The Congo River Of Mystery:

The Congo Robin McKown,1968 **Marvels & Mysteries of the Unexplained: An Imagination-Defying Exploration of our World's Strangest Secrets** Karen Farrington,2008-06-30 In this amazing anthology of the baffling and the bizarre author Karen Farrington recounts the latest investigations into strange phenomena that have mystified mankind for centuries Some of history s most astounding tales of the weird and wonderful are retold here in vivid detail from the grotesque to the gruesome and from the unearthly to the plain inexplicable Embracing themes as diverse as alien abductions zoological oddities Roswell and the Kraken of Viking legend Marvels Mysteries of the Unexplained offers a wealth of evidence supporting it where possible with specially chosen images and providing valuable insights into the nature of the unknown This compelling and timely examination of our planet s most astonishing secrets is sure to intrigue and amaze in equal measure **Zaire, Post Report** United States. Department of State,1983 **Creative Ways to Teach the Mysteries of History** Ronald Hans Pahl,2005-10-01 History does not have to be boring Kids who are excited about history learn more History is also far more than facts to memorize for the most recent standardized test That is where Creative Ways to Teach the Mysteries of History comes in to make the teaching and learning of history a powerful and enjoyable experience in the classroom through the study of historical mysteries What better place to snoop around and dig through mysterious graves than in your history class This book takes ten mysterious events in history from ancient Egypt to the 21st century for students to grapple with and make their own decisions as to Who done it Lessons include historical events such as Who Killed King Tut The Black Death of 1347 Can It Come Again as well as an Advanced Document Analysis for the 21st Century entitled Is the War on Terrorism Bogus Pahl focuses on a wide variety of active ideas and how to do it brainstorms for teachers to get their students excited about history At the same time the book deeply analyzes some of the major issues that have confronted humankind from ancient times through the present and into the future If this is what you want for your classroom then Creative Ways to Teach the Mysteries of History Volume I is for you and your students **Post Report** ,1983 Series of pamphlets on countries of the world revisions issued **Mysterious Creatures** George M. Eberhart,2002-12-17 A comprehensive guide to cryptozoology the quest to identify animals that have not been officially catalogued by science and to place these unknown animals into their proper zoological categories In this fascinating two volume encyclopedia author George M Eberhart provides a comprehensive catalog of nearly 1 000 cryptids unknown animals usually reported through eyewitness accounts and not yet described by science Cryptids are the stuff of folklore hoaxes and genuine scientific breakthroughs There are 400 now classified cryptids once considered either extinct or pure fantasy The cryptozoologist s job is to strip away the myth misidentification and mystery and separate fact from fiction Mysterious Creatures covers everything from dinosaurs and the emala ntouka an elephant killing dinosaur like animal of central Africa to searches for the Loch Ness monster Bigfoot and other cryptozoological hoaxes Entries about specific animals include the derivation or meaning of each

cryptid's name its scientific name variant names a physical description behavior description of tracks habitat significant sightings present status and possible explanations Illustrations and photographs accompany many entries The book also includes resources and references for further information

Mysteries of Africa Eugene Schleh, 1991 Using the highly popular genre of detective mystery fiction this volume explores the insights available in African centered stories The sample of writings used ranges from the colonial era to the present and covers the work of both Africans and outside observers from Europe and North America
