**The Wizard of West Penwith** William Bentinck Forfar, 1871 In writing my Cornish Tales I have always endeavoured to portray the Cornish character in all its native wit and humour for which the genuine west country miners are so proverbial And I have generally taken for the foundation of my Stories incidents which have really happened in the localities wherein the actions of my little dramas have been laid The scene of my present story is laid in the neighbourhood of the Land's End and most of the characters were well known there in days gone by the names only being fictitious The fall of the horse over the cliff is still in the remembrance of some old people in the neighbourhood and the circumstance is related by the Guides who shew the beauties of the Land's End scenery to strangers The marks of the horse's hoofs in the grass at the edge of the cliff are preserved to this day The Wizard or Conjuror as he was called was a notorious character at St Just some fifty years ago and the horrid murder related in these pages and the mistaken identity of the guilty parties are also veritable facts

Grab a cup of coffee and put your feet up, you are not going to want to put Marta Perry's suspenseful *Land's End* down, not even for a second. Four and a half Stars. Top Pick. Romantic Times.

*Lands End to John O'groats with a Bus Pass and a Dog* Eric Newton, 2011-10-24. The book is an account of a journey using local service buses from Lands End in the deepest south west of England up to John O'Groats in the far north east of Scotland. With the issue of free bus passes to all British citizens over the age of sixty, the author decided to maximise the use of his in undertaking this 1,230 mile trip. By way of being different, the author decided to take with him his dog Archie, a Jack Russell cairn terrier cross, as he too enjoys travelling. The book is not just a travel log across and up the length of Britain but includes much historical and general information of towns and cities visited, with time taken at the various stop over points to look around and explore. In addition to the exploits of the author's dog, the book contains his thoughts and observations during the journey. Some of these are referred to as Rants, made on the author's own admission as being a grumpy old man. The detailed planning and preparation of the trip is explained, that deliberately took in many historic towns and cities. From Penzance, the route traverses England through Exeter, Bath, Oxford, Leicester, Lincoln, and then across the Humber and up the east coast by Scarborough, Durham, Newcastle, and onto Berwick, before crossing the border into Scotland. From here, on the bus journey followed the east coast through Edinburgh, over the Firth of Forth to Perth, Dundee, Aberdeen, Inverness, Dornoch, and Wick, before reaching their final destination at John O'Groats. The book has been written in a light vein and contains an element of humour. Hopefully, the reader will become a little more knowledgeable about this historic and beautiful island of ours by the end. It is certainly true that travel does broaden the mind.
