The Last Gentile:

THE GENTILE JESUS John Dudley Aldworth, 2011-03 Who is Jesus Christ today Is He still the Messiah of the Gospels Or is He the exalted born again Gentile Jesus Does the Bible say that today so long after his resurrection we can still know Christ as He once was on earth So who is your Saviour now Jesus the Messiah or the Lord of glory and grace from heaven Has the church been wrong about who Jesus really is for nearly 2 000 years This book answers these questions and uncovers many other surprises about who scripture reveals the Lord Jesus to really be today *The Apostasy of the Latter Times; ... or, the Gentile's Theology of Dæmons ... revived in the latter times amongst Christians, in worshipping of Angels, deifying and invoking of Saints ... Delivered ... upon 1 Tim. iv. 1-3. With a preface by W. Twisse* Joseph MEDE, 1644 **The Gentiles and the Gentile Mission in Luke-Acts** Stephen G. Wilson, 2005-08-22 Dr Wilson examines Jesus attitude to Gentiles and concludes that not only did he fail to anticipate a historical Gentile mission but that his eschatological expectations logically disallowed it Jesus and the Origins of the Gentile Mission Michael F. Bird, 2006-11-13 Bird argues that Jesus was attempting to achieve and enact the restoration of Israel and in continuity with other strands of Jewish belief Jesus conceived of the restoration of Israel as resulting in the salvation of the gentiles Jesus mission was Israel centric but he espoused a view of restoration that was indebted to certain strands of Israel s sacred traditions where the gentiles are implicit beneficiaries of Israel s salvation Since this restoration was already being partially realized in Jesus ministry it was becoming possible for gentiles to begin sharing in Israel s salvation in the present Additionally Jesus understood himself and his followers to be the new temple and the vanguard of the restored Israel who would appropriate for themselves the role of Israel and the temple in being a light to the nations Thus a gentile mission has its germinal roots in the aims and intentions of Jesus and was developed in a transformed situation by adherents of the early Christian movement **Gentiles and the Law of Moses** Ange-Michel Muhayimana, 2016-12-30 In this grace filled and thoroughly researched book author Ange Michel Muhayimana shows the role that Moses played in the giving of the law to the nation of Israel He also shows how the law of Moses excluded the Gentiles from citizenship in the land of Israel how Gentiles were foreigners to Gods covenants recorded in the Bible and how those known as proselytes were included in the law of Moses for their citizenship in the nation of Israel Using many New Testament passages the author shows how Jesus considered Gentiles and how the early church leaders such as Paul and Peter understood that the law of Moses was never given to the Gentile nations and consequently preached Jesus without the law of Moses when in front of a gentile audience He finally shows how as a new covenant believer you can live a life free of legalism by trusting in Jesus and his finished work alone **'The appointed time': proofs of the end of the gentile times in 1898'1/4'; and the coming of the Lord** Jabez Bunting Dimpleby, 1895 **The Gentile Times Reconsidered** Carl Olof Jonsson, 2021-10-21 The Gentile Times Reconsidered by Swedish author Carl Olof Jonsson is a scholarly treatise based on careful and extensive research including an unusually detailed study of Assyrian and Babylonian

records relative to the date of Jerusalem's destruction by Babylonian conqueror Nebuchadnezzar. The publication traces the history of a long string of interpretation theories connected with time prophecies extracted from the Bible books of Daniel and Revelation beginning with those from Judaism in the early centuries through Medieval Catholicism the Reformers and into nineteenth century British and American Protestantism. It reveals the actual origin of the interpretation which eventually produced the date of 1914 as a predicted year for the end of the Gentile Times, a date adopted and proclaimed worldwide to this day by the religious movement known as Jehovah's Witnesses. The importance of this date for the exclusive claims of the movement is repeatedly stressed in its publications. The Watchtower of October 15, 1990, for example, states on page 19: "For 38 years prior to 1914 the Bible Students as Jehovah's Witnesses were then called pointed to that date as the year when the Gentile Times would end. What outstanding proof that is that they were true servants of Jehovah." The book contains a helpful discussion of the application of the Biblical prophecy regarding the seventy years of Babylonian domination of Judah. Readers will find the information refreshingly different from any other publication on this topic.

The Church and the Gentile World Auguste J. Thebaud (S.J.), 1878 **Paul Among the Gentiles: A "Radical" Reading of Romans** Jacob P. B.

Mortensen, 2018-08-13. This exciting new interpretation of Paul's Letter to the Romans approaches Paul's most famous letter from one of the newest scholarly positions within Pauline Studies. The Radical New Perspective on Paul, also known as Paul within Judaism. As a point of departure, the author takes Paul's self-designation in 11:13 as apostle to the gentiles as so determining for Paul's mission that the audience of the letter is perceived to be exclusively gentile. The study finds confirmation of this reading strategy in the letter's construction of the interlocutor from chapter 2 onwards. Even in 2:17, where Paul describes the interlocutor as someone who calls himself a Jew, it requests to perceive this person as a gentile who presents himself as a Jew and not an ethnic Jew. If the interlocutor is perceived in this way throughout the letter, the dialogue between Paul and the interlocutor can be perceived as a continuous unified and developing dialogue. In this way, this interpretation of Romans sketches out a position against a more disparate and fragmentary interpretation of Romans.

Age of the Gentiles and the White God Delusion Timothy Huges, 2012-10-25. The book is a logical Bible study and in-depth examination of Race, Sex, Power, Politics, and War. The Author addresses the false doctrine and propaganda that has been fronted for centuries by Christianity and Judaism as to their supremacy above other religions and races. He also examines the role these two religions have played in promoting these false doctrines which literally contradict the written laws of the Bible. The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings as is likened by God's Commandments and as written in the Holy Bible and Holy Qur'an. The Author takes a scalpel to dissect race and religion to its core. The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God. Lastly, he dwells on separation of races based on their individual religious philosophies, concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices. Lucifer's mission is to maintain the

delusion of the white God and its false power to rule over Black and Semite people Quotes from Author I am challenging the worlds Christian religious believers communities and the general masses to follow the true laws of God They should stop falling prey to the False Luciferian Doctrine and the delusion of White God I affirm to the world that I am a true servant of God who is challenging all religious ministers to debate evidence and facts referred to in this book through the lesson chapters so that they may distinguish the truth from the lie I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith in order to determine if truly their religious practices is of the God of Heaven and Earth I challenge all ministers to prove that they follow and believe in the commandments Laws and Statues of God as written in the scriptures I further challenge all of them to debate the true ethnology and race of Gods chosen people his first family being the black and Semite Hebrews who are identified by their skin pigmentation and coloration and their true religion to be Abrahamic This would also prove that True Israelites are cousins to the Ishmaelites In addition I challenge all ministers of Jewish Authority to a debate as to the true ethnology of True Hebrews of the Land of Palestine and Canaan It is worth noting that the true Hebrews were removed from the Holy land and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth And shall remain there until the second coming of Jesus as was prophesied in his Revelation war against the Christian Jewish Armies of Gog Europe and Magog America Israel and as foretold in the book of Revelations I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews and Theologians Philosophers and Historians to hide the true identity of the true Israelites Their mission has been to remove parts of and alter the Holy Scriptures thereby changing the Laws of God Their intention is to make everyone follow Luciferian Doctrine Because of this God gave Revelation unto Jesus Christ to bring forth the final Armageddon to all who changed His Laws This led to his prophecy against the Christians Nicolaitans and Jewish doctrine religion which He hated for they are the synagogue disciples of Satan *The Times of the Gentiles* Joseph Hubbard,1919 **Attitudes to Gentiles in Ancient Judaism and Early Christianity** David C. Sim,James S. McLaren,2014-01-16 This volume describes the attitudes towards Gentiles in both ancient Judaism and the early Christian tradition The Jewish relationship with and views about the Gentiles played an important part in Jewish self definition especially in the Diaspora where Jews formed the minority among larger Gentile populations Jewish attitudes towards the Gentiles can be found in the writings of prominent Jewish authors Josephus and Philo sectarian movements and texts the Qumran community apocalyptic literature Jesus and in Jewish institutions such as the Jerusalem Temple and the synagogue In the Christian tradition which began as a Jewish movement but developed quickly into a predominantly Gentile tradition the role and status of Gentile believers in Jesus was always of crucial significance Did Gentile believers need to convert to Judaism as an essential component of their affiliation with Jesus or had the appearance of the messiah rendered such distinctions invalid This volume assesses the wide variety of viewpoints in terms of attitudes towards Gentiles and the status and expectations of Gentiles in the Christian church

Daniel's Fourth Kingdom Melvin L. Hawkins LLC, 2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ the century old traditional interpretation holds that Daniel's fourth gentile kingdom the Roman Empire ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven year tribulation period That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times Peters forewarned about this potential interpretation problem in *The Theocratic Kingdom* 1884 Daniel's Fourth Kingdom 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return 2 respectfully questions the traditional interpretation 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel inspired Holy Spirit empowered love driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture and 4 invites all readers believers and skeptics alike to consider the relevance of the Bible concerning world history current events and the future

Paul and the Gentiles Terence L. Donaldson, 1997-01-01 In the first major analysis of Paul's understanding of Gentile salvation in several years Bible scholar Terence Donaldson offers a creative approach to the apostle's theological convictions According to Donaldson Paul as a believer in Jesus Christ did not abandon his Jewish frame of reference but reconfigured it especially by the stimulus of his mission to the Gentiles

Close of the Times of the Gentiles, the Great Event of Our Day William Wingate (Free Church Missionary to the Jews.), 1872 The End May Be Farther Than You Think Jack Uresk, 2011-08-01 Is it possible that The earth will be devastated by objects from space prior to the second coming of Jesus Christ There may be a considerable length of time perhaps decades between the first signs of the coming of the Lord and the actual descent The four horsemen of the apocalypse have no relationship to the last days Armageddon will be the greatest battle never fought There may be more than one coming of Christ Everyone will be left behind because there will be no pre tribulation rapture We've already missed the Great Tribulation This book explores these and other possibilities

Luke's Portrait of Gentiles Prior to Their Coming to Faith Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke's portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke's direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke's notes on the condition of

Gentiles and on their appropriation of salvation Finally conclusions from Luke's portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author's thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God's saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke's narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke's portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives
