Маргарет Олифант,2017-05-02 *The Days of My Life: An Autobiography* Margaret Oliphant Wilson Oliphant,2020-09-28 I WAS going home from the village and it was an autumn evening just after sunset when every crop was cut and housed in our level country and when the fields of stubble and browned grass had nothing on them except here and there a tree They say our bare flats in Cambridgeshire are neither picturesque nor beautiful I cannot say for that but I know no landscape has ever caught my eye like the long line of sunburnt wiry grass and the great wide arch above with all its shades of beautiful color There were no hedgerows to skirt the path on which I was and I saw nothing between me and the sky save a solitary figure stalking along the highway and in the other direction the clump of trees which surrounded Cottiswoode the sky in the west was still full of the colors of the sunset and from the horizon it rose upward in a multitude of tints and shades the orange and red melting into a rosy flush which contrasted for a while and then fell into the sweet calm peaceful tone of the full blue In the time of the year and the look of the night there was alike that indescribable composure and satisfaction which are in the

sunny evenings after harvest the work was done the day was fading everything was going home the rooks sailed over the sky and the laborer trudged across the moor Labor was over and provision made and the evening and the night peace and refreshment and rest were coming for every man I do not suppose I noticed this at the time but I have the strongest impression of it all in my remembrance now And I was passing along as I always did quickly and perhaps with a firmer and a steadier step than was usual to girls of my years swinging in my hand a bit of briony which for the sake of its beautiful berries I was carrying home but which stood a good chance of being destroyed before we got there not taking leisure to look much about me thinking of nothing particular with a little air of the superior the lady of the manor in my independent carriage a little pride of proprietorship in my firm footstep      The Days of my Life Margaret Oliphant,2025-08-20 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *All the Days of My Life: An Autobiography* Amelia E. The Days of My Life David Arias, 2017-06-07 This is an Autobiography based on the days of my life from the day I was born until today *Days of My Life* Zohair Sebai, 2019-10-01 My aim is to present some glimpses into my life What should I say And should I tell everything that there is to be told That is impossible because we all have areas of our lives that we would rather keep to ourselves and not share with anyone else A human being is a mystery Therefore I cannot claim that my writing will be characterized by objectivity How objective can one be when talking about oneself I can easily state that the reason for writing my story is to shed some light on my experiences in life the sweet with the bitter may serve as valuable lessons for the youth What is more difficult is to admit that writing my story is actually a personal journey to self discovery This story can be split into different stages growing up in Makkah my education and travels in Egypt Germany and America and finally my struggle up the career ladder My deep appreciation goes to Mrs Amal Sebai and Mrs Mercy Larbi for translating the book into English *The Darkest Days of My Life in the U.s. and Iran* Mahnaz B.
