

DAVID E. PRICE

THE CONGRESSIONAL EXPERIENCE

The Congressional Experience Transforming American Politics

Paul Pierson, Theda Skocpol

The Congressional Experience Transforming American Politics:

The Congressional Experience David E. Price, 2018-05-04 Congressman David Price proves he is uniquely qualified to guide us through the labyrinth of rules roles and representatives that is Congress This third edition is thoroughly updated to cover developments over the past several years the Bush presidency consolidated Republican control of the White House and Congress the plunge from budget surpluses to record deficits and the Bush revolution in foreign policy A new chapter has also been on defense and foreign affairs emphasizing the author s own work on Middle East policy and Congress handling of the war in Iraq The reader gets a clear sense of the challenges disappointments elation and deep concerns implicit in serving as a member of Congress especially the kind of member David Price has chosen to be *The Congressional Experience* DAVID PRICE, 2000-09-19 Everyone blames Congress no one explains it But in this second edition of *The Congressional Experience* Congressman David Price proves he is uniquely qualified to guide us through the labyrinth of rules roles and representatives that is Congress and to show us how the institution solves some of the most pressing social problems on the national political agenda today Price combines an engaging enlightening narrative with photos figures maps and tables to tell the story of his odyssey from the ivory tower of Duke University to the citadel of Capitol Hill This second edition of *The Congressional Experience* has been revised and updated to cover events that have occurred over the past six years such as Congressman David Price s own defeat in 1994 and his comeback in 1996 the waxing and waning of the Gingrich revolution and the high and low points of the Clinton presidency In an election year filled with name calling teeth gnashing and Congress bashing it is refreshing to hear Price discuss what it means to simultaneously serve his constituency his country and his strong personal convictions about good government As students of the political process we are instructed in campaign strategy and finance the advantages and disadvantages of incumbency how to get a legislative project off the ground the intricate House committee and subcommittee system the tortuous route a bill must travel to become law and the strong role of parties in Congress As voters and constituents we are treated to firsthand accounts of election campaigns fraught with negative ads town meetings on Medicare fierce budget battles on the floor of the House and persistent efforts on behalf of individual North Carolinians As citizen philosophers we are drawn into an extended consideration of the complex interrelationships among politics religion and ethics In this context Congressman David Price looks at a variety of issues through an introspective lens of moral concern Price shares invaluable insights into debates on such topics as campaign finance reform congressional term limits and controlling the federal deficit At the same time he imparts a personal glimpse into life on the Hill and its impacts on family friends and constituents **The Congressional Experience** DAVID PRICE, 1992-09-28 Everyone blames Congress no one explains it Congressman David Price noted scholar and former professor of political science is uniquely qualified to guide us through the labyrinth of rules roles and representatives that is Congress and to show us how the institution can and does function to solve some of the most pressing social problems on the

national political agenda today In an election year filled with name calling teeth gnashing and Congress bashing it is refreshing to hear Price discuss what it means to simultaneously serve his constituency his country and his strong personal convictions about good government As students of the political process we are instructed in campaign strategy and finance the advantages and disadvantages of incumbency how to get a legislative project off the ground the intricate House committee and subcommittee system the tortuous route a bill travels to become law and the strong role of parties in Congress As voters and constituents we are treated to firsthand accounts of election campaigns fraught with negative ads town meetings on Medicare fierce budget battles on the floor of the House and persistent efforts on behalf of individual North Carolinians And as citizen philosophers we are drawn into an extended consideration of the complex interrelationships among politics religion and ethics In this context David Price looks at a variety of issues the conscientious allocation of housing funds the correlation between legislative structure and the quality of legislative policy the confrontation between the public interest and special interests and the maneuvering of the religious Right through an introspective lens of moral concern Congressman David Price shares invaluable insights into debates on such topics as campaign finance reform congressional term limits and controlling the federal deficit At the same time he imparts a personal glimpse into life on the Hill and its impacts on family friends and constituents Congress as Price is quick to point out is certainly not without flaws but the system will be better served by informed voters committed representatives and measured reforms than by ill considered proposals that would weaken the institution The Congressional Experience combines an engaging enlightening narrative with photos figures maps and tables to tell the story of David Price s odyssey from the ivory tower of Duke University to the citadel of Capitol Hill Along the way we get a clear sense of the challenge disappointment elation and deep concern implicit in serving as a member of Congress especially the kind of member David Price has chosen to be

An Introduction to the U.S. Congress Charles B. Cushman, 2014-12-18 What does Congress do How does it do it Why is it such a complicated institution This concise primer offers students and general readers a brief and systematic introduction to Congress and the role it plays in the US political system Drawing on his experience as a former Congressional staff member the author explores the different political natures of the House and Senate examines Congress s interaction with other branches of the Federal government and looks ahead to the domestic and foreign challenges that are likely to drive the Congressional agenda for decades to come The book provides revealing insights into the sometimes contradictory Congressional responsibilities of representation and lawmaking oversight and appropriation and managing and organizing the government It includes a case study on the formation of the Department of Homeland Security that sheds light on Congress s often complicated procedures The book also includes boxed features on Congressional action highlighting such topics as file sharing and student loans that show students how Congress s work affects their lives Chapter ending lists of web resources add to the book s usefulness

The Transformation in American Politics United States. Advisory Commission

on Intergovernmental Relations, 1986 The Congressional Experience David E Price, 2020-12-30 Congressman David Price is uniquely qualified to guide readers through the labyrinth of rules roles and representatives that is Congress As a trained political scientist he connects the practical politics on the Hill with the theories of the discipline He is equally focused on the ethics of public service at a time when politics seem to have reached a new low Through it all he conveys a clear sense of the challenges disappointments elations and deep concerns implicit in serving as a member of Congress especially at a time of national and international fragility New to the 4th Edition Covers elections and presidencies since the third edition including serving with Obama and Trump Details the Trump impeachment process and the subsequent pandemic bringing change to Congressional floor voting processes putting current crises in context with prior occasions during the Clinton and George W Bush presidencies Looks at the reform agenda and the prospects for national political renewal The Hollywood Connection Heather E. Yates, Timothy G. Hill, 2018-10-15 The Hollywood Connection The Influence of Fictional Media and Celebrity Politics on American Public Opinion is one of the first edited volumes offered in the political science discipline on the effects of fictional media and celebrity on public opinion and synthesizes many niche areas of research into single text Additionally it emphasizes the importance of acknowledging a shift in academic focus away from the lateral interactions between celebrities and politicians and in some cases celebrities becoming politicians toward research that engages the American audience as consumers of media as a critical political component The volume offers a collection of diverse research on questions treating the effects of fictional media on consumer audiences and the larger implications for American politics This research collection offers both qualitative and quantitative data sources and showcases a variety of methodological approaches experimental design public opinion survey analysis content analysis etc robust theoretical applications and encompasses a variety of conduits ranging from television sitcoms to horror films to the action drama 24 that make it both compelling and timely The Congressional Experience David E. David E Price, 2020-12-30 Congressman David Price is uniquely qualified to guide readers through the labyrinth of rules roles and representatives that is Congress As a trained political scientist he connects the practical politics on the Hill with the theories of the discipline He is equally focused on the ethics of public service at a time when politics seem to have reached a new low Through it all he conveys a clear sense of the challenges disappointments elations and deep concerns implicit in serving as a member of Congress especially at a time of national and international fragility New to the 4th Edition Covers elections and presidencies since the third edition including serving with Obama and Trump Details the Trump impeachment process and the subsequent pandemic bringing change to Congressional floor voting processes putting current crises in context with prior occasions during the Clinton and George W Bush presidencies Looks at the reform agenda and the prospects for national political renewal **The Congressional Experience** David Eugene Price, 2000 **The Transformation of American Politics** Paul Pierson, Theda Skocpol, 2011-06-27 The contemporary American political landscape has been marked by two paradoxical transformations the

emergence after 1960 of an increasingly activist state and the rise of an assertive and politically powerful conservatism that strongly opposes activist government. Leading young scholars take up these issues in *The Transformation of American Politics*. Arguing that even conservative administrations have become more deeply involved in managing our economy and social choices, they examine why our political system nevertheless has grown divided as never before over the extent to which government should involve itself in our lives. The contributors show how these two closely linked trends have influenced the reform and running of political institutions, patterns of civic engagement, and capacities for partisan mobilization, and fueled ever heightening conflicts over the contours and reach of public policy. These transformations not only redefined who participates in American politics and how they do so but altered the substance of political conflicts and the capacities of rival interests to succeed. Representing both an important analysis of American politics and an innovative contribution to the study of long term political change, this pioneering volume reveals how partisan discourse and the relationship between citizens and their government have been redrawn and complicated by increased government programs. The contributors are Andrea Louise Campbell, Jacob S. Hacker, Nolan McCarty, Suzanne Mettler, Paul Pierson, Theda Skocpol, Mark A. Smith, Steven M. Teles, and Julian E. Zelizer.

Legislative Style William Bernhard, Tracy Sulkin, 2018-01-18. Legislative style and congressional careers. Measuring legislative style with Daniel Sewell. The styles. Explaining freshman styles. Transitions in style. The electoral consequences of legislative style. Styles, lawmaking, and legislative success. Career advancement and legislative styles. Legislative styles and evaluations of Congress.

The American Congress Steven S. Smith, Jason M. Roberts, Ryan J. Vander Wielen, 2006. The American Congress provides the most insightful up to date treatment of congressional politics available in an undergraduate text. Informed by the authors' Capitol Hill experience and nationally recognized scholarship, The American Congress presents a crisp introduction to all major features of Congress: its party and committee systems, leadership, and voting and floor activity. The American Congress has the most in depth discussions of the place of the president, the courts, and interest groups in congressional policy making available in a text.

The Trusted Leader Terry Newell, Grant Reeher, Peter Ronayne, 2011-08-04. Improving government on a macro level is only possible with public managers who herald change on a micro level. While many studies of government reform focus on new policies and programs, these public managers building relationships built on trust are the real drivers behind many successful reforms. In this second edition, chapter authors once again draw on their real world experience to demonstrate the importance of values based leadership. With new research and lessons from the first two years of the Obama administration, chapters focus on the concrete ways in which leaders build effective relationships and trust while also improving themselves, their organizations, and those they coach. Surveying agencies both horizontally and vertically, The Trusted Leader also addresses how public managers can collaborate with political appointees and the legislative branch while still engaging with citizens to create quality customer experiences. Two brand new chapters focus on Effective Conversations, the importance of one on one conversations to

building trust with a model for having such conversations The Diversity Opportunity the need to effectively lead across a diverse workforce and a diverse society to build trust in both realms With the addition of chapter headnotes the editors provide necessary context while the new Resources for Further Learning feature guides readers toward additional print and web resources **Direct Democracy Or Representative Government? Dispelling The Populist Myth** John

Haskell,2018-03-05 In *Direct Democracy or Representative Government* John Haskell develops a devastating critique of direct democracy by exposing the central flaw in populist thinking Contrary to the beliefs of populist advocates of direct democracy the popular will cannot be interpreted from the results of the plebiscite John Haskell presents a defense of representative institutions that brings to bear in an understandable way the findings of public choice scholars Haskell covers the clash of ideas between populists and constitutionalists throughout American history He follows the development of direct democracy during the twentieth century especially the dramatically increased use of initiatives and referenda in the last decade As Americans become increasingly frustrated with the workings of the institutions of government at the state and national levels and as populist ideas gain greater currency new forms of direct and participatory democracy making use of the latest computer technology appeal to more people Haskell speculates as to the likely future direction of direct democracy in the U S He describes in clear language the fundamental problem with the premise of populist thinking and explains why direct democracy presents a threat to minority rights and only promises irresponsible and unaccountable governance

Tradition Transformed Gerald Sorin,1997-04-18 Sorin also shows how the large migration of Jews from Russia and Eastern Europe in the late nineteenth century made a lasting impact on how other Americans imagine understand and relate to Jewish Americans and their cultural contributions today Still Seeing Red John Kenneth White,2018-02-07 In *Still Seeing Red* John Kenneth White explores how the Cold War molded the internal politics of the United States In a powerful narrative backed by a rich treasure trove of polling data White takes the reader through the Cold War years describing its effect in redrawing the electoral map as we came to know it after World War II The primary beneficiaries of the altered landscape were reinvigorated Republicans who emerged after five successive defeats to tar the Democrats with the soft on communism epithet A new nationalist Republican party whose Cold War prescription for winning the White House was copyrighted to Dwight Eisenhower Richard M Nixon Barry Goldwater and Ronald Reagan attained primacy in presidential politics because of two contradictory impulses embedded in the American character a fanatical preoccupation with communism and a robust liberalism From 1952 to 1988 Republicans won the presidency seven times in ten tries The rare Democratic victors John F Kennedy Lyndon B Johnson and Jimmy Carter attempted to rearm the Democratic party to fight the Cold War Their collective failure says much about the politics of the period Even so the Republican dream of becoming a majority party became perverted as the Grand Old Party was recast into a top down party routinely winning the presidency even as its electoral base remained relatively stagnant In the post Cold War era Americans are coming to appreciate how the

fifty year struggle with the Soviet Union organized thinking in such diverse areas as civil rights social welfare education and defense policy At the same time Americans are also more aware of how the Cold War shaped their lives from the duck and cover drills in the classrooms to the bomb shelters dug in the backyard when most Baby Boomers were growing up Like millions of Baby Boomers Bill Clinton can truthfully say I am a child of the Cold War With the last gasp of the Soviet Union Baby Boomers and others are learning that the politics of the Cold War are hard to shed As the electoral maps are being redrawn once more in the Clinton years landmarks left behind by the Cold War provide an important reference point In the height of the Cold War voters divided the world into us noncommunists versus them communists and reduced contests for the presidency into battles of which party would be tougher in dealing with the Evil Empire But in a convoluted post Cold War era politics defies such simple characteristics and presidents find it harder to lead Recalling how John F Kennedy could so easily rally public opinion an exasperated Bill Clinton once lamented Gosh I miss the Cold War

Governance And The Changing American States David Hedge,2018-02-12 This book chronicles the kinds of changes that have occurred on the demand and supply sides of American state government It assesses the consequences of those developments for the quality of statehouse democracy and the ability of state governments to govern responsibly and effectively

Congress Online Dennis W. Johnson,2013-04-15 While more than a million e mails clog the inboxes of Congress each day some legislators can t even find their own websites without the help of their staffers In fact laptops aren t even allowed on the floor of the House or Senate But as Dennis W Johnson demonstrates in Congress Online there are some savvy legislators who are taking advantage of new media to expand their power and influence and the Congressional communications revolution is just beginning Born out of a Pew Charitable Trusts research project of the same name Congress Online is the definitive guide to electronic politics pointing the way to a system that could forge a new and more immediate connection between legislators and the American people

Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Congress and the Decline of Public Trust Joseph Cooper,2018-03-05 Since the late 1960s trust in government has fallen precipitously The nine essays composing this volume detail the present character of distrust analyze its causes assess the dangers it poses and suggest remedies The focus is on trust in the Congress The contributors also examine patterns of trust in societal institutions and the presidency especially in light of the

Clinton impeachment controversy Among the themes the book highlights are the impacts of present patterns of politics the consequences of public misunderstanding of democratic politics the significance of poll data and the need for reform in campaign finance media practices and civic education
