*The Last Gentile* Cary R. Bybee, Steve Gardner, 2004-01-01 In this incredible story of love and courage the world is being destroyed by evil of the lowest kind Follow the heroes as they attempt to save the lost before Satan devours them

*Matthew's Trilogy of Parables* Wesley G. Olmstead, 2003-11-27 Wesley Olmstead examines the parables of the Two Sons the Tenants and the Wedding Feast against the backdrop of the wider Matthean narrative He explores Matthew's characterization of the Jewish leaders the people and the nations and assesses the respective roles of Israel and the nations in the plot of Matthew's Gospel Against the current of contemporary Matthean scholarship Olmstead argues both that the judgement this trilogy announces falls upon Israel and not only her leaders and that these parables point to the future inclusion of the nations in the nation that God had promised to raise up from Abraham Bringing both literary critical and redaction critical tools to bear on the texts at hand Olmstead not only elucidates the intended meanings of this parabolic trilogy but also attempts to determine the responses they elicited from their first readers Transcending Matthean scholarship this book has implications for all Gospel studies

### **The Gentile and the Jew in the Courts of the Temple of Christ**

Johann Joseph Ignaz von Döllinger, 1906 Acts, Part One Youngmo Cho, Hyung Dae Park, 2019-10-23 This book is one of the many commentaries on the book of Acts In other words it does not deal with a unique topic but one that borders on banality yet of utmost importance Without doubt it will suffice its role of moving one step closer to a complete understanding of the complex picture that Luke drew This commentary has been written by two Asian scholars with different theological backgrounds and thus will provide an unprecedented perspective This commentary pays attention to the historical background and to the narrative theological and rhetorical texture of the text in Acts In particular the periodical essays at the end of sections or chapters Fusing the Horizons reflect on what the text means for the new covenant community in terms of its theological message application and community and spiritual formation This is one of the many notable characteristics of this commentary Moreover this is an approachable and readable commentary by anyone who is interested in Acts

**Jews, Gentiles and Ethnic Reconciliation** Tet-Lim N. Yee, 2005-03-10 Much scholarship has focused on Paul's insistence on Gentile membership of the people of God equally with Jews Dr Yee's study of Ephesians 2 reveals how the distinctively Jewish world view of the author of Ephesians underlies this key text He explores how the Ephesians author provides a resolution to one of the thorniest issues regarding two ethnic groups in the earliest period of Christianity can Jew and Gentile the two estranged human groups be one people of God and if so how Setting Ephesians 2 as fully as possible into its historical context he describes some of the relevant Jewish features and demonstrates them revealing many explosive but hidden issues This book provides an important contribution to the continuing reassessment of Christian and Jewish self understanding in regard to each other during the critical period of the latter decades of the first century CE Charisma and Christian Life, 2003 *HISTORY OF WOMEN'S SUFFRAGE Trilogy - Part 1 (Illustrated)* Elizabeth Cady Stanton, Susan

B. Anthony, Harriot Stanton Blatch, Matilda Gage, 2017-03-09 This edition covers the history of the suffragist movement from its beginnings to 1885 It was written and edited by Elizabeth Cady Stanton Susan B Anthony and Matilda Joselyn Gage Anthony had for years saved letters newspapers clippings and similar materials of historical value to the women s suffrage movement Therefore in addition to chronicling the movement s activities this 3 volumes include reminiscences of movement leaders and analyses of the historical causes of the condition of women They also contain a variety of primary materials including letters newspaper clippings speeches court transcripts and decisions and conference reports Volume 3 includes essays by local women s rights activists who provided details about the history of the movement at the state level Elizabeth Cady Stanton 1815 1902 was an American suffragist social activist abolitionist and leading figure of the early women s rights movement Susan B Anthony 1820 1906 was an American suffragist social reformer and women s rights activist Born into a Quaker family she became the New York state agent for the American Anti Slavery Society Anthony was also a close friend and confidant of Elizabeth Stanton Harriot Stanton Blatch 1856 1940 was a suffragist and daughter of Stanton who contributed a chapter on the brief history of AWSA American Woman Suffrage Association Matilda Gage 1826 1898 was a suffragist a Native American rights activist an abolitionist and a freethinker

**Conflict and the Practice of the Christian Faith** Bruce N Kaye, 2011-07-28 Anglicans around the world have responded to the gospel in many different cultural contexts This has produced different customs and different ways of thinking about church issues In the process of enculturation Anglicans have found themselves encountering social and political realities as malign forces against which they have had to struggle As a consequence the personal and local dynamic in Anglicanism has created not just diversity of custom and mental habits but it has done so at points that have been vital to the way Anglicans have been committed to the gospel Conflict and the Practice of Christian Faith looks at the process by which local traditions developed in Christianity and how these traditions have related to other sub traditions of the universal church It assesses some specifics of the Anglican experience and argues for a significant re casting of some prominent elements of that tradition at the same time clarifying some of the distinctive elements in the Anglican tradition This leads to a more nuanced appreciation of the force of the social and political framework within which Anglicans have had to work out their salvation and of the different forms of secular society and different understandings of plurality and diversity It also entails showing how the imperial route to catholicity took no firm root in Anglicanism Going global has been a significant experiment in Anglican ecclesiology that is by no means over yet The terms of that experiment lie at the heart of the current Anglican debates The book will be of interest to Christians generally who belong to faith traditions spread across different cultures It is also a case study of the issues of global reach and local tradition
