Bradley,2024-04-02 This book uses a multidisciplinary approach to examine the ongoing conflict in Mozambique s Cabo Delgado province which has killed thousands and displaced a million people since 2017 The book investigates how the conflict developed the regional and international responses and its wider implications From a broad range of African perspectives the book addresses issues related to the conflict including international humanitarian law regional security and terrorism Part I assesses the regional security concerns of the conflict the success of cross border counter terrorism operations and their implications for the southern African region Part II focuses on the conflict in relation to international humanitarian law It discusses the Islamic State s presence in the region the trajectory and issues pertaining to sexual and gender based violence and the relationship between the conflict and the environment Finally Part III examines regional and continental responses to the conflict from the military intervention by the Southern African Development Community and Rwanda to the perceived inaction of the African Union The first comprehensive analysis of the conflict in Cabo Delgado this book will be of interest to scholars and practitioners of international humanitarian law security African politics war and conflict studies terrorism and human rights     History of the Conflict Between Religion and Science John William Draper,1896     International Conflict and Security Law Laurie R. Blank,2023-02-14 This incisive book provides an extensive analysis of the robust array of international law applicable across the spectrum of international conflict and security With a particular focus on new and emerging technologies and domains such as cyber and outer space Laurie Blank illustrates how international conflict and security law applies to 21st century challenges     **Managing Conflict in a Negotiated World** Peter M. Kellett,Diana G. Dalton,2001-03-30 Kellett and Dalton present a core text in Conflict Management derived from extensive class testing of their material Their book helps readers understand the elements of conflict and act on that understanding by managing conflict better in each area of their lives work family and community     Breaking the Conflict Trap World Bank,2003-05-30 Civil war conflict is a core development issue The existence of civil war can dramatically slow a country s development process especially in low income countries which are more vulnerable to civil war conflict Conversely development can impede civil war When development succeeds countries become safer when development fails they experience a greater risk of being caught in a conflict trap Ultimately civil war is a failure of development Breaking the Conflict Trap identifies the dire consequences that civil war has on the development process and offers three main findings First civil war has adverse ripple effects that are often not taken into account by those who determine whether wars start or end Second some countries are more likely than others to experience civil war conflict and thus the risks of civil war differ considerably according to a country s characteristics including its economic stability Finally

Breaking the Conflict Trap explores viable international measures that can be taken to reduce the global incidence of civil war and proposes a practical agenda for action This book should serve as a wake up call to anyone in the international community who still thinks that development and conflict are distinct issues      **Storytelling** Klaus Fog,Christian Budtz,Baris Yakaboylu,2004-12-06 Must read for managers on a powerful branding tool of the future Up to date cases from the business world plenty of illustrations and easy to use tools Recommended by managers of top international firms Covers both the internal and external benefits of storytelling for a business company Danish version sold more than 2000 copies

*The Resolution of Conflict* Morton Deutsch,1973-01-01 The basic question to which this book is addressed is not how to eliminate or prevent conflict but rather how to make it productive or minimally how to prevent it from being destructive I shall not deal with situations of pure conflict in which inevitably one side loses what the other gains My interest is in conflict where there is a mixture of cooperative and competitive interests where a variety of outcomes is possible mutual loss gain for one and loss of the other and mutual gain Thus my query can be restated as an investigation of the conditions under which the participants will evolve a cooperative relationship or a competitive relationship in a situation which permits either from the introduction      **Conflict and Poverty in Africa** Ebenezer Durojaye,Gladys Mirugi-Mukundi,John-Mark Iyi,Usang Maria Assim,2025-02-17 The contributors to this book examine the conceptual issues relating to the link between conflict and poverty as well as presenting case studies of countries often regarded as hot spots for conflict in Africa They also explore the roles of regional and sub regional bodies and institutions in addressing the causes of poverty and mitigating the impacts of conflict on vulnerable and marginalized groups Africa is often regarded as the epicentre of conflicts worldwide Virtually every part of the continent is currently engulfed in one form of conflict or another Beyond the loss of life conflicts have brought untold hardship to millions and have derailed social and economic development on the continent Written by African academics this book is divided into three sections the first of which discusses the factors that fuel conflicts and the nature and impacts of conflicts on vulnerable groups The second section comprises case studies of South Sudan Central African Republic Nigeria Ethiopia South Africa Uganda and Cameroon These countries are representative of the sub regional dynamics of Africa west east central and south reflecting the diversity of the continent The final section examines the role of key institutions and bodies in Africa in mitigating the impact of conflict on the socioeconomic lives of the people in the region Bodies discussed include the African Union Economic Community of West African States Southern African Development Community and the East African Community The book will be an invaluable resource for researchers academics and policymakers working in the areas of law political science human rights peace studies development studies and African studies      **Ethnic Conflicts in Southeast Asia** Kusuma Snitwongse,Willard Scott Thompson,2005 Potentially destabilizing ethnic conflicts continue to challenge nation states worldwide The countries of Southeast Asia are no exception Globalization population movements and historical and political fault lines in a tremendously ethnically diverse region coupled with

continuing uneven access to economic development have seen the resurgence of old conflicts or the flaring up of new ones Along with violence and the loss of life and livelihood there are also longer term cross border impacts to consider in the form of refugees or displaced persons illegal migrant labour as well as drug and arms smuggling Written by country experts this volume examines ethnic configurations as well as conflict avoidance and resolution in five Southeast Asian countries Indonesia Malaysia Myanmar the Philippines and Thailand Ethnic Conflicts in Southeast Asia is a resource for scholars policy makers NGO personnel analysts and others who wish to deepen their understanding of the region or develop strategies to prevent modulate and resolve such conflicts

**Managing Conflicts in Protected Areas** Connie Lewis,1996 This handbook was written for staff working in protected areas around the world including parks wilderness areas research areas and other types of protected landscapes who encounter conflicts of all kinds The Handbook can also be a resource for other interested parties who want to play a constructive role in protected area conflicts A simple framework is offered and some strategies for responding to different types of conflicts in protected areas are explored Case studies which are the heart of the Handbook describe a variety of both short and long term approaches for dealing with conflict

**What are the economic and poverty implications for Sudan if the conflict continues through 2024?** Ahmed, Mosab,Raouf, Mariam,Siddig, Khalid,2025-02-04 The conflict in Sudan which started in April 2023 has led to severe economic repercussions sharply reducing the country s Gross Domestic Product GDP employment and household incomes and increasing the prevalence of poverty Using an updated economywide database for Sudan we ran an analysis of the likely economic impact of a continuation of the conflict through to the end of 2024 using two scenarios of extreme and moderate reductions in overall GDP These reductions are triggered mainly by the ongoing conflict which is causing additional cuts in the operations of business services and continuing disruptions to wholesale and retail services and manufacturing The results of the analysis show a 47 percent decline in Sudan s GDP under the extreme reduction scenario and a 13 percent decline under the moderate scenario relative to 2022 before the conflict began Under the extreme scenario the agrifood system GDP falls by 26 percent and employment by 50 percent with non farm jobs being more adversely affected Household incomes decline significantly across all quintiles and in both rural and urban areas with urban and richer households facing slightly higher reductions Less educated labor categories are severely affected while tertiary educated labor shows relative resilience Poverty rates have surged particularly in rural areas and among women with the national poverty rate estimated to have increased by 21 percentage points under the extreme reduction scenario To mitigate the widespread adverse impacts of the conflict on the Sudanese economy and foster long term resilience policies and interventions should prioritize the restoration of economic productivity provide support for the agrifood system and employment recovery strategies and ensure that social protection measures are accessible to all households facing increased deprivation

Religion, Identity and Politics in Northern Ireland Claire Mitchell,2006 There has been increased interest in the relationship between religion identity and

politics in modern societies Building on this debate Claire Mitchell presents a challenging analysis of religion in contemporary Northern Ireland arguing that religion is not merely a marker of ethnicity and that it continues to provide many of the meanings of identity community and politics Drawing on a range of unique interview material this book traces how individuals and groups in Northern Ireland have absorbed religious types of cultural knowledge belonging and morality

**Epistemologies of African Conflicts** Z. Wai, 2012-12-05 This book offers a bold ground breaking epistemological critique of the dominant discourses on African conflicts Based on a painstaking study of the ways in which the Sierra Leone civil war has been interpreted it considers how Africa is constructed as a site of knowledge and the implications that this has for the continent and its people

**Theoretical Sociology** Jonathan H. Turner, 2013 Written by award winning scholar Jonathan Turner *Theoretical Sociology 1830 to the Present* is a monumental book that offers in depth and comprehensive coverage of both the classical and modern traditions in sociological theory The text is divided into three key parts Part 1 provides detailed analyses of the theories of the classical tradition including the works of August Comte Herbert Spencer Karl Marx Max Weber Georg Simmel Emile Durkheim and George Herbert Mead Part 2 examines all of the principle theoretical traditions in sociology during the modern era including the functional general systems ecological evolutionary conflict exchange symbolic interactionist role and status dramaturgical phenomenological structuralist cultural postmodern European critical and American style critical theories Part 3 reviews the state of sociological theory today including scientific elements of theory and how to overcome roadblocks that have prevented sociological theories from realizing their full explanatory power
