MT These are contained within bolded double brackets for distinction Capitalized pronouns and other nounal forms when referring to God Christ or the Holy Spirit References to the Messenger of the LORD are also capitalized when the subject appears to be a clear reference to God or the Messiah as found in translations such as the NKJV The goal of any good translation is to produce a readable text that preserves the original autographic meaning and comes as close as possible to translating word for word manuscripts that accurately represent the original writings It s with this goal in mind that the Literal Standard Version LSV was written a modern yet literal English translation based upon the most prolific texts the Masoretic Text MT for the Old Testament and the Textus Receptus TR and Majority Text M for the New However in certain specific instances other manuscript versions and text types are used where the evidence seems incontrovertible e g the LXX and DSS in the Hebrew and Aramaic the Alexandrian in the Greek ANOTHER TRANSLATION WHY There have been a slew of new English translations in the past half century which may cause some to wonder why the need for another The translators agree with the premise that different translations can serve different demographics and different reading levels to maximize exposure to God s word In this sense the LSV is not a competitor to other excellent translations but is complimentary As the most literal modern English translation the LSV is an excellent resource for deep and thoughtful Bible study and research essentially an interlinear in

terms of word for word translation but arranged with English sentence structure
