The Genre of Biblical Commentary Timothy D. Finlay, William Yarchin, 2015-10-16 The genre of biblical commentary is as old as the Bible itself and remains very much alive as a point of illuminating contact between the ancient text and its modern readers In this volume fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries How does academically rigorous commentary writing remain relevant for pastoral and lay readers of the Bible Ancient biblical writers are notoriously diverse in their theological and literary nuances Modern readers approach the Bible from an equally wide spectrum of interests How does today's commentator act responsibly for all the text's stakeholders John E Hartley is widely respected for the multiple volumes he has produced with these questions in mind This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary

**A Biblical Theology of Gerassapience** Joel A. A. Ajayi,2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise

**When God Laughs with Us** David L. McKenna,2011-01-01 Lighten up Most of us take ourselves too seriously Christian leaders in particular are tempted by the position they hold or the power they wield to lose touch with their humanity become arrogant and alienate their followers But what about our tendency to shoot ourselves in the foot time and time again Can we laugh at ourselves David McKenna a Christian college president brings a lifetime of learning to this question By confessing his own foibles and laughing at the ludicrous he finds that God is laughing with him not to ridicule but to give the special grace that saves us from ourselves The lessons are humbling when the laugh is on us but they can lead to the discovery that a sense of humor is a partner with the witness of a joyful spirit McKenna shows us by example how to lighten up and find God as we laugh at ourselves

Demarest, 1991-05      **Yahweh's Council** Ellen White, 2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh      **The Sermon on the Mount, the Twelve Steps, and the Royal Road** Daniel Hazelwood, 2018-04-13 In *The Sermon on the Mount the Twelve Steps and the Royal Road* Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk      [How to Read a Christian Book-CFL Edition](#) Family Christian Stores, Incorporated, 2001      **3:16** David Simmonds, 2021-11-22 It has often been said that the most famous verse in the Bible is John chapter 3 verse 16 Indeed many Christians are able to quote it by heart However if we asked them about John 3 15 or 3 17 they might struggle And so began my quest What about looking at

all the 3 16s in the whole Bible I looked at a few verses at random and then decided to begin at the beginning with Genesis I very nearly abandoned the whole project right there How could I a man dare to comment on such a perilous range of topics and issues as contained in that one verse This book encourages you to journal your way through the Scriptures Meditating through the Bible will help you come closer to God and His living word
