Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In

creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives **Priesthood and**

Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality *The Lord's Day in Scripture* Rodney D. Nelson, 2019-09-18 What is the Christian Lord s Day Why is it of

continued importance What does it represent These and other questions will be addressed in *The Lord s Day in Scripture* The Lord s Day is the scriptural name for the Christian day of worship on the first day of the week The Lord s Day is the Lord s Day the day of which the Lord Jesus Christ took possession by his resurrection on the first day of the week The day of Christ s resurrection was prophesied in the Old Testament to be on the third day fulfilled in the New Testament on the first day of the week and celebrated as the Lord s Day Therefore the time of the resurrection is directly connected to the event of the resurrection The Lord s Day in Scripture establishes the scriptural basis for the Lord s Day It seeks to help each Christian appreciate worship fellowship and meaning in church through a better understanding of what the Lord s Day is and is not

Whitenton, 2016-09-27 In *Hearing Kyriotic Sonship* Michael Whitenton explores first century audience impressions of Mark's Jesus in light of ancient rhetoric and modern cognitive science Commonly understood as neither divine nor Davidic Mark's Jesus appears here as the functional equivalent to both Israel's god and her Davidic king The dynamics of ancient performance and the implicit rhetoric of the narrative combine to subtly alter listeners' perspectives of Jesus Previous approaches have routinely viewed Mark's Jesus as neither divine nor Davidic largely on the basis of a lack of explicit affirmations Drawing our attention to the mechanics of inference generation and narrative persuasion Whitenton shows us that ancient listeners probably inferred much about Mark's Jesus that is not made explicit in the narrative *One Thing I Know* Britt Leslie, 2015-04-29 This work employs multiple methodologies to analyze the story of the man born blind John 9 in order to discern how this episode serves the greater purpose of the Gospel stated in 20:31 so that you may trust that Jesus is the Messiah the Son of God and through trusting you may have life The analysis of linguistic patterns narrative structure cultural anthropology and an analysis of irony humor and wit are each employed These are all synthesized in the final chapter which makes an attempt to discern how an ancient performance of John 9 might look and how such a performance might sway an ancient audience toward trust in Jesus as Messiah **Library of Congress Subject Headings** Library of Congress, Library of Congress. Christological Rereading of the Shema (Deut 6.4) in Mark's Gospel John J. R. Lee, 2020-11-09 In Mark's Gospel the Shema language of Deut 6:4 is not merely reiterated in a traditional sense but reinterpreted in a striking way that links Jesus directly and inseparably with Israel's unique God Such an innovative rereading of the Shema must be understood in light of a various elements involved in and surrounding each of the three monotheistic references Mark 2:7, 10:18, 12:29 relating to their respective literary contexts and b Mark's nuanced complex and even paradoxical portrait of Jesus' relationship to God throughout his gospel John J. R. Lee shows that Mark's use of the one God language implies that his Jesus is not merely one who as a Shema-observant Jew speaks on behalf of God but also one whose status and significance fundamentally correspond to those of Israel's unique deity Synoptic Composition Adam J. Christian, 2023-09-01 The fascination with literary dependency in the most popular approaches to the synoptic problem has been built upon a faulty presupposition that oral tradition is incapable of producing the word-for-word verbal agreement found in the synoptic accounts Recent research in the

area of oral tradition has shown that this is not the case but we still rely on increasingly complicated literary models to explain the relationships between the Synoptic Gospels This book engages in comparative analysis of Old Greek quotations found in more than one of the Synoptic Gospels along with the material that surrounds these quotations The resulting conclusions indicate that oral sources may better explain the similarities and differences found in the Synoptic Gospels and that we ought to reexamine our foundational presuppositions in order to craft a better model for understanding the origins of the Synoptic Gospels The hope is that the reader will join the author in seeking to better understand these books that include the climax of the greatest story of all time the true story of people marred by sin and their creator who seeks after them as he redeems all things to himself

Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future
