The Lambeg And The Bodhran Drums Of Ireland:

The Lambeg and the Bodhrán Rina Schiller, 2001 The Bodhrán Colin F. Harte, 2023-08-18 In the past fifty years the bodhrán or traditional Irish circular frame drum has undergone a rapid evolution in development. Traditionally it is a shallow drum ranging from ten to twenty six inches in diameter covered in goatskin on the top or drum side and open on the other. Unlike any other instrument associated with Irish traditional music the bodhrán has been dramatically altered by its confrontation with modern instrument design, performance techniques and musical practice. Colin Harte's *The Bodhrán* Experimentation, Innovation and the Traditional Irish Frame Drum presents a definitive history of the bodhrán from its early origins to its present day resurgence in Irish American folk music. The bodhrán has global roots and bears many characteristics of older drums from northern Africa and the Middle East. Harte picks up on these basic similarities and embarks on an engaging tour of the instrument's historical and organological development, gradual evolution in playing styles and more recent history of performative practice. Drawing from a host of interviews over a multi-year period with participants primarily located in Europe and North America, this work provides a platform for multiple perspectives regarding the bodhrán. Participants include bodhrán makers, professional performers, educators, amateur musicians, historians and enthusiasts. Growing out of rich ethnographic interviews, this book serves as the definitive reference for understanding and navigating the developments in the bodhrán's history, organology, performance practices and repertoire.

Music, Business and Peacebuilding Constance Cook Glen, Timothy L. Fort, 2021-12-21 Business schools are placing more emphasis on the role of business in society. Top business school accreditors are shifting to mandating that schools teach their students about the social impact of business, including AACSB standards to require the incorporation of business impact on society into all elements of accredited institutions. Researchers are also increasingly focused on issues related to sustainability, but in particular to business and peace as a field. A strong strain of scholarship argues that ethics is nurtured by emotions and through aesthetic quests for moral excellence. The arts and music, as shown specifically in this book, can be a resource to nudge positive emotions in the direction toward ethical behavior and logically then toward peace. Business provides a model for positive interactions that not only foster long-term successful business but also incrementally influences society. This book provides an opportunity for integration and recognition of how music and other art forms can further encourage business toward the direction of peace while business provides a platform for the dissemination and modeling of the positive capabilities of music toward the aims of peace in the world today. The primary market for this book is the academic audience. Unlike many other academic books, however, the interdisciplinary nature of the book allows for multiple academic audiences. Thus, this book reaches into schools of music, business, political science, film studies, sports and society studies, the humanities, ethics and of course peace studies.

Ethnic Dignity and the Ulster-Scots Movement in Northern Ireland Peter Gardner, 2019-12-11 In this book Peter Gardner contends that the production of narratives of ethnic peoplehood is an attempt

to regain a sense of collective dignity among the previously dominant After introducing the concept of ethnic dignity and locating its place within postconflict identity politics Gardner focuses his analysis on the Ulster Scots story of peoplehood Drawing on a wealth of primary data the chapters explore a variety of core issues including ethnopolitics social class political economic ideology colonialism and heteromascularity The book concludes by taking a global view of post conflict ethnic dignity among the once dominant analysing the New Afrikaans movement in South Africa white pride and ethnic whiteness studies and Maronite Phoenicianism in Lebanon This will be an important contribution for students and scholars of ethnicity divided societies and more broadly political sociology *Ireland - Culture Smart!* Alexandra Furbee, 2025-03-27 Most guidebooks on Ireland will tell you where to stay and what to see Culture Smart Ireland is written for people who want to know more and go deeper Here you will find the beliefs and attitudes of the Irish their rich musical and literary culture their ancient language and mythology the values they live by how they do business how they enjoy themselves and the ways they have been molded by their tumultuous history and indeed their geography This understanding will be appreciated by your hosts it will open doors to you even open the hearts of a generous talented people justifiably proud of their unique identity

Ireland - Culture Smart! John Scotney, 2016-05-19 The island of Ireland is famous for its timeless beauty the variety of its landscape its quiet towns and lively cities the poetic and literary genius of so many of its citizens its music and folklore and its colorful and bloody history What is also true is that the Irish people have in many ways changed in recent years while retaining the scars and proud memories of their past and their thriving national culture Twenty first century Ireland North and South is the product not only of its history and culture but also of massive political change remarkable efforts to heal centuries old animosities a metamorphosis in social and religious attitudes and the dramatic peaks and troughs of a transformed economy Until the late twentieth century Southern Ireland s economy was essentially rural tied to the UK the North a place of heavy industry Then came the so called Celtic Tiger springing forward into a largely new type of economy that reaped colossal rewards New industries arose old industries disappeared This was followed by financial collapse in the first decade of this century worse than almost any country in Europe Helped by its friends and at least in the South by governmental and popular acceptance of savage austerity measures Ireland survived Today the Republic is a major target for US and European investment Businesspeople and visitors who don t know Ireland will find this book an invaluable introduction to the people the country and the economic opportunities it offers while if you think you know Ireland and the Irish you will find plenty here to broaden and deepen that knowledge and also plenty that will surprise you **Demo(s)**, 2016-01-01 This book is framed as a dialogue between Hugo Letiche s iconoclastic appeals to demonstrate as in a demo for a pedagogy philosophy politics of re territorialization as in the demos and Jacques Ranci re s calls for dissensus and a new sensibility le partage du sensible that may lead to radical democratization Writing here are Asmund Born Damian O Doherty Joanna Latimer Hugo Letiche Geoff Lightfoot Simon Lilley Alphonso Lingis Stephen Linstead Garance Mar chal Jean Luc
