The Labour Party Conference A Study In The Politics Of Intra Party Democracy:

The Labour Party Conference Lewis Minkin,1980 *The British Study of Politics in the Twentieth Century* Jack Hayward,Brian Barry,Archie Brown,2003-05 A collection of articles about British studies relating to various political issues including totalitarianism individualism pluralism political parties elections political institutions public administration nationalism authoritarianism and international relations

The Challenges of Intra-Party Democracy William P. Cross,Richard S. Katz,2013-02-28 The Challenges of Intra Party Democracy provides a comprehensive examination of the costs and benefits of intra party democracy and the issues parties must contend with in setting their own organizational norms

A History of the British Labour Party Andrew Thorpe,2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010 This new edition of A History of the British Labour Party brings us up to date examining Gordon Brown s period in office and the Labour Party under the leadership of Ed Miliband Andrew Thorpe s study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches This new edition Covers the entirety of the party s history from 1900 to 2014 Examines the reasons for the party s formation and its aims Analyses the party s successes and failures including its rise to second party status and remarkable recovery from its problems in the 1980s Discusses the main events and personalities of the Labour Party such as MacDonald Attlee Wilson Blair and Brown With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain s major political parties

The Longman Companion to the Labour Party, 1900-1998 Harry Harmer,2014-09-25 A timely reference guide to the Labour Party which brings together the essential facts and figures about the Party since its foundation through to the New Labour of the 1990 s It is the essential reference book for anyone wanting reliable information on the Labour Party

The Impact of New Labour G. Taylor,1999-05-12 An up to date critical assessment of the New Labour phenomena It assesses the impact of Labour s modernizers in three crucial areas changes within the Labour party itself the reformation of the British state and the influence on particular areas of policy The essays do not seek to provide unequivocal answers to the questions raised by the arrival of New Labour and their initial period in office but provide a debate between the contributors over the nature and significance of these changes The book is a wide ranging and accessible account of the political phenomena which will lead Britain into the twenty first century

Respectable Radicals David Howell,2017-03-02 Railway workers were a uniformed and respectable section of the Victorian and Edwardian working class They built their trade unions in the face of employer hostility and their organisations played a crucial role in the construction of effective labour politics Local political organisations owed much to the patience and creativity of railway workers not least in small towns and country districts Respectable Radicals uses rich archival sources to analyse this history through a series of case studies It focuses among other topics on disasters strikes the

modernisation policies of companies inter union rivalries and the promises and frustrations of labour politics A dominant theme is the complex relationship between changing experiences of work shifting trade union strategies and political identities The result is a new perspective on a significant sector of trade unionism and on the character of labour politics from the 1890s to the 1950s *The Politics of the Thatcher Revolution* G. Fry,2015-12-04 The Thatcher era was the most dramatic period in British politics since the 1940s As Conservative Prime Minister Margaret Thatcher proved to be the Iron Lady at home and abroad This book analyzes the politics of the Thatcher era in an incisive and challenging manner **Party Ideologies in America, 1828-1996** John Gerring,2001-02-05 This book first published in 1998 presents historical analysis of the ideologies of major American parties from the early nineteenth century onwards *Contemporary Thought on Nineteenth Century Socialism* Peter Lamb,2020-12-15 The third volume includes a range of pamphlets lectures and other documents which help illustrate the intellectual and political activities and environment which shaped the British mainstream left of the twentieth and twenty first centuries The early concerns and activities of the Fabian Society since its foundation in the 1880s are illustrated in the selection as are the concerns problems events and opportunities leading to the formation and early development of the Labour Party in the years from the turn of the century to the outbreak of the First World War Also included are writings of members of the Independent Labour Party ILP Formed in the 1890s the ILP not only became a key player in the formation and early development of the Labour Party but also served as a more radical alternative The concerns and activities of these two parties and the Fabian Society overlapped one another and some of the key figures of British socialism were members of more than one of these three key organizations As the volume illustrates together the Fabians ILP and Labour constituted the foundations of contemporary British social democracy Political Power and Democratic Control in Britain David Beetham,Stuart Weir,2002-09-11 Democratic Institutions and Practices is the second study carried out under the Democratic Audit of the UK This volume explores the formal institutions and processes of the liberal democratic state including the executive elections parliament and the civil service The Struggle for Labour's Soul Raymond Plant,Matt Beech,Kevin Hickson,2004 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper s Polly Toybee discuss the Labour Party s political philosophy and address key topics like globalization constitutional reform equality and the third way **Reader's Guide to the Social Sciences** Jonathan Michie,2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **Renegades and Rats** Jacqueline Dickenson,2006 Accusations of betrayal played a significant role in the shaping and maintenance of solidarity in socialist and other modern radical political organisations in Australia and Britain This fascinating study of trust and betrayal focuses on case studies of 6 rats or renegades H H Champion William

Trenwith John Burns Albert Victor Grayson Adela Pankhurst Walsh and Ada Holman Renegades and Rats will appeal to scholars of history and sociology alike and to anyone interested in the subject of trust what it is and how it is lost **Reader's Guide to British History** David Loades,2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6-12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication One Hundred Years of Socialism Donald Sassoon,2010-07-30 On 14 July 1889 the centenary of the French Revolution socialist parties from all corners of Europe met in Paris On the same day in the same city the Exposition Universelle was launched to mark the achievements of capitalist production The two events symbolized the beginning of the epic struggle between socialism and capitalism in Europe In this comprehensive study of a century of socialism the author traces the fortunes of the political parties of the Left in Western Europe From the rise of the Bolsheviks to the fall of the Berlin wall from the Second International through two world wars to the Cold War and the birth of the welfare state from the working class militancy and student uprisings of the 1960s through the revival of feminism and the arrival of green politics to the reluctant embrace of market economics en route to the millennium Donald Sassoon charts the course of socialism across 14 countries He shows that throughout their history the fortunes of socialism and capitalism have been inextricably linked They have grown up side by side each one challenging and seeking to destroy yet nourishing and shaping the other *Changing Parties* F. Faucher-King,2005-10-11 Party conferences are central to the life of political parties They contribute to setting policy agendas developing policy options legitimizing policy choices building party cohesion motivating activists and publicizing party activities to the wider public An analysis of their evolution in Britain helps us understand the ways in which political parties change This book combines anthropological methods with political science to analyze changing power relationships party organizations and political culture in British political parties Labour Conservative Liberal Democrats The Greens **Entryism and the Revolutionary Socialist Left in Britain** Nicolas Sigoillot,2023-12-01 This book examines entryism in the context of the revolutionary socialist left in Britain from the inception of the Communist Party of Great Britain in 1920 to the departure of Militant from the Labour Party in 1992 Entryism is a tactic of penetration of a political party by another aimed at accomplishing objectives the nature of which can change depending on the type of entry This work shows to what extent there is not one type of entryism but several The adopted methodology is chronological with introductory chapters that study the context and the previous partial only attempts to define entryism The first part of the volume is dedicated to the relationship between the Communist Party of Great Britain and the Labour Party up until the middle of the 20th century The following two parts are dedicated to British Trotskyists before and after the Second World War In total 17 organisations that have practiced entryism are examined

Through their objectives practices and results this work intends to formulate an exhaustive typology of the tactic which fills a definitional gap in political science and covers an aspect of Labour s History that has only been partially covered This volume will be of use to students and scholars interested in the history of the Labour Party and the Far Left in the United Kingdom

The Foundations of the British Labour Party Matthew Worley,2016-12-05 Interest in the Labour Party remains high particularly following the unprecedented election of a third successive Labour government and amidst the on going controversies that surround the New Labour project Increasingly the ideological basis of the Labour Party has come under scrutiny with some commentators and party members emphasizing progressive traditions within the party whilst others refer back to the trade union foundation of Labour This volume brings together a group of scholars working within the field of labour history to consider the various elements that influenced the early Labour Party from its formation into the 1930s The party s association with the trade union movement is explored through the railwaymen and mineworkers unions while further contributions assess the different ways in which the Independent Labour Party the co operative movement liberalism Christianity and the local party branches helped lay the foundations for Labour s growth from a parliamentary pressure group to a party of government

The Labour Party and the world, volume 1 Rhiannon Vickers,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This is the first comprehensive study of the political ideology and history of the Labour Party s world view and foreign policy It argues that the development of Labour s foreign policy perspective should be seen not as the development of a socialist foreign policy but as an application of the ideas of liberal internationalism The first volume outlines and assesses the early development and evolution of Labour s world view It then follows the course of the Labour party s foreign policy during a tumultuous period on the international stage including the First World War the Russian Revolution the Spanish Civil War the build up to and violent reality of the Second World War and the start of the Cold War This highly readable book provides an excellent analysis of Labour s foreign policy during the period in which Labour experienced power for the first time
