The Concept Of A Person And Other Essays:

The Concept of a Person and Other Essays Alfred J. Ayer, 1968 *The Concept of a Person and Other Essays* A. J. Ayer, 2013 *The Concept of a Person and Other Essays* Alfred Jules Ayer, 1968 **The Concept of a Person** A. J. Ayer, 2017-11-16 Excerpt from *The Concept of a Person And Other Essays* Bristol in April 1957 and *On the Probability Of Particular Events* was published in No 58 Fasc 4 of the *Revue Internationale de Philosophie* in 1961 My thanks are due to the editors institutions and publishers concerned for permission to reprint this set of articles and also to my secretary Mrs Rosanne Richardson About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Ayer: Writings on Philosophy** A. J. Ayer, 2005-11-29 The British philosopher A J Ayer is known for his influence on the development of analytical philosophy spreading and developing the ideas of logical positivism following his study with the Vienna Circle in the 1920s Ayer rejected metaphysics and theology as meaningless and emotivist and argued for what he identified as a criterion of verifiability as a test of meaningful statements In addition to being a creative and rigorous philosopher the major books included in this collection reveal him to have been a gifted teacher **Ayer: Writings on Philosophy** A. J. Ayer, 2005-11-29 The British philosopher A J Ayer is known for his influence on the development of analytical philosophy spreading and developing the ideas of logical positivism following his study with the Vienna Circle in the 1920s Ayer rejected metaphysics and theology as meaningless and emotivist and argued for what he identified as a criterion of verifiability as a test of meaningful statements In addition to being a creative and rigorous philosopher the major books included in this collection reveal him to have been a gifted teacher **The Concept of a Person** A J (Alfred Jules) 1910-1989 Ayer, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Central Works of Philosophy, Volume 5* John Shand, 2005 Volume 1 gives readers a deep understanding of the contribution that the ancient Greek and medieval philosophers have made to

contemporary philosophical debate From Plato to William of Ockham the philosophical texts covered offer a remarkable insight into a world out of which our present way of thinking emerged Charles J. Rzepka,1999 The Romantic poetas exemplified by Wordsworth Coleridge and Keatsis attracted to and made anxious by two opposite ideas of the self On the one hand he identifies with the inner self as a mind wholly at one with its perceptions and with the world as an image within it On the other hand since this inner self is wholly private the poet turns to others for confirmation of its reality either literally in direct confrontations or figuratively in the voice and workmanship of his text Because his dependence on others for a sense of his own reality jeopardizes the poet s feelings of self possession however he tries to minimize this threat by manipulating of preempting others responses to him Previous discussions of the Romantic self have focused on the self as a mental power immanent in the vision of the world it shapes Charles Rzepka now draws our attention to the poet s attitude toward the self as socially formed and confirmed and the effects of this attitude on Romantic poetry and perception *The Category of the Person* Michael Carrithers,Steven Collins,Steven Lukes,1985-12-27 The concept that people have of themselves as a person is one of the most intimate notions that they hold Yet the way in which the category of the person is conceived varies over time and space In this volume anthropologists philosophers and historians examine the notion of the person in different cultures past and present Taking as their starting point a lecture on the person as a category of the human mind given by Marcel Mauss in 1938 the contributors critically assess Mauss s speculation that notions of the person rather than being primarily philosophical or psychological have a complex social and ideological origin Discussing societies ranging from ancient Greece India and China to modern Africa and Papua New Guinea they provide fascinating descriptions of how these different cultures define the person But they also raise deeper theoretical issues What is universally constant and what is culturally variable in people s thinking about the person How can these variations be explained Has there been a general progressive development toward the modern Western view of the person What is distinctive about this How do one s notions of the person inform one s ability to comprehend alternative formulations These questions are of compelling interest for a wide range of anthropologists philosophers historians psychologists sociologists orientlists and classicists The book will appeal to any reader concerned with understanding one of the most fundamental aspects of human existence The Human Person David Braine,2019-07-09 A philosophical work that addresses the validity of the question What is it for the human being to be an animal and for this animal to be a spirit Braine argues that the perspectives of materialism and dualism are different casts of the same flawed mold and offers a holistic alternative Braine further argues that perception is inseparable from behavior and that the human propensity to produce language separates us from other animals Culminating in a discussion of the meaning of death this is rich and passionate philosophical argument for the human being as animal and soul **Central Works of Philosophy v5** John Shand,2014-12-18 Central Works of Philosophy is a major multi volume collection of essays on the core texts of the Western philosophical tradition From Plato s Republic to the present day the five volumes range over 2

500 years of philosophical writing covering the best most representative and most influential work of some of our greatest philosophers Each essay has been specially commissioned and provides an overview of the work clear and authoritative exposition of its central ideas and an assessment of the work s importance Together these books provide an unrivaled companion for studying and reading philosophy one that introduces the reader to the masterpieces of the western philosophical canon This volume covers the central texts in the history of analytic philosophy from Quine s Word and Object 1960 to the present day The texts range over political philosophy ethics metaphysics and the philosophies of language mind and logic and represent some of the most important philosophical work of the last forty years Students and non specialists who may find the technicality of some of the texts forbidding will welcome the clarity of exposition and exegesis that the essays provide Taken together the essays provide both a map and compass for the current philosophical landscape and will prove a valuable resource not only for undergraduate and postgraduate philosophy students but for teachers and researchers in allied disciplines who need an understanding of the preoccupations of contemporary philosophy

The Concept of Bharatavarsha and Other Essays B. D. Chattopadhyaya, 2018-08-23 This collection explores what may be called the idea of India in ancient times Its undeclared objective is to identify key concepts which show early Indian civilization as distinct and differently oriented from other formations The essays focus on ancient Indian texts within a variety of genres They identify certain key terms such as janapada desa var a dharma bh va in their empirical contexts to suggest that neither the ideas embedded in these terms nor the idea of Bharatavarsha as a whole are given entities but that they evolved historically Professor Chattopadhyaya examines these texts to unveil historical processes Without denying comparative history he stresses that the internal dynamics of a society are best decoded via its own texts His approach bears very effectively on understanding ongoing interactions between India s Great Tradition and Little Traditions As a whole this book is critical of the notion of overarching Indian unity in the ancient period It punctures the retrospective thrust of hegemonic nationalism as an ideology that has obscured the diverse textures of Indian civilization Renowned for his scholarship on the ancient Indian past Professor Chattopadhyaya s latest collection only consolidates his high international reputation

The Blackwell Dictionary of Western Philosophy Nicholas Bunnin, Jiyuan Yu, 2009-01-27 The Blackwell Dictionary of Western Philosophy The Blackwell Dictionary of Western Philosophy The style is fresh and engaging and it gives a broad and accurate picture of the western philosophical tradition It is a pleasure to browse in even if one is not looking for an answer to a particular question David Pears Its entries manage to avoid the obscurities of an exaggerated brevity without stretching themselves out as if seeking to embody whole miniature essays In short it presents itself as a model of clarity and clarification Alan Montefiore

Sartre's Concept of a Person Phyllis Sutton Morris, 1976 A revision of the author s thesis University of Michigan 1969 Bibliography p 154 161 Includes index

The Understanding of Causation and the Production of Action Peter Anthony White, 2018-10-24 This text is an attempt to trace out a line of development in the understanding of how things

happen from origins in infancy to mature forms in adulthood There are two distinct but related ways in which people understand things as happening denoted by the terms causation and action This book is concerned with both The central claim and organizing principle of the book is that by the end of the second year of life children have differentiated two core theories of how things happen These theories deal with causation and action The two theories have a common point of origin in the infant's experience of producing actions but thereafter diverge both in content and in realm of application Once established the core theories of causation and action never change but form a permanent metaphysical underpinning on which subsequent developments in the understanding of how things happen are erected The story of development is therefore largely the story of how further concepts become attached to integrated with the core theories Although the developmental and adult literatures on causal understanding appear at first glance to have little in common in fact this appearance is illusory and the idea of two theories helps to bring the two literatures in contact with each other The book begins with a survey of the main philosophical ideas about causation and action Following this the possible origins of understanding in infancy are reviewed and separate chapters then deal with the development of understanding of action and causation through childhood This is then linked to the adult understanding of action and causation and the literature on adult causal attribution and causal judgement is reviewed from this perspective

Exploring the Translatability of Emotions

Susan Petrilli, Meng Ji, 2022-03-09 This book offers an in depth cross cultural and transdisciplinary discussion of the translatability of social emotions The contributors are leading philosophers semioticians anthropologists communication and translation theorists from Europe America and Australia Part I explores the translatability of emotions as a culturally embedded social behaviour that requires a contextualized interpretation of their origins and development in different social and cultural settings These studies make useful preparations for the studies introduced in Part II that continue investigating the cultural and sociological influence of the development of social emotions with a special focus on the dialogical relation to the body and to others Part III presses on delving into specific types of emotions which underscore social interactions at both the community and individual levels such as dignity im politeness self regard and self esteem Finally Part IV offers a further development on the preceding parts as it discusses problems of translation expressibility and mass medial communication of emotions This book will engage translation scholars as well as those with a broader interest in the study and interpretation of emotions from different fields perspectives and disciplines

Time and Social Structure and Other Essays

Meyere Fortes, 2021-01-14 The papers reprinted in this volume have been selected with two considerations in mind they record ethnographical observations from my field work among the Tallensi and in Ashanti that are not easily accessible elsewhere but continue to be useful for comparative studies and as background to current research in Ghana and they represent applications of methods of analysis and schemes of interpretation that were emerging in British structural anthropology at the time of their publication The Monographs on Social Anthropology were established in 1940 and aim to publish results of

modern anthropological research of primary interest to specialists

The Historical and Philosophical Significance of Ayer's Language, Truth and Logic Adam Tamas Tuboly, 2020-10-23 This edited collection provides the first comprehensive volume on A J Ayer's 1936 masterpiece *Language Truth and Logic*. With eleven original chapters the volume reconsiders the historical and philosophical significance of Ayer's work examining its place in the history of analytic philosophy and its subsequent legacy. Making use of pioneering research in logical empiricism the contributors explore a wide variety of topics from ethics values and religion to truth epistemology and philosophy of language. Among the questions discussed are: How did Ayer preserve or distort the views and conceptions of logical empiricists? How are Ayer's arguments different from the ones he aimed at reconstructing? And which aspects of the book were responsible for its immense impact? The volume expertly places *Language Truth and Logic* in the intellectual and socio-cultural history of twentieth-century philosophical thought providing both introductory and contextual chapters as well as specific explorations of a variety of topics covering the main themes of the book. Providing important insights of both historical and contemporary significance this collection is an essential resource for scholars interested in the legacy of the Vienna Circle and its effect on ethics and philosophy of mind.

The Routledge Guidebook to Locke's Essay Concerning Human Understanding E. J. Lowe, 2013-02-11 John Locke is widely acknowledged as the most important figure in the history of English philosophy and *An Essay Concerning Human Understanding* is his greatest intellectual work emphasising the importance of experience for the formation of knowledge. *The Routledge Guidebook to Locke's Essay Concerning Human Understanding* introduces the major themes of Locke's great book and serves as a companion to this key work examining the context of Locke's work and the background to his writing. Each part of the text is in relation to its goals meaning and impact. The reception of the book when it was first seen by the world. The relevance of Locke's work to philosophy today its legacy and influence. With further reading suggested throughout this text follows Locke's original work closely making it essential reading for all students of philosophy and all those wishing to get to grips with this classic work.

The Concept Of A Person And Other Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Concept Of A Person And Other Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Concept Of A Person And Other Essays has opened up a world of possibilities. Downloading The Concept Of A Person And Other Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Concept Of A Person And Other Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Concept Of A Person And Other Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Concept Of A Person And Other Essays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Concept Of A Person And Other

Essays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Concept Of A Person And Other Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
