Last Shepherds Charles Bowden, 2011 The Last Shepherds follows hill shepherds Dave Baxter and Stewart and Gwen Wallace through the cycle of hill farming in the Cheviot Hills of Northumberland lambing in spring haymaking shearing in the summer then autumn lamb sales and winter feeding This engrossing book is an extraordinary record of a vanishing way of life on Britain's traditional hill farms

Shepherds and Shepherding Jonathan Brown, 2013-03-10 The old time shepherd lamb in one hand crook in the other is an emblem of sturdiness dependability and independence He was one of the most important men on the farm responsible for the care and well being of the flock with which he might need to spend days and nights out in open pastures How did he manage his charges and his own life What skills and equipment did he use How did sheep farming change in the nineteenth and twentieth centuries and what effect did those changes have on the shepherd's work These are some of the questions considered by this fully illustrated exploration of shepherding life

Hobson, 2013-10-14 The articles in this volume originally published in a variety of journals between 1890 and 1937 deal with the themes of the distribution of income and welfare Highlighting the contribution which Hobson made to welfare economics and the way in which he distanced himself from his more orthodox contemporaries in interpretation the articles also show the changes in Hobson's views over the decades in which they were written This is a fascinating collection of material that provides an unparalleled depth of insight into the views of one of the most important economic thinkers of the early twentieth century

The Shepherd's Cross A. R. Weisser, 2023-10-27 To those who are called the shepherding ministry is meant by God to be one of life's greatest joys Yet like a clipper ship sailing past the tip of a great unknown continent in the dead of night this joy is vast unexpected and easy to miss For many the initial joy of shepherding souls fades into exhaustion resentment even burnout It does not last It was not meant to Much of the early reward of ministry done well is rooted in the gratification of the natural self The immature shepherd fails to glory in weakness and naturally prefers to glory through strength giving God the credit of course Jesus said If anyone would come after me he must take up his cross But why a cross For the joy set before us Only ministry embraced as an opportunity to die will reduce the temptation to eventually hate it Only when walking in the power of a crucified life will a minister be anything more than powerless Only once fallen to the ground and perished will a leader bear much fruit So wrestle that shepherd's cross on your shoulders There is much joy yet to be discovered

Videmšek, 2023-08-15 Meet Najin and Fatu the last of the northern white rhinos as well as the scientists conservationists and rangers who are fighting for the species survival The last two remaining northern white rhinos an already functionally extinct species are kept behind three electrical fences and protected by a squad of rangers at the Ol Pejeta Conservancy in Kenya Their names are Najin and Fatu Both are descended from the last male northern white rhino Sudan Najin is his daughter while Fatu is his granddaughter Along with Sudan and another male named Suni they were transferred to Kenya in 2009 in the hope that returning them to their natural habitat might help them regain their zest for life and reproduction

Unfortunately things didn't go to plan With the deaths of Sudan and Suni the northern white rhinos' destiny is now in the hands of their Kenyan caretakers and a team of scientists at the BioRescue international consortium which is developing and using several different techniques to resurrect the species including assisted reproduction and stem cell technologies The plan is to insert northern white rhino embryos into southern white rhino surrogate mothers as soon as possible There is a real chance the first new northern white rhino baby will be born in late 2023 Will science prevail or is it too late Journalists Boštjan Videmšek and Maja Prijatelj Videmšek explore this question by taking readers on a journey through the history of the northern white rhinos They introduce the rangers conservationists and scientists fighting for the future of the northern white rhinos and dissect what led the species to the brink of extinction from wars and climate change to poaching and the black market The Last Two offers hope for the future of the environment and the fight to save the many species that call Earth home **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield, 2020-02-13 As primitive civilization

developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **Two**

Stories of Faith Jean Holbrook Mathews, 2006-09 The stories of Eli and Abigail appear at first glance to be simple Christmas stories but to those who read with an open heart these are stories for all seasons and are appropriate for all ages Both are filled with information about the lives and circumstances of those who lived 2000 year ago Skeptics may say there was no Eli who tended sheep on the Judean hillside but those who walk with him through the pages of his story will come to know him and the loneliness and hardships that were part of his life of obedience From the first Christmas to the end of his life Eli's years were spent learning that faith requires commitment Some will say that the innkeeper had no wife but Abigail's life speaks for her and it speaks to every mother who has wept over a wayward child or ached because arms longing to hold an infant were empty Life's lessons for her were patience and endurance
