Hanging by a Thread Richard N. Skousen, 2016-03-07 **The Dark Charade** Gyeorgos C. Hatonn, 1991 *Mormons and Popular Culture* J. Michael Hunter, 2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond *Mormons and Popular Culture The Global Influence of an American Phenomenon* provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book s well documented chapters helpful **Mapping the End Times** Jason Dittmer, Tristan Sturm, 2010 Over the last quarter century evangelicalism has become an important social and political force in modern America Here new voices in the field are brought together with leading scholars such as

William E Connolly Michael Barkun Simon Dalby and Paul Boyer to produce a timely examination of the spatial dimensions of the movement offering useful and compelling insights on the intersection between politics and religion This comprehensive study discusses evangelicalism in its different forms from the moderates to the would be theocrats who in anticipation of the Rapture seek to impose their interpretations of the Bible upon American foreign policy The result is a unique appraisal of the movement and its geopolitical visions and the wider impact of these on America and the world at large The Religious Test: Why We Must Question the Beliefs of Our Leaders Damon Linker,2010-09-27 A manifesto seeking to exhort both believers and atheists to behave better in the public sphere The Constitution states that no religious test may keep a candidate from aspiring to political office Yet since John F Kennedy used the phrase to deflect concerns about his Catholicism the public has largely avoided probing candidates religious beliefs Is it true however that a candidate s religious convictions should be off limits to public scrutiny Damon Linker doesn t think so and in this book he outlines the various elements of religious belief including radical atheism that are simply incompatible with high office and sometimes even active citizenship in a democracy In six forceful chapters he enlightens us to the complicated interrelations between churches and states consistently applying a political litmus test to a range of theological views Along the way he clearly explains among other topics why the government in a religiously tolerant society must not promote a uniform absolute code of ethics and behavior why the conviction that America is worthy of divine attention is dangerous and why the liberal position on the political deregulation of sex is our nation s only hope for conciliation In this provocative hard hitting manifesto Linker exhorts both believers and atheists to behave better in the public sphere and he offers a carefully charted road map for doing so

Refuge Pogue met ranchers and militiamen ready to die fighting the federal government He witnessed the fallout of communities riven by politics and the danger and allure of uncompromising religious belief The occupation ended in the shooting death of one rancher the imprisonment of dozens more and a firestorm over the role of government that engulfed national headlines In a raw and restless narrative that roams the same wild terrain as his literary forebears Edward Abbey and Hunter S Thompson Pogue's *Chosen Country* examines the underpinnings of this rural uprising and struggles to reconcile diverging ideas of freedom tracing a cultural fault line that spans the nation

When the Moon Turns to Blood Leah Sottile, 2022-06-21 *WHEN THE MOON TURNS TO BLOOD* examines the culture of end times paranoia and a trail of mysterious deaths surrounding former beauty queen Lori Vallow and her husband grave digger turned doomsday novelist Chad Daybell When police in Rexburg Idaho perform a wellness check on seven J J Vallow and his sister sixteen year old Tylee Ryan both children are nowhere to be found Their mother Lori Vallow gives a phony explanation and when officers return the following day with a search warrant she too is gone As the police begin to close in a larger web of mystery murder fanaticism and deceit begins to unravel Vallow's case is sinuously complex As investigators prod further they find the accused Black Widow has an unusual number of bodies piling up around her *WHEN THE MOON TURNS TO BLOOD* tells a gripping story of extreme beliefs snake oil prophets and explores the question if it feels like the world is ending how are people supposed to act

Behind the Mask Tiger Vidmar, 2011-07-28 *This Land is My Land* James R. Skillen, 2020-08-10 *This Land Is My Land* tells the story of rebellion over federal land management in the American West from lawsuits to armed confrontation It starts with the stories of Cliven Bundy Wayne Hage and the Dann sisters who all struggled for decades to maintain their accustomed use of federal rangeland and then explains evolution that made them conservative celebrities These stories illustrated the profound challenges of federal land management as well as the partisan dysfunction in American politics today

The Christian Duty to Resist Tyranny Rick Joyner, 2022-10-31 Since a major movement has arisen in our day that calls the Bible hate speech the battle lines are being drawn We must have clarity on God's position as revealed in His Word to have a bold response The truth articulated in the doctrine of lesser magistrates has done this for those who stood for God's truth the past five hundred years and it will do so for us today

The Ritualization of Mormon History, and Other Essays Davis Bitton, 1994 How did the Latter day Saints of the 19th century defend their plural marriage system What kind of poetry was written on the Mormon frontier and what social function did it perform In a collection intended to convey the excitement and variety of Mormon history Bitton considers these and other issues and demonstrates how a religious group survives and maintains its sense of identity in the face of change and adaptation to new circumstances

The New Hate Arthur Goldwag, 2012-02-07 From Birthers who claim that Barack Obama was not born in the United States to counter jihadists who believe that the Constitution is in imminent danger of being replaced with Sharia law conspiratorial beliefs have become an increasingly common feature of our public discourse In this deeply researched fascinating exploration of the

ideas and rhetoric that have animated extreme mostly right wing movements throughout American history Arthur Goldwag reveals the disturbing pattern of fear mongering and demagoguery that runs through the American grain The New Hate takes readers on a surprising often shocking sometimes bizarrely amusing tour through the swamps of nativism racism and paranoid speculations about money that have long thrived on the American fringe Goldwag shows us the parallels between the hysteria about the Illuminati that wracked the new American Republic in the 1790s and the McCarthyism that roiled the 1950s and he discusses the similarities between the anti New Deal forces of the 1930s and the Tea Party movement today He traces Henry Ford s anti Semitism and the John Birch Society s Insiders back to the notorious Protocols of the Elders of Zion and he relates white supremacist nightmares about racial pollution to nineteenth century fears of papal plots The most salient feature of what I have come to call the New Hate Goldwag writes is its sameness across time and space The most depressing thing about the demagogues who tirelessly exploit it in pamphlets and books and partisan newspapers two centuries ago on Web sites electronic social networks and twenty four hour cable news today is how much alike they all turn out to be

[Security Challenges in the Baltic States, Ukraine and Belarus](#) Musa Khan Jalalzai,2021-03-01 There are different perceptions in the west about Russian interference in the EU some states see Russia as a friendly partner and some view it as a hostile power but majority of states want to maintain friendly relations with Russia These factors matter and the relations with and perceptions of Russia certainly differ between various countries It is noted that the US and NATO presence in Eastern Europe was a bigger challenge to the national security of Russian
