**The Dangerous Age** Karin Michaelis, 1911      *A Dangerous Age* Ellen Gilchrist, 2025-04-08 The winner of the National Book Award returns with a moving story of a family of women drawn together by the trials of the times The women in the Hand family are no strangers to either controversy or sadness Those traits seem in fact to be a part of their family's heritage one that stretches back through several generations and many wars *A Dangerous Age* is a celebration of the strength of these women and of the bonds of blood and shared loss that hold them together Louise Winifred and Olivia are reconnecting the pieces of their lives and rediscovering love but each is unwittingly on a collision course with a seemingly distant war that is really never more than a breath away By turns humorous and heartbreaking this finely honed novel about the centuries old struggle for women who are left to carry on with life when their men go off to war is by a writer the Washington Post says should be declared a national cultural treasure

**The Novel, Volume 2** Franco Moretti, 2022-04-12 Nearly as global in its ambition and sweep as its subject Franco Moretti's *The Novel* is a watershed event in the understanding of the first truly planetary literary form A translated selection from the epic five volume Italian *Il Romanzo* 2001 2003 *The Novel*'s two volumes are a unified multiauthored reference work containing more than one hundred specially commissioned essays by leading contemporary critics from around the world Providing the first international comparative reassessment of the novel these essential volumes reveal the form in unprecedented depth and breadth as a great cultural social and human phenomenon that stretches from the ancient Greeks to today where modernity itself is unimaginable without the genre By viewing the novel as much more than an aesthetic form this landmark collection demonstrates how the genre has transformed human emotions and behavior and the very perception of reality Historical statistical and formal analyses show the novel as a complex literary system in which new forms proliferate in every period and place Volume 2 *Forms and Themes* views the novel primarily from the inside examining its many formal arrangements and recurrent thematic manifestations and looking at the plurality of the genre and its lineages These books will be essential reading for all students and scholars of literature

*The Dangerous Age* Karin Michaelis, 2015-05-08 Apparently I was not meant for married life Otherwise I should have lived happily for ever and a day with you and you know that was not the case But you are not to blame I wish in my heart of hearts that I had something to reproach you with but I have nothing against you of any sort or kind It was a great mistake a cowardly act to promise you yesterday that I would return if I regretted my decision I know I shall never regret it But in making such a promise I am directly hindering you Forgive me dear friend but it is not impossible that you may some day meet a

***Dangerous Age***, 1913      *Comedy and the Feminine Middlebrow Novel* Erica Brown, 2015-10-06 Elizabeth von Arnim and Elizabeth Taylor wrote witty and entertaining novels about the domestic lives of middle class women Widely read and enjoyed their work was often dismissed as middlebrow Brown argues their skilful use of comedy and irony provided the receptive reader with subversive commentary on the cruelties and disappointments of life      *Current Literature* Edward

Jewitt Wheeler,1921      **A Dangerous Age** Kelly Killoren,Teresa DiFalco,2016-06-07 Four best friends Lucy whose marriage is crumbling Sarah an actress in danger of losing her socialite standing Billy an aspiring cuisine artist and Lotta a party girl art dealer endure a sweltering Manhattan summer marked by self destructiveness and the end of their carefree years      The Unitarian Advance ,1912      **Contemporary American Fiction in the Embrace of the Digital Age** Beatrice Pire,Arnaud Regnauld,Pierre-Louis Patoine,2021-12-31 This collection aims to examine the relationship between American fiction and innovations that marked the first decades of the 21st century the Internet social media smart objects and environments artificial intelligence nanotechnologies genetic engineering and other biotechnologies transhumanism These technological innovations redefine the way we live in and imagine our world interact with each other and understand the human being in his or her ever closer relationship to the machine a human being no longer as in the past cared for or repaired but now enhanced or replaced What about our artistic and cultural practices Are these recent advances changing language and literature How is fiction transformed by technological progress and what representations of progress can it oppose Can fiction offer a critique of the new media and the upheavals they precipitate How does the temporality of literature respond to a technical time subjected to the imperative of efficiency where the present is a slave to the future Do virtual worlds challenge the primacy of literary fiction as a privileged mode of escape from daily life In a context where software can generate literary works can the force of poetical advent still oppose algorithmic logics What becomes of the body in a world in which its technical extensions increase the externalization of its cognitive functions in media artifacts and digital networks In order to explore these questions scholars here investigate the American fiction of Russell Banks Don DeLillo David Foster Wallace Jonathan Lethem Tao Lin Richard Powers Kenneth Goldsmith Jennifer Egan or Jonathan Franzen as well as the Cyberpunk genre and the Neuronovel      Joyce, Bakhtin, and Popular Literature R. B. Kershner,2014-02-01 The sheer mass of allusion to popular literature in the writings of James Joyce is daunting Using theories developed by Russian critic Mikhail Bakhtin R B Kershner analyzes how Joyce made use of popular literature in such early works as Stephen Hero Dubliners A Portrait of an Artist as a Young Man and Exiles Kershner also examines Joyce s use of rhetoric the relationship between narrator and protagonist and the interplay of voices whether personal literary or subliterary in Joyce s writing In pointing out the prolific allusions in Joyce to newspapers children s books popular novels and even pornography Kershner shows how each of these contributes to the structures of consciousness of Joyce s various characters all of whom write and rewrite themselves in terms of the texts they read in their youth He also investigates the intertextual role of many popular books to which Joyce alludes in his writings and letters or which he owned some well known others now obscure Kershner presents Joyce as a writer with a high degrees of social consciousness whose writings highlight the conflicting ideologies of the Irish bourgeoisie In exploring the social dimension of Joyce s writing he calls upon such important contemporary thinkers as Jameston Althusser Barthes and Lacan in addition to Bakhtin Joyce s literary response to his historical situation was not polemical

Kershner argues but in Bakhtin's terms dialogical his writings represent an unremitting dialogue with the discordant but powerful voices of his day many inaudible to us now Joyce Bakhtin and Popular Literature places Joyce within the social and intellectual context of his time Through stylistic social and ideological analysis Kershner gives us a fuller grasp of the complexity of Joyce's earlier writings *The London Mercury* Sir John Collings Squire, 1921 **MARY ELIZABETH**
