The Complete Works of William Congreve William Congreve, 1964 **The Complete Works of William Congreve**
William Congreve, 1964 **The Works of William Congreve** Donald McKenzie, 2011-04-07 The late D F McKenzie worked
on this comprehensive edition of the works of the playwright poet librettist and novelist William Congreve for more than
twenty years until his sudden death in 1999 This was a task he had taken over from Herbert Davis to whom this edition is
dedicated During that time McKenzie uncovered new verse and letters collated Congreve s texts recorded their complicated
textual history constructed appendices that shed light on the dramatic context in which Congreve worked and examined how
his contemporaries received Congreve s work More importantly McKenzie has convincingly re evaluated Congreve s works
and life to transform our image of the man and his reputation McKenzie here follows the editorial practice suggested in two
early editions of the Works published by Congreve s friend the bookseller Jacob Tonson in 1710 and 1719 These three
volumes follow a plan similar to that in the Tonson edition with The Old Batchelor The Double Dealer and Love for Love
collected in the first a central volume with The Way of the World and a final volume with Congreve s novel Incognita some of
his prose works letters and later verse In each case Congreve s work is left to speak for itself unencumbered by intrusive
notes textual apparatus or collations which are gathered instead near the end of each volume This edition will be an
invaluable resource for scholars for many years to come It is a monument to McKenzie s own scholarship as well as to the
integrity of William Congreve **The Complete Works of William Congreve** William (Schriftsteller) Congreve, 1964
The Complete Works of William Congreve. Edited by Montague Summers William Congreve, 1923
