preservation and to render the Collection all that the most ardent friends of the undertaking could desire The labor of comparing copies and obtaining evidence of the genuineness of those accepted has been great but one for which the compilers are amply compensated in the fact of the general accuracy which marks the result of their efforts While they have not compelled the early composers to appear in the costume of Modern Harmonists nor obliged them to assume the strait jacket of the Musical Grammatist they have been anxious to get rid of typographical errors which have too long marred the reprints of Ancient American music About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Song Sheets to Software Elizabeth C.

Music in the USA Judith Tick, Paul Beaudoin,2008-09-26 Music in the USA A Documentary Companion charts a path through American music and musical life using as guides the words of composers performers writers and the rest of us ordinary folks who sing dance and listen The anthology of primary sources contains about 160 selections from 1540 to 2000 Sometimes the sources are classics in the literature around American music for example the Preface to the Bay Psalm Book excerpts from Slave Songs of the United States and Charles Ives extolling Emerson But many other selections offer

uncommon sources including a satirical story about a Yankee music teacher various columns from 19th century German American newspapers the memoirs of a 19th century diva Lottie Joplin remembering her husband Scott a little known reflection of Copland about Stravinsky an interview with Muddy Waters from the Chicago Defender a letter from Woody Guthrie on the punkfire attitude of a folk song a press release from the Country Music Association and the Congressional testimony around Napster Sidebar entries occasionally bring a topic or an idea into the present acknowledging the extent to which revivals of many kinds of music play a role in American contemporary culture This book focuses on the connections between theory and practice to enrich our understanding of the diversity of American musical experiences Designed especially to accompany college courses which survey American music as a whole the book is also relevant to courses in American history and American Studies
