The Rosary Cantoral Lorenzo F. Candelaria, 2008 The Rosary Cantoral Ritual and Social Design in a Chantbook from Early Renaissance Toledo presents a model for realizing the fuller significance of illuminated music manuscripts as cultural artifacts and offers unprecedented insights into the social and devotional life of Toledo Spain around the turn of the sixteenth century After solving the mystery of the Rosary Cantoral's origins subsequent essays probe the meaning and cultural significance of the manuscript's iconography including a border decoration after Albrecht Dürer its rare Spanish chants for the Mass and two striking musical works for multiple voices one by Josquin Desprez and another on L'homme armé Ultimately this book focuses on the extraordinary circumstances that engendered the compilation of the Rosary Cantoral around 1500 a system of patronage between a brotherhood of suspected heretics and a religious house that was a key supporter of the Inquisition in Toledo **BOOK JACKET** *The Cambridge History of Sixteenth-Century Music* Iain

Fenlon, Richard Wistreich, 2019-01-24 Part of the seminal Cambridge History of Music series this volume departs from standard histories of early modern Western music in two important ways First it considers music as something primarily experienced by people in their daily lives whether as musicians or listeners and as something that happened in particular locations and different intellectual and ideological contexts rather than as a story of genres individual counties and composers and their works Second by constraining discussion within the limits of a 100 year timespan the music culture of the sixteenth century is freed from its conventional and tenuous absorption within the abstraction of the Renaissance and is understood in terms of recent developments in the broader narrative of this turbulent period of European history Both an original take on a well known period in early music and a key work of reference for scholars this volume makes an important contribution to the history of music **Cathedral, City and Cloister** Kathleen E. Bible in Sixteenth Century England Roland H. Worth, 2000-01-01 The King James Version of the Bible is seldom viewed as

a radical text yet the history of English Bible translation in the sixteenth century culminating in the now familiar King James Version is a complex one revealing that Bible translation did not occur in a vacuum but within a web of politics shifting religious pressures and repressions The struggle to translate the Bible into English is here examined within the political context of the age Emphasis is placed upon the varying royal policies and how these resulted in policy swings and the subsequent encouragement or discouragement of religious change and new Bible translations The book is arranged chronologically spanning the changing environments for Bible translation under Henry VIII Edward VI Mary Elizabeth I and James who varied from forbidding such translations to encouraging them A bibliography and index are included

Cristóbal de Morales Owen Rees, Bernadette Nelson, 2007 Cristobal de Morales was the most famous Spanish composer of the mid sixteenth century His music was known internationally during his lifetime he was eulogised in the works of contemporary writers and his fame and influence remained significant in the seventeenth century sixty years after his death he was still regarded as one of the finest composers of sacred polyphony His repertory includes some twenty two masses and over 140 motets and works in other sacred genres This volume seeks to examine all aspects of the composer s works and the context in which he composed The topics covered include sources newly uncovered works and issues of authorship musical traditions in Spain and elsewhere the transmission and reception of Morales music in Spain Northern Europe and the New World patterns of influence and emulation involving Morales and other composers and modern perceptions of Morales and his music The book also provides the first comprehensive published list of the composer s works and their sources Owen Rees and Bernadette Nelson work at the University of Oxford The contributors include Cristle Collins Judd Martin Ham Tess Knighton Kenneth Kreitner Alison Sanders Mcfarland Michael Noone Bernadette Nelson Owen Rees Stephen Rice Emilio Ros Fabregas Graeme Skinner Robert Stevenson Cristina Urcheguia and Grayson Wagstaff **The Sixteenth Century Hebrew**
