**Sunset over Happy Farm** Mark Thomas McDonough,2019-04-17 On the surface Derrick James is a mild mannered socially awkward attorney who works a modest federal government job While Derrick lacks any particular legal acumen or academic prowess and possesses modest legal writing skills everywhere he goes and whatever he does Derrick inevitably and always makes his way to the top of the pyramid Possessing an unflappable mental skill set and seldom suffering fools lightly he accomplishes what needs to be done and he does it superbly well much to the chagrin of his peers In the twilight of his legal career Derrick finds himself working in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the world begins a get out of debt project and ponders how he got to here In doing all of this he

constantly runs into the ghosts of his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously nicknames The Happy Farm Within the realm of his forced retirement and even as life's ghosts taunt him Derrick finds that truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him as the sun sets over The Happy Farm      Stone Richard Hampton,2021-11-18 Stone By Richard Hampton About the Author Richard D Hampton Born 1 24 1952 Coldwater Michigan Lived in a house that set next to M 60 In the small town of Burlington Father Willard Hampton Mother Dorothy They lived in Burlington for the next four years Richard never forgets One of his first memories was that of a tanker truck hitting a tree in front of his house His father and uncle brought the man in still on fire screaming for help He set back in the dark stairs just four years old unnoticed and watched everything as the dark burnt man screamed repeatedly until he could no longer scream The kitchen filled with smell and smoke and the man was nearly all black and smoking He was smoldering Richard never forgot anything His brothers Terry and Tom were responsible for Richard most of the time They got caught in a big storm Snow came down so thick you had a hard time seeing one another Richards boots were packed with compressed snow The snow got up to his waste He did his best He was wet and shaking There was a large pack of coyotes following them Richard was losing his boots and walking barefoot in the deep snow They were in great danger from freezing to death or being attacked by coyotes They had one 22 single shot Winchester You might hold them off for just a short while When that sun goes down they were going to be in serious trouble He was shaking uncontrollably walking so slowly His pants were stiff frozen ice cutting into his ankles Richard was six They almost made it Richard stopped about a hundred yards from home and just sit down His father carried him Richard had an unbelievable life He filled his duty to USA and was injured twice His best friend died about a foot away from him He spent weeks in the army hospitals He was part of a special unit that gathered and analyzed top secret information He has been all over the world He is well educated in business and engineering He built his own business and managed a few for others He been reading books since he was five His favorites were the jungle book The tale of two cities and the works of Joseph flavius He is someone everyone should meet and get to know General George Patton Jr president and Ford knew him This book was written because he was reading so much history about the area and time period He had been there before If you meet one man in your life time it should be Richard Hampton To my brother who helped my sister who believed and my wife for tolerating me Thanks for your support R D H      They Said It Couldn't Happen . . .
