aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective *Ideology And Political System* Kundan Kumar,2003 Contents Evolution of the Concept Impact of Ideology on the Theorising Politics The Soviet Ideology Origin Evolution and Formulations Ideological Socialist Bloc Emergence Role and Configuration Break up of the Soviet Union Rationale and Consequences Conclusion An End Or New Beginning
