The Land Beyond the Forest Mac Wellman,1995 **The Palgrave Handbook of the Vampire** Simon Bacon,2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story **The Facts on File Companion to American Drama** Jackson R. Bryer,Mary C. Hartig,2010 Features a comprehensive guide to American dramatic literature from its origins in the early days of the nation to the groundbreaking works of today s best writers *The Gertrude Stein Awards in Innovative American Poetry* ,1994
With Each Clouded Peak Friederike Mayröcker,1998 Beginning with personal remembrances experiences and feelings Mayrocker adds linguistic material collected from a variety of sources which through the years she gathered on pieces of paper to create a grand collage in with each clouded peak a collage subject to the permutations repetitions and rediscoveries of everyday life The result is a text that does not easily fit into any genre as it straddles autobiography essay fiction and poetry *The Road to the World's End* Sigurd Hoel,1995 A group of boys drowns a goat in this tale of innocence and childhood cruelty The setting is Norway during the first half of this century and the protagonist is the son of a landowner By the author of *The Troll Circle* **Crowtet 1** Mac Wellman,2000 An edition of the first two plays in Mac Wellman s highly successful quartet of plays **Terror of Earth** Tom LaFarge,1996 Lovers of literature will discover in La Farge s remarkable work a host of radical occasionally shocking yet unfailingly poetic renderings of familiar favorites such as *The Fox and the Crow* *The Wolf and the Lamb* and *The Matron of Ephesus* among others Stories such as *The Image Breaker* and *Marion and Alison* recast classic sexual themes with appropriately erotic language for 1990s readers *Switchback, Or, Lost Child in the Terror Zone* Murray Mednick,1997 In a neutral area of the Terror Zone two women await to cross the range of gunfire one with a baby carriage the other on bicycle Both have faced death many times and the discussion they have which makes up the content of Mednick s jazz operetta reveals a horrifying world in which there is little hope for a future much like the inner city ghettos of today Yet these women are proud stubborn insistent in their intent to live more normal lives and to resume their movement up the switchback The ending is as inevitable as tomorrow morning s headlines
Carnal Love Henri Deluy,1996 *Carnal Love* represents both a sensual and intellectual passion for the living and the dead English language readers will discover in the first translation of this great French poet a truly original voice that encompasses the ordinary and the unusual the banal and the magical simultaneously **Books in Print** ,1991 *Republics of Reality* Charles Bernstein,2000 At once the most paradoxically controversial and popular accessible and most difficult of the L A N G U A G E poets Bernstein is also the writer of that group who strove early on to experiment with the extremes of

its newly minted methods Whether highlighting the synaesthesia of the word in its isolation or in the plain phrase as it operates in daily life to convey our most banal thoughts this collection of long out of print chapbooks none of these poems have appeared in ally of Bernstein s many breakthrough volumes such as *Islets Irritations* 1983 or *Dark City* 1994 provides a unique overview of his career and adds to the range of his impressive canon of major and minor works The first poem from the 1976 volume *Parsing* titled *Sentences* will surprise anyone expecting text over speech as it is practically a litany of anxieties attitudes and stuttering intensities This attention to spoken language makes such dense works as *Poem* from 1978 s *Shade* both welcoming and discomfiting expressionistically cinematic but not without its moments of eye wink satiric narrative In the short poems collected in *The Absent Father in Dumbo* and *Residual Rubbernecking* Bernstein takes the project far from the austere fragments of the early works and deep into a purposely purple and unbeautiful lyricism Such mortal slurp to strain this sprawl went droopy Gadzooks it seems would bend these slopes in girth None trailing failed to hear the ship looks loopey Who s seen it nailed uptight right at its berth Bernstein always manages to find the furthest reaches of any norms of good taste be it mainstream or avant garde creating a poetics that reveals the social codes hidingbehind all of poetry s tropes and forms Though many of the later poems here seem unfocused and minor compared to the fabulous and ambitious early chapbooks the volume as a whole presents as many promises as it does relevant problems as many beauties as it does strange new imaginings

Where Heat Looms André Du Bouchet,1996 Upon his return to France du Bouchet became a translator of English authors such as Shakespeare Hopkins and Joyce He has also translated Holderlin Celan Madelstam and Pasternak

Everything that Rises Must Converge John Jesurun,1997 This piece was first performed at the Walker Arts Center in Minneapolis and the at the Kitchen in New York in 1990 Mel Gussow writing in the *New York Times* obseved that the language of the play was complex moving backwards forward and sideways but what holds the audience s attention is the ingenious style of presentation While we are still trying to correlate the barrage of words and the live video figures some of whom appear to be taking to themselves the rear wall suddenly swings to a perpendicular revealing an entirely different audience siting on bleachers on the opposites side of the stage In a mirror reversal they have been watching our actors on monitors and our monitor actors on stage

At the Roots of the Stars Djuna Barnes,1995

How to Do Things with Words Joan Retallack,1998 Borrowing the title of J L Austin s important philosophical tract Joan Retallack seeks through poetry answers to Austin s questions about the relationship between saying and doing Retallack explores what poetry means and how poetry interests with other intellectual forms charts drafts encyclopedias dictionaries lexicons and games

Semmelweis Jens Bjørneboe,1998 Translated from the Norwegian and with an introduction by Joe Martin Novelist and essayist Jens Bjorneboe turned to playwriting during the 1960 s as a genre in which he might stage his literary assault on hierarchical society with an aggressive extroverted form of theater from the Introduction This play had its world premiere in Oslo in 1969 and recounts the tragic history of Dr Ignaz Semmelweis the

founder of modern antiseptic techniques whose biography illustrates the pitfalls and even horrors of the man or woman of science who is naively in search of truth and improvement in the human condition in a society who is naively in search of truth and improvement in the human condition in a society that reveres prestige and power and its own received belief systems to the exclusion of any new truths from the Introduction Brechtian in style and somewhat anarchic in its politics Semmelweis provides a biting critique of obtuse authority **The PIP Anthology of World Poetry of the 20th Century: At Villa Aurora: nine contemporary poets writing in German** Douglas Messerli, 2000 The 7th volume in Green Integer s ongoing international poetry series From the Lightning Gonzalo Rojas, 2008 A major collection of the poetry of Chilean writer Gonzalo Rojas **My Year 2005** Douglas Messerli, 2006 For years the noted author and founded publisher of Sun Moon Press and Green Integer has been spurred by fellow writers and friends to write his memoirs But Messerli argues that he does not have the sensibility to write only about his personal experiences since his life has been primarily defined by cultural encounters thus this annual collection of essays on these experiences as well as the hundreds of notable figures with whom he has had friendships and working relationships The 2005 volume includes Paul Auster Robert Creeley and John O Keefe among others
