**The King's Wife's Cookbook** Sara Waxman,1980      **Driving out the Kings** Dr. Kevin E. Stafford,2011-12-28 Some may read the title of this book and think this is some sort of book that deals with a monarch figure of English folklore that was terrorizing a colony set in the medieval times Then there are those that have read the introduction and expect a dissertation on the brain and multiple personalities Guess what You are going to get a taste of all of that in the pages to follow Based on the fact that people have been dealing with the fight within since the beginning of time this subject matter has been approached from many angles From the Apostle Paul to Plato to Aristotle to Sigmund Freud many have tried to self examine mankind and design a road map detailing how to navigate the rugged terrain of this thing we call life It was while I was trying to negotiate my own inner battles that I was led by the Holy Spirit to an interesting time and period in the Bible where the Israelites were faced with a very demanding task They were challenged to do something that would prove to be critical for them to take possession of a land that promised a better existence and abundant resources to make life more prosperous for them In my studies I found a provocative Biblical story that has a potentially broader impact for mankind if we can open ourselves to embrace the deeper implications As the dramatic story unfolded I soon determined that the plight of the Israelites could actually be indicative of an individuals internal battle and inward journey towards personal growth and development Inspired by God I decided to write a sermon series about it entitled Driving out the kINGS In this series I dissect the mission the Israelites were given in order to possess the land promised to them by God This mission I found to run parallel with that of a person trying to take control of their life and be the best that they can be in the good and bad of life Join me in the following pages to seek the better you for the best life of your dreams      *The Official Game of Thrones Cookbook* Chelsea Monroe-Cassel,2024-05-07 From the world of George R R Martin s A Song of Ice and Fire comes a collection of 80 delicious recipes inspired by the histories of Westeros Essos and beyond For those who long to dine with the Dragonlords of Old Valyria or quaff a cup of mead with King Robert I The Official Game of Thrones Cookbook unlocks the vast culinary world of George R R Martin s A Song of Ice and Fire Presented as the in world manuscript of a Citadel maester these eighty recipes take the reader on a delectable journey throughout the Seven Kingdoms across the Narrow Sea and back into the annals of history The book is created by Chelsea Monroe Cassel who tends the popular Inn at the Crossroads food blog and co authored A Feast of Ice and Fire Her Maester Alton is curious food obsessed and loves the fare of the highborn and small folk alike His recipes evoke the world s regions history and stories in a charming and knowledgeable voice The eight chapters offer recipes for every meal of the day including Dothraki Blood Pie Crown Roast of Boar s Ribs Dornish Creamcakes Redwyne Roasted Grapes Seaweed Ship s Biscuits Barley Griddle Cakes Winter Town Wassail Recipes are illustrated by mouthwatering food photography and stunning woodcut illustrations A resource section suggests menus by region so you can hold a feast in Riverlands The Wall or Braavos Complete with an introduction by George R R Martin The
