The Complete Dollmaker:

The Complete Dollmaker Alice D. Weiner, 1985 *Dollmaker* Bonnie Barrigar, 2022-05-04 Dollmaker is a historical review of a war many would just as soon forget But Dollmaker is different It provides the reader with an alternative outcome Call it historical revisionism with a twist of bitter truth From this unique vantage the war in Vietnam is experienced through the life and actions of an unlikely leader a charismatic woman who isn't democratic isn't communist and is not going to take the back seat to the Americans in the conduct of the war Le Bon or Lady Bon as she is affectionately known finds passionate outlet early in life as a doll maker She makes dolls of every description Starting with dolls of cloth and clay she soon graduates to crafting dolls of flesh and blood Breaking traditional gender roles she ascends to the highest pinnacles of power organizing a grassroots paramilitary force called the Blue Shirts Soon these Vietnamese shock troops under her command garner respect with their communist foes All during this time a gung ho Marine named Mike Grant is working his way up the ladder of military prestige and influence When the female Vietnamese firebrand and the ambitious American meet the war its outcome and the world would never be the same again Dollmaker peels back the scab covering our collective consciousness regarding Vietnam It exposes the underlying passions behind power and power's corrupting tincture It is also a candid frequently scathing review of what we as humans hold dear and what we often blindly adhere to through our allegiance to tradition *The Dollmaker of Krakow* R. M. Romero, 2017-09-12 In the vein of *The Boy in the Striped Pajamas* and *Number the Stars* this fusion of fairy tales folklore and World War II history eloquently illustrates the power of love and the inherent will to survive even in the darkest of times In the land of dolls there is magic In the land of humans there is war Everywhere there is pain But together there is hope Karolina is a living doll whose king and queen have been overthrown But when a strange wind spirits her away from the Land of the Dolls she finds herself in Krakow Poland in the company of the Dollmaker a man with an unusual power and a marked past The Dollmaker has learned to keep to himself but Karolina's courageous and compassionate manner lead him to smile and to even befriend a violin playing father and his daughter that is once the Dollmaker gets over the shock of realizing a doll is speaking to him But their newfound happiness is dashed when Nazi soldiers descend upon Poland Karolina and the Dollmaker quickly realize that their Jewish friends are in grave danger and they are determined to help save them no matter what the risks The Dollmakers Lynn Buchanan, 2024-08-13 In this dark and enchanting stand alone fantasy from debut author Lynn Buchanan discover a world centered around destructive all consuming monsters the magical dolls designed to fight this force and the artisans tasked with creating demon slaying dolls A touch cozy fantasy and a touch horror *The Dollmakers* is perfect for fans of Studio Ghibli films the works of TJ Klune and Travis Baldree and readers of *Juniper the Shod* killed everyone she loved How could her fate be anything but fighting them In an attempt to help her see a new path for herself Shean's mentor sends her on a journey to the remote village called Web urging her to glean some wisdom from Ikiisa a reclusive and well respected guard dollmaker But Shean has another plan if

she can convince the village of Web of her talents the Licenser Guild will have to reconsider and grant her a guard s license And what better way to convince them than challenging Ikiisa and instating herself as the official dollmaker of Web Once she s done that proving her dolls worth in the fight against the Shod will be simple As simple that is as calling the Shod to Web
