The King is Among Us Roy Lawrence, 2004-01 This intriguing accessible book draws attention to the fact that the ascension of Jesus is a vital Christian doctrine largely neglected by Christians Lawrence effectively presents the two truths that Jesus is King of all but also present with us at the same time and the ways that Jesus ascension transforms us He empowers us by sending his spirit to us He sends us out on mission He enables us to pray effectively and bring healing in his name He assures us that he is coming again and we will be with him forever Written in an accessible easy to read style with pastoral sensitivity and wisdom readers will identify with the many personal stories while the practical suggestions will help them apply the teaching to their lives

*Pro Rege (Volume 3)* Abraham Kuyper, 2019-07-10 Abraham Kuyper believed that Jesus is King of all creation making it absurd to distinguish between Christian life inside and outside the church In previous volumes of *Pro Rege* Kuyper examined Christ s universal kingship and its implications for the life of the church and the family in this third volume he extends his analysis of Christ s kingship and rule to areas of society not encompassed by the family and the church specifically culture and the arts civil society and government Created in partnership with the Abraham Kuyper Translation Society and the Acton Institute for the Study of Religion Liberty the *Abraham Kuyper Collected Works in Public Theology* marks a historic moment in Kuyper studies one that will deepen and enrich the church s public theology Based in Grand Rapids Michigan the Acton Institute is a nonprofit research organization dedicated to the study of free market economics informed by religious faith and moral absolutes

**Pro Rege** Abraham Kuyper,2016-07-13 Abraham Kuyper wrote Pro Rege to bridge the divide between believers lives inside and outside the church He believed that a healthy view of Jesus kingship was essential to closing that gap In this first volume Kuyper discusses how Satan s kingdom opposes undermines and obscures Christ s kingship He then lays out the kingship of Christ according to Scripture From his vantage point at the dawn of the 20th century Kuyper explains the scope of Christ s dominion over all of life in his own culture yet does so in a way that also strikingly impacts the 21st century reader This new translation of Pro Rege created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper s most important writings The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church s development of public theology

**The Basis for the Building Work of God** Witness Lee,2003-10-01 On the one hand Brother Witness Lee saw that God s eternal will His ultimate goal is to build a house that is the mingling and the mutual dwelling of God and man On the other hand he realized that despite the presence of Christianity and of Christians all over the earth there is the lack of such a house Although there are people in many places who love the Lord who zealously pursue the Lord and who pay attention to spiritual things it is hard to find one group of Christians who have been built together to become a spiritual house in which God can dwell a house that satisfies the needs of both God and man Not only do we not have the reality of the building we lack even the concept of the building up of the church Most Christians have as their goal getting saved and going to heaven and are ignorant of the revelation of the building of the church These eight messages are directed at this situation On the one hand they aim to make known God s will and to point out His goal on the other hand they aim to correct our mistakes and to inspire us in our pursuit

with the pastoral tools needed to lead dismissal sessions with adults preparing for Baptism Through reflection and discussion each dismissal session guide helps to develop the catechumen s relationship with Christ self and neighbor by internalizing the Word concentrating their prayer around the Scriptures and becoming familiar with the teachings of the Church The step by step format makes leading the dismissal an easy and prayerful experience     **The Holy Bible** ,1868     The Living Church ,1906     Jesus Ascended Gerrit Dawson,2004-05-01 The book presents the Ascension as public truth examining questions such as when did Jesus ascend and how where did he go with what kind of body and into what kind of space It discusses the nature of Jesus victory how it has been challenged how it has been understood at different times in history and how it relates to his second coming The author examines the relevance of the doctrine for personal spiritual life our union with Christ Jesus praying for us worship and our own prayers He goes on to consider living in God s kingdom the tension between waiting for the kingdom and working for it now suffering humanisation and the church and the world today The book approaches the Ascension thematically making it a useful teaching tool Its themes arise from the categories in which the Church Fathers employed the doctrine Gerrit Dawson shows the Ascension to be a vital key to understanding in a fresh way the person and work of Christ union with Christ the mission of the church in the world Christian identity and spiritual theology A unique feature of the book is the way Dawson combines a full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for Jesus Ascended Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada
