Apparently I was not meant for married life Otherwise I should have lived happily for ever and a day with you and you know that was not the case But you are not to blame I wish in my heart of hearts that I had something to reproach you with but I have nothing against you of any sort or kind It was a great mistake a cowardly act to promise you yesterday that I would return if I regretted my decision I know I shall never regret it But in making such a promise I am directly hindering you Forgive me dear friend but it is not impossible that you may some day meet a *The Dangerous Age* Amy J. The Dangerous Age Karin Michaëlis,1991 Shows how the planning and engineering genius of Louis H Sullivan s mentor and elder partner laid the foundation for the success of the late nineteenth century Chicago architectural firm Some 160 photos plans and drawings document the study A Swallow Press Book A hugely successful and sensational in its day novel translated from the Danish and first published in English by John Lane Co 1911 Reprinted with a new introduction by Phyllis Lassner Paper edition 1040 7 10 95 Annotation copyrighted by Book News Inc Portland OR *Dangerous Age* ,1913 **A Dangerous Age** Rupert Legge,1995 **The Dangerous Age ... Translated from the Danish ... With an Introduction by Marcel Prévost** afterwards STANGELAND MICHAËLIS (Katharina Marie Bech),1912 **A Dangerous Age** Ellen Gilchrist,2025-04-08 The winner of the National Book Award returns with a moving story of a family of women drawn together by the trials of the times The women in the Hand family are no strangers to either controversy or sadness Those traits seem in fact to be a part of their family s heritage one that stretches back through several generations and many wars A Dangerous Age is a celebration of the strength of these women and of the bonds of blood and shared loss that hold them together Louise Winifred and Olivia are reconnecting the pieces of their lives and rediscovering love but each is unwittingly on a collision course with a seemingly distant war that is really never more than a breath away By turns humorous and heartbreaking this finely honed novel about the centuries old struggle for women who are left to carry on with life when their men go off to war is by a writer the Washington Post says should be declared a national cultural treasure **Dangerous Age** Cahill Bette L. (author),1901 **A Dangerous Age** Martin Sylvester,1986-01-01 **Dangerous Age [a Whisky Priest Book].** ,2011 **The Dangerous Age, 1911** Karin Michaelis,2015-07-10 Excerpt from *The Dangerous Age* 1911 Letters and Fragments From a Woman s Diary In all the countries of Central Europe the most widely read novel at the present moment is *The Dangerous Age* Edition succeeds edition and the fortune of the book has been increased by the quarrels it has provoked for it has been much discussed and criticised not on account of its literary value which is incontestable but because of the idea which animates it Shall I confess that it was just this great success and the polemical renown of the novel that roused my suspicions when first I chanced to see the German version of it Contrary to the reputation which our neighbours on the other side of the Vosges like to foist

upon us French literature at the present day is far less noisily scandalous than their own It is only necessary to glance over the advertisements which certain German publishing firms issue at the end of their publications in order to be convinced of this It is amusing to find every kind of puff couched in the exaggerated style which the modern German affects About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
