The Leopard Boy Daniel Picouly, 2016-01-11

October 15 1793 the eve of Marie Antoinette's execution The Reign of Terror has descended upon revolutionary France and thousands are beheaded daily under the guillotine Edmond Coffin and Jonathan Gravedigger two former soldiers now employed in disposing of the dead are hired to search the Parisian neighborhood of Haarlem for a mysterious mixed race leopard boy whose nickname derives from his mottled black and white skin Some would like to see the elusive leopard boy dead while others wish to save him Why so much interest in this child He is rumored to be the son of Marie Antoinette and a man of color the Chevalier de Saint George perhaps or possibly Zamor the slave of Madame du Barry mistress of Louis XV

This wildly imaginative and culturally resonant tale by Daniel Picouly audaciously places black and mixed race characters including King Mac creator of the first hamburger who hands out figures of Voltaire and Rousseau with his happy meals and the megalomaniac Black Delorme creator of a slavery theme park at the forefront of its Revolution era story Winner of the Prix Renaudot one of France's most prestigious literary awards this book envisions a Black France two hundred years before the term came to describe a nation transformed through its postcolonial immigrant population CARAF Books Caribbean and African Literature Translated from French

Marie Antoinette's Darkest Days Will Bashor, 2016-12-01 This compelling book begins on the 2nd of August 1793 the day Marie Antoinette was torn from her family's arms and escorted from the Temple to the Conciergerie a thick walled fortress turned prison It was also known as the waiting room for the guillotine because prisoners only spent a day or two here before their conviction and subsequent execution The ex queen surely knew her days were numbered but she could never have known that two and a half months would pass before she would finally stand trial and be convicted of the most ungodly charges Will Bashor traces the final days of the prisoner registered only as Widow Capet No 280 a time that was a cruel mixture of grandeur humiliation and terror Marie Antoinette's reign amidst the splendors of the court of Versailles is a familiar story but her final imprisonment in a fetid dank dungeon is a little known coda to a once charmed life Her seventy six days in this terrifying prison can only be described as the darkest and most horrific of the fallen queen's life vividly recaptured in this richly researched history
