The Kings Of Atlantis:

The Kings of Atlantis Lewis Spence, 2005-12-01 **Kings of Atlantis** David Walker, 2014-07-21 Kings is mostly rapsallions Mark Twain Theatre Theatre and blood The alien Kings of Atlantis were in trouble One had been murdered and replaced by a human usurper The others cared little and did less The High Priest of the old gods plotted the kings downfall and the return to Earth of their ancient enemy If that happened how would the kings avoid destruction Gabe just wanted to be left alone and then Slater decided to make him a King The President sent the marines to come looking for them That s when their troubles started Who said being a King was easy , *Middle-earth and the Return of the Common Good* Joshua Hren, 2018-10-05 Political philosophy is nothing other than looking at things political under the aspect of eternity This book invites us to look philosophically at political things in J R R Tolkien s legendarium demonstrating that Tolkien s potent mythology can be brought into rich fruitful dialogue with works of political philosophy and political theology as different as Plato s Timaeus Aquinas De Regno Hobbes s Leviathan and Erik Peterson s Monotheism as a Political Problem It concludes that a political reading of Tolkien s work is most luminous when conducted by the harmonious lights of fides et ratio as found in the thought of Thomas Aquinas A broad study of Tolkien and the political is especially pertinent in that the legendarium operates on two levels As a popular mythology it is in the author s own words a really long story that would hold the attention of readers amuse them delight them and at times maybe excite them or deeply move them But the stories of The Silmarillion and The Lord of the Rings contain deeper teachings that can only be drawn out when read philosophically Written from the vantage of a mind that is deeply Christian Tolkien s stories grant us a revelatory gaze into the major political problems of modernity from individualism to totalitarianism sovereignty to surveillance terror to technocracy As an outsider in modernity Tolkien invites us to question the modern in a manner that moves beyond reaction into a vivid and compelling vision of the common good **The Secret Teachings of All Ages** Manly P.
