The Day Of The Beast:

The Apocalypse interpreted in the light of "the day of the Lord." Rev. James Kelly, 1851 *The Apocalypse Interpreted in the Light of "the Day of the Lord."* By the Rev. James Kelly. [With the Text]., 1851 **The Day of the Lord, Second Edition** Louis Diedricks, 2013-08-09 The Day of the Lord Second Edition once again investigates the Bibles apocalyptic texts and reveals flaws in current interpretations helping readers to clarify the ties between the Bibles prophecies of the end of days and events unfolding in contemporary culture Author Louis Diedricks harvests the fruits of years of biblical study and of his reflections on current events in explaining the day of the Lord After providing a forewarning of intense imagery and descriptions in the Bibles apocalyptic texts The Day of the Lord devotes most of its chapters to intensively examining the Bibles Revelation Several chapters also focus on end time portions of the Old Testaments Daniel In the end The Day of the Lord affords readers with the insights needed to make choices about whether they wish to believe in Gods Word and live a prudent and just life or whether they wish to not believe in Gods word so that they may live for their flesh resulting in immoral and unjust works If you have harbored curiosity and perhaps even fear about what the Bible really says about the end of days or if you have wondered about the meaning of the events unfolding in the world today then The Day of the Lord can guide you to making sense of the present day in light of the Scriptures witness to Gods plans **The Day of The Lord Commentary** Greg Hinnant, 2021-08-10 The Old Testament is richly laden with prophecies and foreshadowings of the last days Having never researched its treasures however many Christians possess a lopsided exclusively New Testament understanding of End Times prophecy The Day of the Lord Commentary meticulously examines every Old Testament text foretelling or foreshadowing the dramatic people and events that consummate God s prophetic plan terminate this world order and inaugurate Christ s unprecedentedly righteous peaceful worldwide kingdom on earth Only the Bible accurately interpreted establishes accurate End Times views This commentary s abundant biblical cross references lay a deep broad foundation for a clear accurate eschatology It will amaze you how often and how specifically Old and New Testament prophets agree All see the same final events and in the same order Tribulation Armageddon Millennium This in depth study gives special attention to the Old Testament s less known little apocalypses in Isaiah Jeremiah Ezekiel Daniel and Zechariah and identifies their many links to John s well known apocalypse Revelation Soundly refuting Supersessionism it explains why God has regathered the Jews reestablished the State of Israel and preserved it against all odds Israel s Day of the Lord is coming Book Review 1 Greg Hinnant s monumental work The Day of the Lord Commentary is a must read for anyone interested in the final summation of End Times events Greg takes the reader on an extraordinary journey through the Old Testament with three dimensional glasses that allows one to see direct references and indirect typology concerning the great drama of redemption as it moves to its conclusion This may be the foremost study of its kind on this topic Dr Charles H Gaulden Old Testament Professor Southeastern University Book Review 2 It is exceptionally common in eschatological study

to focus almost exclusively on the New Testament yet such an approach ignores Paul's admonition that all scripture is inspired 2 Timothy 3:16-17 The Day of the Lord Commentary provides a systematic overview of important references to the impending Day of the Lord found throughout the Old Testament and weaves these prophetic expectations into one seamless tapestry throughout the whole Bible Dr Ran Whitley DMin PhD Professor Campbell University Book Review 3 Though a Bible student all my life certain passages remained obscure and confusing The Day of the Lord Commentary has changed all of this as these formerly confusing passages have now come alive This book's depth and insight into the Old Testament is astounding How Greg was able to mine through all the rock and rubble of confusing Bible prophecy to access these precious stones of biblical revelation is truly a gift This work is a must read for all who desire a deeper understanding of God's Word and a valuable resource for ministers to shed light and understanding on the gospel message we proclaim Sherri Leith Senior Pastor Family Worship Center Port Orchard Washington Book Review 4 The Day of the Lord Commentary provides an in depth study of biblical eschatology Using a detailed comparative analysis of the eschatological oracles scattered throughout the Hebrew Bible Greg lays out a theological roadmap for understanding God's plan for Israel and the nations This book written from a Christian perspective tackles some of the most intriguing End Times prophecies recorded in Israel's sacred scriptures Pastors preachers and Bible teachers will greatly benefit from this thought provoking volume Dr Igal German Founding Director Yesod Bible Center and International Biblical Apologetics Association bibleapologist.org

Untying the Mystery: The Day of the Lord Shane Carter, 2021-06-30 We are about to take a journey that will lead us to a revelation that is the underlining theme of the Word of God the very manifestation of his glory This revelation is one of the most misunderstood phenomena in the scripture It relates the most glorious event to ever unfold on planet Earth the Day of the Lord What is the Day of the Lord you ask Untying this mystery with its vast implications is the task at hand There are many speculations and opinions formed that have not arrived at the core of this truth Most ideas point to a time when God releases all his fury against this world during the final seventieth week of Daniel's chapter 9 prophecy Although God's wrath is just and no doubt will be expressed during the Day of the Lord is this what this day is all about or is there much more Before we begin we should understand this foundational truth to life and its meaning God is good This does not mean he is one type of good or that there is more than one kind of goodness God is the source and authority of all good It is who he is In Matthew 19:17 Jesus said There is none good but one that is God Since God is the only source of good only he can understand judge and administer good When Moses asked for God's name and he responded I am that I am He dropped a bombshell Everything good that was is and will be is I am Not only did he create everything physical solids liquids and gases and spiritual our thoughts dreams goals strengths and all other things he also causes them to exist because he is the I am He is not I have To increase our understanding we should know that God is three distinctive personalities that function as one Lord God is the Lord's corporate name The best way to conceptualize this is to consider who we are in his image We are composed of spirit soul and body that function as one Our bodies have many members a head arms legs eyes ears etc They have their different functions but move together as one The Triune God is invisible to us since our earthly eyes cannot behold his greatness We cannot behold the sun without protection and God is greater than the sun So how can we relate to each

other He chose to accomplish this through his Son Jesus Christ Jesus is one of the three distinctive personalities Jesus is God's glory his light the exact image of his person and the expression of his heart *Annihilation no Punishment to the Wicked, after the Day of Judgment; or, the Curse of God on Adam's eating the forbidden fruit; as proved from Scripture* Philip BURTON (Writer on Theology.),1792 *The Day of Yahweh* William Arthur Heidel,1929 **The Day of God** Tony Butler,2019-12-17 And he shall send Jesus Christ which before was preached unto you Whom the heaven must receive until the times of restitution of all things which God hath spoken by the mouth of all his holy prophets since the world began Acts 3 2021 One must come to understand that the Bible's history and revelation are not randomly told The biblical narrative drives toward a single endpoint The Day of God Once the believer realizes this he will begin to recognize the fully integrated plan of God in the Bible He will learn to read all Scripture from the perspective of its cohesion and the end to which all history and revelation point Some would say the Bible should be understood from the Resurrection of Christ backward I would contend the Bible should be viewed from the Day of God backward In this book the reader will come to a clear understanding of what the Bible means by the restitution of all things The Day of God is written dedicated and offered to help the believer understand God's revealed plan for the last days *The Annunciation of the Eden Age* Samuel O. McClung,1906

Discerning the Day of the Lord Russell Stendal,2021-04-09 The darkness that will come upon the people of God at the beginning of the day of the Lord shall not be the same as the affliction that came upon her when Jesus came the first time The end of the age of grace will not be as dark as the end of the age of the law because the Gentile people that walked in darkness have seen a great light those that dwell in the land of the shadow of death upon them has the light shined Yes it's true that great apostasy has engulfed much of Western Europe and seems to be making quite a bit of headway in North America But what about places to name a few such as China Iran Egypt Venezuela Cuba Brazil Colombia Africa and even India where the gospel is surging Most of the end time harvest is taking place under great adversity and persecution So for now it can be said As thou hast multiplied the nation the people of God thou hast not increased the joy But the day of the Lord will be the biggest game changer ever seen in human history For those among the people of God who have clean hearts when Jesus returns They shall rejoice before thee as they rejoice in the harvest and as men rejoice when they divide the spoil even as all the kingdoms of this world crumble and come down The vision of Isaiah is a prophetic hub placed in the middle of the Scriptures with ties to almost every book in the Bible most are footnoted in this work There are living parables of events that actually happened during the lifetime of Isaiah prophecies regarding Judah and Jerusalem with both a near and a far fulfillment all interwoven with messianic prophecy depicting events surrounding the first and second comings of Jesus Christ the final judgment and the new creation with new heavens and a new earth A central theme of Isaiah relates to the day of the LORD as does the book of Revelation We know there is a special blessing on the seventh day Genesis 2:3 Scripture also defines what some call a prophetic day mentioned in both the unique Psalm attributed to Moses For a thousand years in thy

sight are but as yesterday when it is past and as a watch in the night Psalm 90 4 and by Simon Peter But beloved be not ignorant of this one thing that one day before the Lord is as a thousand years and a thousand years are as one day 2 Peter 3 8 Human history has now entered into the beginning of the seventh millennium since the creation of Adam according to the years and generations meticulously recorded in Scripture There is however the possibility of two distinct timelines one dating from the creation of Adam and the other dating from the fall of man when the present world system founded on lies devised by Satan began Scripture does not specify exactly when the curse was pronounced and Adam and Eve were expelled from the Garden of Eden The original world created by God and founded on truth was pronounced very good It s clear however that Satan subverted the authority God had placed on Adam and this sorry situation will not be corrected until the day of the Lord the seventh millennium We now appear to be in an ambiguous period in which it s clear no matter what relatively minor discrepancies there may be in our calendar that more than six thousand years have passed since the creation of Adam However it does not appear that six thousand years have gone by since the fall of man If the seventh prophetic day begins with the demise of Satan and the promise he will be bound for a thousand years the first resurrection of those who will reign and rule with Christ for a thousand years and the return of Jesus Christ then it s also clear that the prophesied day of the LORD has not yet begun although it may be very close This is when religion that has been contaminated by man by humanism and manipulated by the devil will all come down The pure and undefiled religion before God and the Father is this To visit the fatherless and widows in their tribulation and to keep thyself unspotted by the world James 1 27 As we enter the end time events described by Isaiah it s good to keep in mind that there is a substantial godly remnant containing true ministers servants of God who like Isaiah have been cleansed by the fire of God and commissioned from the throne and who have authority to represent God according to his will They desire to see the people entrusted to their care joined to the Lord Jesus so that all of God s people may have intimate communion with him and with the Father by the Holy Spirit This is the only covering that will provide secure protection How much time do we have left I think we probably do have a little time but not a lot The world situation around us is not improving It is in fact degenerating rapidly even though some countries are experiencing spiritual revival We can expect things to continue to polarize as the bride of Christ is cleansed and purified and as Babylon the Great continues to degenerate The evil in the world will soon pass a threshold that will trigger the indignation and wrath of God the Father and Jesus will soon return for a bride without spot or wrinkle or any such thing These two things seem to happen in very close succession on the day of the Lord There are other prophetic markers that may bear watching The two thousandth anniversaries of the beginning of the ministry of Jesus of his death and resurrection of the outpouring of the Holy Spirit on the day of Pentecost and of the destruction of Jerusalem and the temple are all coming up within what many of us can expect to be our lifetime Even if the coming of the Lord should be delayed so that more people can be given the opportunity to be saved we are told to always be ready None of us knows when our own death will take place and when

we could be suddenly thrust into the presence of God Russell M Stendal December 17 2020 Bogot Colombia
