## **The Deadly Assignment:**

The Deadly Assignment Stephanie Griffith, 2004-05-15 Rick Dellinger a marine biologist has been called to one of the toughest assignments he has ever been given The only thing he knows is that several people have been killed while swimming in the coastal waters While on the assignment he meets up with a fellow marine biologist and former girlfriend Kelly Anderson Together they work with the help of two other marine biologists in pursuit of the most terrifying creature under the sea The Deadly Assignment combines the best elements of the deep sea traditions such as the Jaws series The Deep The Beast Deep Blue Sea and even Sea Hunt on 1950s television It explores the uncanny horror of the beasts from beneath the waves and our primeval fear of them The Deadly Assignment grabs readers by the limbic lobe of sheer fright and squeezes them from page one

Unsolved Abduction Jill Elizabeth Nelson, 2022-04-26 The answers to a cold case kidnapping lie hidden in her memory Widowed Carina Collins can't remember her parents murder or her own childhood kidnapping But when she and her eighteen month old son are attacked in their new home they must turn to neighbor Ryder Jameson for protection He's convinced Carina's mysterious past is colliding with the present And when uncovered answers bring more questions all roads point a little too close to home From Love Inspired Suspense Courage Danger Faith **The Assignments** Phillip Omodeni, 2015-02-05 This book The Assignments was inspired when my son Timothy was seriously ill and admitted into hospital while we the parents were abroad on a visit to family and friends He was diagnosed with bacterial meningitis and was in a coma for almost a week The doctors were negative and very discouraging We declare and engaged the sprinkling blood as a spiritual disinfectant against the bacteria called meningitis We also stood in prayer by faith that was hung on the revelation that this is an assignment for God Our son was restored unscratched Praise God Jonahs and Mosess experiences by their assignments were contrasted in the book and it was concluded that for every given assignment there is a God driven plan A vision given by God is a vision driven by God Phillip Omodeni

Johnstone,J.A. Johnstone,2017-01-01 The legendary sheriff who tamed Tombstone Arizona comes to vivid life in this historical Western series debut by the acclaimed authors of Savage Texas John Horton Slaughter s life story reads like a history of the American West itself He s been a Civil War soldier a trail driver a cattleman and a Texas Ranger Now Slaughter begins a new chapter as sheriff of the wildest town in the West It s been barely a decade since the notorious gunfight at the O K Corral Rustlers and outlaws still terrorize the land and the good citizens of Tombstone are at the end of their ropes Good thing Texas John Slaughter is the toughest lawman west of the Rio Grande With a backbone of steel to match the iron law of his badge Texas John is determined to bring peace to this parched desert hell even if it kills him Which it just might When word gets out about an untapped vein of silver in the Dragoon Mountains every man in town heads for the hills The streets of Tombstone are an easy target for raiders looters and one gang of outlaws foolish enough to kidnap Slaughter s own wife      **Regrettable Relatives** Rev Emmanuel Oghene-Emmanuel,2021-10-25 There have been all sorts of relatives since the time of Cain and

Abel Joseph and his elder brothers Laban against Jacob as well as Esau and Jacob As things turned out David wished his nephews the sons of Zeruiah one of his sisters had not joined his army They had a lusty craving for violence without reverence for God and immediate reality whereas David revered God above anything else You and I need God to shield us from the troubles that relatives constitute Some are more of a curse than a blessing **The Deception** Laura

Gallier,2019-09-03 Praise for The Delusion Series I encourage you to read The Delusion It triggers your imagination about the realities of spiritual warfare Jase Robertson Duck Dynasty Less than a year after the horrific Masonville High shooting Owen is determined to uncover why the Creepers have converged on his land and the school a necessary step in his mission to drive evil forces out of his town A supernatural visitor tests Owen s ability to discern between truth and lies as the community is rocked by abductions and disappearances While the town comes together to find those who are missing Owen must fight to discover what is real and what is part of a strategy to distract him from his true purpose Will Owen s courage and conviction waver or hold firm as he to fights to free Masonville from the demonic forces threatening to tear the town apart *James B. Conant: Harvard to Hiroshima and the Making of the Nuclear Age* James Hershberg,2019-07-31 James B Conant 1893 1978 was one of the titans of mid 20th century American history attaining prominence and power in multiple fields Usually remembered as an educational leader he was president of Harvard University for two tumultuous decades from the Depression to World War II to the Cold War and McCarthyism To take that job he gave up a scientific career as one of the country s top chemists and he left it twenty years later to become Eisenhower s top diplomat in postwar Germany Hershberg s prize winning study however examines a critical aspect of Conant s life that was long obscured by government secrecy his pivotal role in the birth of the nuclear age During World War II as an advisor to Roosevelt and then Truman on the elite Interim Committee that considered how to employ the bomb against Japan Conant was intimately involved in the decisions to build and use the atomic bomb During and after the Manhattan Project he also led efforts to prevent a postwar nuclear arms race between the United States and the Soviet Union that he feared threatened the survival of civilization an apocalyptic prospect he glimpsed in the first instant of the new age when he witnessed the first test of the new weapon at Alamogordo on July 16 1945 a vivid inquiry a model of historiography evocative reading Conant was central to atomic policy and progress the bomb would be as much Conant s as it was anyone s in Government His inner response to that burden responsibility has long been obscured but it is illumined here Philip Morrison The New York Times Book Review In his splendid portrait of Conant James Hershberg has illuminated the life of a pivotal figure in the making of U S nuclear scientific educational and foreign policy for almost a half century But the book is much more It is not only an insightful narration of Conant s life it is also a brilliant and important account of the making of the nuclear age a chronicle that contains much that is new Hershberg s superb study is a chronicle of Conant s moral journey and we are the wiser for his having charted Conant s path S S Schweber Washington Post Book World James G Hershberg ably comes to grips with Conant and his hazardous times His

book is vibrantly written and compelling and it breaches Conant's shield of public discretion in masterly fashion making extensive use of unpublished interviews diaries reports and correspondence pried from private and governmental repositories It is a huge ambitious work a history of the Cold War as Conant encountered it as well as a study of the man Daniel J Kevles *The New Yorker* a well written comprehensive nonjudgmental but sensitive biography Conant was involved in so many and such critical events that students of almost any aspect of our public life over the past half century will find useful the new material and helpful insights in this book This fine biography of one of the most important and complicated of America's twentieth century leaders immediately establishes James Hershberg as one of America's outstanding young historians Stephen E Ambrose *Foreign Affairs* magnificent Any reader interested in nuclear weapons Cold War history or American politics from FDR to JFK will find this biography riveting Priscilla McMillan *Chicago Tribune* masterful The prose is clear the narrative forceful and the author's judgments are balanced and judicious This is simply splendid biography The highest praise one can give for a book of this sort is that the historian has not shrunk from speaking truth to power This book quietly but insistently does so It should be read by the public at large as one of the definitive texts on the cold war and the nuclear age Hershberg's triumph is that he has prevailed over all the official lies to give us one more layer of the historical truth Kai Bird *The Nation* riveting an impressive achievement honest and comprehensive in its scholarship the author has shown himself to be a historian of notable achievement and promise McGeorge Bundy *Nature* Hershberg's outstanding balanced biography lifts the self imposed secrecy surrounding a key architect of U S Cold War policy and of the nuclear age *Publisher's Weekly* an impressive and substantial achievement Hershberg has used the life of one strategically placed individual to illuminate the most important issues surrounding America's role and conduct in the nuclear age His book will be invaluable to scholars assessing the impact and legacy of the group who acquired the epithet wise men now that the Cold War has receded Carol S Gruber *Science* definitive a far more textured picture than one finds in Conant's own guarded and unrevealing autobiography an important and rewarding book illuminating Conant led a remarkable and eventful life in remarkable and eventful times James Hershberg has explored that life and those times in exhaustive and revealing detail Paul Boyer *The New Republic* James G Hershberg has achieved the impossible He has written a huge biography of a Harvard president that is fascinating informative and as valuable a piece of American history as anything I have read in years Mr Hershberg has brought us back vividly to an age that seems remote so long ago but the questions about nuclear proliferation are the same even while the answers are still ambiguous As we watch men struggling with unanticipated post Cold War problems and civil wars sprouting like Jason's men at arms it is good to read this story about a complex man who deserves an important place in our history because he helped make that history possible Arnold Beichman *The Washington Times* engrossing A magisterial study of an awesome and intriguing public career *Kirkus Reviews* entertaining thought provocative Dick Teresi *The Wall Street Journal* Hershberg's book helps us more clearly understand the postwar Establishment and offers

a challenging appraisal of the role of elites of universities and of the state Gar Alperovitz In These Times Hershberg deserves great credit for cracking a tough New England walnut analyzing this very important public figure demonstrating how he fit into his own time and showing us what we can learn from the man Daniel R Mortensen The Friday Review of Defense Literature a compelling account an engaging examination of one of the central figures of the nuclear age It succeeds in showing one man s intersection with great events and issues and in the process illuminates those issues for us all American Historical Review well written Conant s participation in one of our country s most dynamic periods is thanks to Hershberg now much better understood Library Journal A reader of the book will enter the realm of the greats the shapers of worlds created by the atomic blasts at Hiroshima and Nagasaki Conant was no bit player in Cold War history the book is very successful in weaving Conant s subsurface persona in with his ups and downs as a prominent and committed public figure And it leaves out little detail in describing top level decisions involving the Cold War geopolitics of nuclear weaponry Conant was a participant in most of these decisions with Presidents Roosevelt and Truman themselves their Secretaries of War and State and of course all the major scientific figures of the time Chemical Engineering News A wonderfully rich portrait that emerges from a carefully documented account of Conant s role in the development of the atomic bomb and post war nuclear policy An extraordinarily well written text Hershberg lays bare the person behind the persona warts dimples and all Stanley Goldberg Bulletin of the Atomic Scientists **The Southern Reporter** ,1914 Includes the decisions of the Supreme Courts of Alabama Florida Louisiana and Mississippi the Appellate Courts of Alabama and Sept 1928 Jan 1929 Jan Mar 1941 the Courts of Appeal of Louisiana *The Southeastern Reporter* ,1890
