The Death Penalty Issues And Answers:

The Death Penalty David Lester, 1998 Is the death penalty a deterrent Is it applied disproportionately to certain ethnic groups How harsh is life on death row In this expanded new edition the author examines these and other controversial issues draws conclusions from the current research and discusses their implication for social policy Topics such as capital punishment policies around the world executions in the United States public opinion on the death penalty juries and the death penalty and economic analyses of the deterrent factor all receive comprehensive coverage Appendices round out this newly revised and updated text with studies on public attitudes toward rape and capital punishment and the deterrent effect of executions on the homicide rate in the United States **The Death Penalty** Scott Vollum, Rolando V. del Carmen, Durant Frantzen, Claudia San Miguel, Kelly Cheeseman, 2014-03-15 The Death Penalty Third Edition brings together all the legal issues related to the death penalty and provides case briefs for the most important United States Supreme Court death penalty cases No other book available brings together a discussion of the major constitutional issues surrounding the death penalty with a broad array of associated case briefs The authors classify cases according to legal issues and provide a commentary on the various sub topics presenting legal materials in an easily understood form Though the primary audiences of the book are undergraduates in criminal justice programs and practitioners in the corrections and justice systems the book will also prove useful to anyone who has an interest in the death penalty the criminal justice system or the United States Constitution Every chapter starts with commentaries regarding general case law in a sub topic such as aggravating and mitigating factors followed by a chart of the cases briefed in the chapter and then the case briefs These case briefs acquaint the reader with Supreme Court cases by summarizing facts issues reasons and holdings The Death Penalty Third Edition is a succinct trusted guide to the law of capital punishment in the United States Offers a large number of case briefs from the most important and most recent Supreme Court decisions involving the death penalty to illustrate evolution of death penalty law and the Constitutional standing of capital punishment Reflects significant shifts in the social and political climate surrounding the death penalty in recent years Provides updated discussion of key death penalty trends and issues including those associated with number of executions wrongful convictions executions public attitudes and support for the death penalty and current controversies surrounding its use **Capital Punishment** C. Cliff, 2003 The issue of capital punishment is a continually debated issue because it calls into question the values and direction of society How is a civilisation supposed to handle lawbreakers Are some crimes so heinous and some people so dangerous that the death penalty is the only appropriate response The United States Constitution prohibits cruel and unusual punishment but opinions on whether that includes capital punishment are vehement on both sides Many states have some form of death penalty and public opinion seems to indicate support of it in principle However many firestorms have erupted recently over the application of the penalty including the topics of its use on minors and those with mental disabilities There are also questions raised about how

much of a factor race plays in a capital sentence Internationally several countries have foresworn the death penalty with certain countries in Europe and the Americas refusing to extradite criminal suspects including suspected terrorists to the US if capital punishment is a possible sentence With such politically flammable and ethically challenging issues hanging over it capital punishment is a vitally important issue to understand To help facilitate that study this book assembles a carefully selected and substantial listing of literature focussing on the death penalty Anyone researching this area of criminal justice will find this book an important tool as it offers easy access to the most relevant works about capital punishment Following the bibliography further access is provided with author title and subject indexes **Handbook of Criminal Justice**

Administration M.A. DuPont-Morales, Michael K. Hooper, Judy H. Schmidt, 2000-09-21 This work addresses perspectives on the judicial correctional and law enforcement components of the criminal justice system including history ethics prevention intervention due process marginalized populations international consequences and demands for professionalism It also examines critical variations in the criminal justice systems of countries worldwide **Federal Probation**, 1988 *The Death Penalty* Rolando V. del Carmen, Scott Vollum, Kelly Cheeseman, Durant Frantzen, Claudia San Miguel, 2010-07-02 Bringing together the major death penalty cases decided by the U S Supreme Court and the legal issues related to the death penalty this text classifies the cases according to legal issues provides commentary on the general case law provides a chart of the cases discussed and then presents the legal materials in an understandable easy to digest case brief format Each chapter includes an outline briefs for cases that include facts holding reasoning and opinions summary and conclusions and internet resources **Death Penalty Cases** Barry Latzer, 2010-10-27 Death Penalty Cases presents significant verbatim excerpts of death penalty decisions from the United States Supreme Court The first chapter introduces the topics discussed throughout the book It also includes a detailed history of the death penalty in the United States After this introduction the remaining eighteen chapters are divided into five parts Foundational Cases Death Eligible Crimes and Persons The Death Penalty Trial Post Conviction Review and Execution Issues The first part consisting of five chapters talks about the mandatory death penalty mitigating evidence and racial bias The next part covers death eligible crimes such as rape and other crimes that do not involve homicide and murder The middle part presents the trial process from choosing the appropriate decision makers through the sentencing decision Followed by this is a chapter focusing on the aftermath of conviction such as claims of innocence The book concludes by exploring issues related to execution such as not executing insane convicts Finally execution methods are presented Provides the most recent case material no need to supplement Topical organization of cases provides a more logical organization for structuring a course Co authors with different perspectives on the death penalty assures complete impartiality of the material Provides the necessary historical background a clear explanation of the current capital case process and an impartial description of the controversies surrounding the death penalty Provides the latest statistics relevant to discussions on the death penalty Clearly explains the different ways in
