Transmission, drivetrain and suspension are thoroughly covered with recommendations for improved performance and handling.

Want to go autocrossing or vintage racing? The 912 is a great car for competition and Spencer tells you how to prepare your machine and get the most out of it on the track.

A buyer's guide chapter includes an in-depth look at the 912's problem areas, both body and mechanical. A lengthy appendix listing parts, supplies and services puts you in touch with the companies who have what you need! Clubs and organizations catering to 912 owners are also listed.

After more than 30 years, the 912 is still a great all-around sports car and Duane Spencer shows you how to get the most enjoyment out of yours!
