Randall S. Rosenberg, 2017-06-16 In *The Givenness of Desire* Randall S. Rosenberg examines the human desire for God through the lens of Lonergan's concrete subjectivity Rosenberg engages and integrates two major scholarly developments the tension between Neo Thomists and scholars of Henri de Lubac over our natural desire to see God and the theological appropriation

of the mimetic theory of Ren Girard with an emphasis on the saints as models of desire With Lonergan as an integrating thread the author engages a variety of thinkers including Hans Urs von Balthasar Jean Luc Marion Ren Girard James Alison Lawrence Feingold and John Milbank among others The theme of concrete subjectivity helps to resist the tendency of equating too easily the natural desire for being with the natural desire for God without at the same time acknowledging the widespread distortion of desire found in the consumer culture that infects contemporary life The Givenness of Desire investigates our paradoxical desire for God that is rooted in both the natural and supernatural

Morality in Discourse Michael Haugh, Rosina Márquez-Reiter, 2025-01-12 Morality is pervasive touching all aspects of social life The contributors to this volume provide an introduction to research on how morality is socially constructed in and through discourse and the implications of this for the empirical analysis and theorization of morality The volume addresses both how morality gets done through everyday practices as well as the practical concerns that discussions of morality inevitably entail It does so by delving into how morality is socially constructed in an array of communicative environments through the lens of a range of different discourse analytic traditions Drawing on the conceptual tools of moral stance positioning responsiveness and authority the chapters address the ways in which morality is enacted interactionally negotiated contested and policed What emerges from these discussions and analyses is an understanding of morality from a discursive perspective that encompasses both morality as action in which moral stances become the articulated object of action and moral framing in which the situated context itself is morally charged for evaluation

Phillips Crute,2022-05-04 Even if you think you don t need any help with your life I am sure there is someone in your orbit that you love that does By understanding the principles and information in this book you can help them And I believe almost everyone has someone they wish to help It is frustrating when you want to help but don t know how That might not be enough reason for you to want to buy this book So let s go into what you learn from it We all are governed by the rules of the spirit world I call these rules AVP the Alternate Viewpoint System You will not only learn how the spirit world operates but what to expect when you get there I think that piece of information would be valuable since fear of death is really fear of the unknown This book was my task from before my previous life as Elizabeth Reilly Yes my veil was lifted in 1989 I had a need to know you see So that brings us to the most important obstacle to using AVP The entire system is predicated on the FACT that we have all lived before That s why I couldn t proceed until Sharon Holt did her job Yes that

was a planned event When you accept the fact that you have lived before you can also accept that you are in the proper place to learn lessons the real reason we are here That means you don't need to be jealous envious covetous or do anything harmful against anyone If you read this book you will know how to fight temptation and desire You will learn to purge your past of negative traits Then of course you will learn how to purge the negative out of your heart and replace it with love kindness humility and forgiveness vital for a pure heart and required to get into heaven *Barcelona's Vocation of Modernity* Joan Ramon Resina, 2008-07-09 Barcelona's Vocation of Modernity is a study of the emergence and development of the cultural image of the Iberian peninsula's foremost modern city **The Dark Side of Close Relationships** Brian H.
