The Concept Of The Covenant In The Second Temple P:

The Concept of the Covenant in the Second Temple Period Stanley E. Porter, J.C.R. de Roo, 2021-11-22 During the reign of Cyrus the Great founder of the Achaemenid Empire the Jews returned to Jerusalem to rebuild the temple This Second Temple period is characterised by a changing mode of thinking This volume traces the development of the concept of the covenant during this important era by discussing relevant texts among the Apocrypha such as Wisdom of Solomon the Pseudepigrapha especially the Dead Sea Scrolls and Jubilees and the New Testament such as the Pauline Letters The authors deal with interesting concepts related to the idea of the covenant such as law wisdom election grace the kingdom of God and even the role of food This is an important piece of work for understanding the notion of the covenant in Judaism and Christianity useful for theologians and historians as well as students of the respective disciplines Dictionary of Paul and His Letters InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today *Philo of Alexandria* D.T. Runia, 2011-10-28 This volume prepared with the collaboration of the International Philo Bibliography Project is the third in a series of annotated bibliographies on the Jewish exegete and philosopher Philo of Alexandria It contains a listing of all scholarly writings on Philo for the period 1997 to 2006 *This World and the World to Come* Daniel M. Gurtner, 2011-12-29 **The Psalms as Christian Worship** Bruce K. Waltke, James M. Houston, 2010-11-22 This commentary uniquely combines a verse by verse exposition of the Hebrew text of selected Psalms with a history of their interpretation in the Church from the time of the apostles to the present Bruce K Waltke begins the collaboration by first skillfully establishing the meaning of the chosen psalms through careful exegesis in which each text is interpreted in light of its historical backgrounds its literary form and the poet's rhetoric James M Houston then exposit each text's relevance in conjunction with the Church's interpretation of it throughout her history To further the accuracy of this interpretation he commissioned fresh translations of numerous Latin and Middle English texts The authors purpose in creating this volume was not merely to produce a masterful commentary Rather they wished to aid in enriching the daily life of the contemporary Christian and to deepen the church's community Waltke and Houston here bring together the two voices of the Holy Spirit heard infallibly in Scripture and edifyingly in the Church's response in a rare and illuminating combination *Covenant: A Vital Element of Reformed Theology*, 2021-11-29 *Covenant A Vital Element of Reformed Theology* provides a multi disciplinary reflection on the theme of the covenant from historical biblical theological and systematic theological perspectives The interaction between exegesis and dogmatics in the volume reveals the potential and relevance of this biblical motif It proves to be vital in building bridges between God's revelation in the past and the actual question of how to live with him today *God to Us: Covenant Theology in Scripture* Stephen G. Myers, 2021-11-27 When the Lord becomes our

God and we become his people we are in covenant with each other Covenant theology is the study of God's unchanging purpose to secure a people to Himself for His Son It's a redeeming purpose that unfolds throughout Divine revelation and redemptive history from the eternal intra Trinitarian counsel of the Godhead to its historical consummation in the New Heavens and the New Earth God to Us explains the purpose and work of the covenant in detail so our knowledge of God may deepen our relationship with Him become richer as we grow into living as His people

Paul and the Stories of Israel A. Andrew Das, 2016-06-01 Much recent scholarship on Paul has searched for implicit narratives behind Paul's scriptural allusions especially in the wake of Richard B Hays's groundbreaking work on the apostle's appropriation of Scripture A. Andrew Das reviews six proposals for grand thematic narratives behind the logic of Galatians potentially six explanations for the fabric of Paul's theology the covenant N T Wright the influx of nations to Zion Terence Donaldson Isaac's near sacrifice Scott Hahn Alan Segal the Spirit as cloud in the wilderness William Wilder the Exodus James Scott Sylvia Keesmaat and the imperial cult Bruce Winter et al Das weighs each of these proposals exegetically and finds them wanting more examples of what Samuel Sandmel famously labeled parallelomania than of sound exegetical method He turns at last to reflect on the risks of admittedly alluring totalizing methods and lifts up a seventh proposal with greater claim to evidence in the text of Galatians Paul's allusions to Isaiah's servant passages

The Theme of Promise in the Epistle to the Hebrews Daniel Stevens, 2025-04-24 Daniel Stevens analyses the use of the language of divine commitment in the Epistle to the Hebrews arguing that the author distinguishes promise from the cultic language of covenant to sketch a unique mixture of continuity and discontinuity among the people of God across time Stevens stresses through an exegesis of relevant passages that rest is not the primary content of promise nor is it the primary lens through which the other instances of promise language should be understood suggesting instead that the promise is most closely associated with the benefits promised to Abraham and then mediated through the various subsequent covenants He further explores how the divine promise relates to both the Old and New Covenants arguing that Hebrews develops a view of salvation history in which covenants are founded upon promises and then bring those promises to fruition By demonstrating the ways in which this understanding of promise sheds light on the author's hermeneutic and on his method of achieving his hortatory purposes for the epistle Stevens concludes in a reassertion of the consistency of the author's thought regarding promise

From the Damascus Covenant to the Covenant of the Community Stephen Hultgren, 2007-04-30 The focus of this volume is a history of covenantal theology in the Dead Sea Scrolls At the heart of the work the author provides new insight into the origins of the new covenant in the land of Damascus Damascus covenant and of

the Qumran community covenant of the community The Damascus covenant arose as a national restoration movement in 3rd century BC Palestine among Jews who traced their history back to the returnees from exile The Qumran community emerged out of the Damascus covenant in the 2nd century BC as a refuge for the faithful when the Damascus covenant and the Teacher of Righteousness suffered the betrayal of some of their adherents Other chapters explore the topics of dualism the righteousness of God in the thanksgiving hymns and covenant renewal

Remembering the Covenants in Song

Young-Sam Won, 2019-08-20 In biblical and theological studies fresh perspectives and novel approaches can breathe new life into familiar subjects Remembering the Covenants in Song reconsiders the Abrahamic and Mosaic covenant relationship through the unique biblical and canonical lens of a postexilic song In Psalm 105 the psalmist's intriguing intertextual engagement with both of Israel's great covenant traditions provides a rare glimpse into the covenant understanding of a postexilic biblical writer interacting with the Torah Remembering the Covenants in Song entails an intertextual study of Psalm 105 that brings the psalmist's rhetorical design and covenant references into a dialogue with the Torah's seminal covenant texts The examination of the psalmist's use of covenant references and allusions represents an innovative approach to assessing the rhetorical significance of intertextuality in biblical writings

Abraham in the Book of Jubilees

J.T.A.G.M. van Ruiten, 2012-11-09 In Abraham in the Book of Jubilees Jacques van Ruiten offers a systematic analysis of one of the most important and extensive Second Temple Jewish treatments of the figure of Abraham Jub 11 14 23 8 Given the importance of representations and reinterpretations of Abraham within Judaism Christianity and Islam a careful analysis of this early source is an important contribution to research both on the evolving images of biblical patriarchs and on the history of biblical interpretation There are many references to Jubilees in articles and books on images of Abraham They are chosen for exegetical motifs with little attention for its own literary and narrative dynamics or for the specific writing and reading practices that it embodies and attests Van Ruiten's careful analysis thus provides important context and corrective

The Identity of God's People and the Paradox of Hebrews Ole Jakob Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher

The Book of Deuteronomy, Chapters 1-11

Bill T. Arnold, 2022-11-01 The book of Deuteronomy can rightly be called a compendium of the most important ideas of the Old Testament So begins this commentary on the book of Deuteronomy which Bill Arnold treats as the heart of the Torah and the fulcrum of the Old Testament crystallizing the themes of the first four books of the Bible and establishing the theological foundation of the books that follow After a thorough introduction that explores these and other matters Arnold provides an original translation of the first eleven chapters of Deuteronomy along with verse by verse commentary with the translation and commentary of the remaining chapters following in a second volume As with the other entries in the New International Commentary on the

Old Testament Arnold remains rooted in the book's historical context while focusing on its meaning and use as Christian Scripture today. Ideal for pastors, students, scholars, and interested laypersons, this commentary is an authoritative yet accessible companion to the book of Deuteronomy.

Enoch, Levi, and Jubilees on Sexuality William Loader, 2007-06-15

Enoch, Levi, and Jubilees on Sexuality marks a first stage in William Loader's research on attitudes toward sexuality in Judaism and Christianity of the Hellenistic Greco-Roman era. Loader first discusses the early Enoch literature relevant to the theme, focusing on the impact of an ancient myth on the writings and examining how sexual deeds are not here concerned with sexual wrongdoing. He then examines the weight of such wrongdoing in the priestly instruction of the fragmentary Aramaic Levi Document as a whole. He finally considers Jubilees as a cumulative work building on both the Enoch tradition and the instruction of Levi and reveals a range of devices warning against sexual depravity. Loader's aim throughout is to interpret the works from within, examining literary form, context, sequence, and tradition, and redaction, reflecting engagement with current research in this area.

The New Testament and the Theology of Trust Teresa Morgan, 2022-06-16

This study argues for the recovery of trust as a central theme in Christian theology and offers the first theology of trust in the New Testament. Trust is the root meaning of Christian faith: *pistis*, *fides*, and trusting in God and Christ is still fundamental to Christians. But unlike faith and other aspects of faith such as belief or hope, trust is little studied. Building on her ground-breaking study *Roman Faith and Christian Faith* and drawing on the philosophy and psychology of trust, Teresa Morgan explores the significance of trust, trustworthiness, faithfulness, and entrustedness in New Testament writings. Trust between God, Christ, and humanity is revealed as a risky, dynamic, forward-looking, life-changing partnership. God entrusts Christ with winning the trust of humanity and bringing humanity to trust in God. God and Christ trust humanity to respond to God's initiative through Christ and entrust the faithful with diverse forms of work for humanity and for creation. Human understanding of God and Christ is limited, and trust and faithfulness often fail, but imperfect trust is not a deal-breaker. Morgan develops a new model of atonement showing how trust enables humanity's release from the power of both sin and suffering. She examines the neglected concept of propositional trust and argues that it plays a key role in faith. This volume offers a compelling vision of Christian trust as soteriological, ethical, and community-forming. Trust is both the means of salvation and an end in itself, because where we trust is where we most fully live.

A Cloud of Witnesses Richard Bauckham, Daniel Driver, Trevor Hart, Nathan MacDonald, 2008-10-09

The book of Hebrews has often been the Cinderella of the New Testament, overlooked and marginalized, and yet it is one of the most interesting and theologically significant books in the New Testament. *A Cloud of Witnesses* examines the theology of the book in the light of its ancient historical context. There are chapters devoted to the

structure of Hebrews the person of Jesus Christ Hebrews within the context of Second Temple Judaism and the Greco Roman empire and the role of Hebrews in early Christian thought *Apocalypse Against Empire* Anthea Portier-Young, 2014-01-09

The year 167 B C E marked the beginning of a period of intense persecution for the people of Judea as Seleucid emperor Antiochus IV Epiphanes attempted forcibly and brutally to eradicate traditional Jewish religious practices In *Apocalypse against Empire* Anthea Portier Young reconstructs the historical events and key players in this traumatic episode in Jewish history and provides a sophisticated treatment of resistance in early Judaism Building on a solid contextual foundation Portier Young argues that the first Jewish apocalypses emerged as a literature of resistance to Hellenistic imperial rule In particular Portier Young contends the book of Daniel the Apocalypse of Weeks and the Book of Dreams were written to supply an oppressed people with a potent antidote to the destructive propaganda of the empire renewing their faith in the God of the covenant and answering state terror with radical visions of hope

The Unity of Male and Female in Jesus Christ Gesila Nneka Uzukwu, 2015-11-19 This detailed exegetical study of Gal 3 28c in the light of 3 14 29 and 4 21 31 shows not only how integral this verse is to chapters 3 and 4 of the letter but also that it is the key to understanding Paul s theological argument of promise in Galatians Paul s use of the story of Abraham in 3 14 29 and of Sarah in 4 21 31 in light of God s promise to the patriarch and the matriarch in Genesis 17 have implications displays the joint role of Abraham and Sarah in bringing about the promise and underscores the unity of the believers in Christ In light of this Uzukwu examines important aspects of the history of the interpretation of Gal 3 28c Uzukwu sheds light on the link between Gal 3 28 and the three expressions of gratitude found in Greek writings Links are also revealed to the three blessings of gratitude that appear at the beginning of the Jewish cycle of morning prayers Gen 1 27c in the Septuagint and the alleged pre Pauline baptismal formula She goes further to demonstrate how 3 28c is related to the unity of Galatians 3 4 focusing on the theme of the promise as the text discusses the effect of the Christ event in bringing about the fulfillment of that promise
