The Decoration Day Address And Oration:

Selected Addresses and Orations William Freeman Vilas, 1912 *Essentials of Public Speaking* Robert Irving Fulton, Thomas Clarkson Trueblood, 1910 **The Western Christian Advocate**, 1897 **Oratory in the New South** Waldo W. Braden, 1999-03-01 The thirty years prior to the Civil War were flamboyant and fiery times for the South People had a passion for political issues and an ear for the lusty oratory that could be heard at any gathering social or political In Oratory in the Old South Waldo Braden and his associates looked past the popular myths of that era and uncovered the true nature of the oratory of the times In this sequel to that earlier volume Braden and seven other speech scholars examine the oratory of accommodation that dominated the southern forum in the post Civil War years Speakers of this era they find had to overcome problems of spirit and morale their challenge was to build up the political and personal confidence of a people who were defeated By the same token these speakers had to adapt their oratory to outside influences that had the power to exert military pressure withhold funds and employ negative political coercion The eight essays of the book are developed topically and the issues of racism women s rights states rights industrialization and education are delineated as they weave into the developing story of the New South Among the topics dealt with are the promotion of cultural myths the tactics of Henry W Grady as a propagandist for the New South the oratory of the United Confederate Veterans and the emergence of women as speakers for reform The oft repeated myths and encouragements of the orators helped give southerners the distinction they thought lost a sense of nationalism Once created this cohesive regionalism wrought a power pride and prestige so strong that they defied challenge and made many southerners impervious to change and progress until well after 1950 Oratory in the New South reveals many sources of the South s modern self concept and stands as a unique account of this formative period Monthly Bulletin of the Pasadena Public Library Pasadena Public Library, 1899 **Addresses and Miscellanies** James Fraser Gluck, 1904 *The Ideal Orator*, 1904 Historic Arlington K. Decker, Angus McSween, 1892 **Special collections** Princeton University. Library, 1920 **Modern Eloquence** Ashley Horace Thorndike, 1928 *Columbia University Course in Literature*, 1929 Pole Raising and Speech Making Jennifer Eastman Attebery, 2015-11-01 In Pole Raising and Speech Making author Jennifer Eastman Attebery focuses on the beginnings of the traditional Scandinavian Midsummer celebration and the surrounding spring to summer seasonal festivities in the Rocky Mountain West during the height of Swedish immigration to the area 1880 1917 Combining research in folkloristics and history Attebery explores various ways that immigrants blended traditional Swedish Midsummer related celebrations with local civic celebrations of American Independence Day on July 4 and the Mormons Pioneer Day on July 24 Functioning as multimodal observances with multiple meanings these holidays represent and reconsider ethnicity and panethnicity sacred and secular relationships and the rural and the urban demonstrating how flexible and complex traditional celebrations can be Providing a wealth of detail and information surrounding little studied celebrations and valuable archival and published

primary sources diaries letters speeches newspaper reports and images Pole Raising and Speech Making is proof that non English immigrant culture must be included when discussing American culture It will be of interest to scholars and graduate students in ethnic studies folklore ritual and festival studies and Scandinavian American cultural history **American Mourning** Simon Stow,2017-07-20 How does the way in which a democratic polity mourn its losses shape its political outcomes How might it shape those outcomes American Mourning Tragedy Democracy Resilience answers these questions with a critical study of American public mourning Employing mourning as a lens through which to view the shortcomings of American democracy it offers an argument for a tragic complex and critical mode of mourning that it contrasts with the nationalist romantic and nostalgic responses to loss that currently dominate and damage the polity Offering new readings of key texts in Ancient political thought and American political history it engages debates central to contemporary democratic theory concerned with agonism acknowledgment hope humanism patriotism and political resilience The book outlines new ways of thinking about and responding to terrorism racial conflict and the problems of democratic military return *Lincoln and Liberty* Lucas E. Morel,2015-01-20 Since Abraham Lincoln s death generations of Americans have studied his life presidency and leadership often remaking him into a figure suited to the needs and interests of their own time This illuminating volume takes a different approach to his political thought and practice Here a distinguished group of contributors argue that Lincoln s relevance today is best expressed by rendering an accurate portrait of him in his own era They seek to understand Lincoln as he understood himself and as he attempted to make his ideas clear to his contemporaries What emerges is a portrait of a prudent leader who is driven to return the country to its original principles in order to conserve it The contributors demonstrate that far from advocating an expansion of government beyond its constitutional limits Lincoln defended both the Declaration of Independence and the Constitution In his introduction Justice Clarence Thomas discusses how Lincoln used the ideological and structural underpinnings of those founding documents to defeat slavery and secure the liberties that the Republic was established to protect Other chapters reveal how Lincoln upheld the principle of limited government even as he employed unprecedented war powers Featuring contributions from leading scholars such as Michael Burlingame Allen C Guelzo Fred Kaplan and Matthew Pinsker this innovative collection presents fresh perspectives on Lincoln both as a political thinker and a practical politician Taken together these essays decisively demonstrate that the most iconic American president still has much to teach the modern day student of politics *The Library of Oratory* Chauncey Mitchell Depew,Nathan Haskell Dole,Caroline Ticknor,Thomas Charles Quinn,1902 The Library of Oratory, Ancient and Modern Chauncey Mitchell Depew,Nathan Haskell Dole,Caroline Ticknor,Thomas Charles Quinn,1902 Ohio's Silver-tongued Orator David Dwight Bigger,1901 Frederick Douglass: the Colored Orator Frederic May Holland,1891 Monthly Bulletin of Books Added to the Public Library of the City of Boston Boston Public Library,1907
