**The Complete Guide to Bowling Principles** George Allen, Dick Ritger, 1982      *Encyclopedia of Bowling Instruction*  
George Allen, Dick Ritger, 1982      *Historical Dictionary of Bowling* John Grasso, Eric R. Hartman, 2014-08-07 Loggats kayles quilles skittles half bowl and ninepins were all early forms of games in which the goal was to knock down small standing objects from a distance by rolling or throwing another object at them Archaeologists have found items from Egypt around 5200 B C that included small stone balls and narrow pins that were possibly used for a game Additional research has disclosed that Polynesians played a similar game using small elliptical balls and round flat stone disks and like modern day bowling a sixty foot throwing distance The Historical Dictionary of Bowling contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on both male and female bowlers amateur and professional bowling coaches writers and other contributors to the sport of bowling descriptions and results of major tournaments and terminology of the sport This book is an excellent access point for students researchers and anyone wanting to know more about the sport of Bowling      *Subject Guide to Books in Print* ,1997      *Encyclopedia of Play in Today's Society* Rodney P. Carlisle, 2009-04-02 Selected as an Outstanding Academic Title by Choice Magazine January 2010 The Encyclopedia of Play A Social History explores the concept of play in history and modern society in the United States and internationally Its scope encompasses leisure and recreation activities of children as well as adults throughout the ages from dice games in the Roman empire to video games today As an academic social history it includes the perspectives of several curricular disciplines from sociology to child psychology from lifestyle history to social epidemiology This two volume set will serve as a general non technical resource for students in education and human development health and sports psychology leisure and recreation studies and kinesiology history and other social sciences to understand the importance of play as it has developed globally throughout history and to appreciate the affects of play on child and adult development particularly on health creativity and imagination      **Books in Print** ,1994      **The Comprehensive Guide to Interdisciplinary Veterinary Social Work** Sana Loue, Pamela Linden, 2022-09-27 This book responds to the needs that arise at the intersection of people and animals focusing on human animal interaction human animal studies the emotional work of caring for animals and animal assisted interventions and therapies Unlike many works that focus primarily on issues at the micro level such as animal assisted interventions this volume is unique in its focus on issues arising at the micro macro and mezzo levels encompassing human animal issues and interactions at the level of individuals and family groups institutions and communities Accordingly this comprehensive guide addresses the need to better prepare practitioners to work in interdisciplinary environments whether in the context of theory research practice or advocacy The authorship of the volume reflects the interdisciplinary foundations of veterinary social work with contributions from social workers psychologists veterinarians physicians anthropologists and bioethicists The volume is divided into five parts that examine

respectively the foundations history and scope of veterinary social work Part I the practice of veterinary social work with individuals in the context of community programs and in social work practice Part II veterinary social work and the veterinary setting including veterinary well being and conflict management Part III veterinary social work education Part IV and the future of veterinary social work Part V Importantly the volume addresses not only practice issues in the veterinary clinical and community settings but also examines ethical concerns in the clinical and research contexts and the implications of cultural and societal variations on the practice of veterinary social work The Comprehensive Guide to Interdisciplinary Veterinary Social Work is the definitive resource for social workers and psychologists new to practice issues relating to animals social work and psychology students at the graduate and undergraduate levels veterinarians and veterinary students hospital administrators human hospitals and veterinary hospital managers
