*The Defense Diaries of W. Morgan Petty* Brian Bethell, 1985-02-01 Mr Petty announces that his house and garden are a nuclear free zone and tries to fortify his property against a nuclear war *The Defence Diaries of W. Morgan Petty* Brian Bethell, 1984 *Mother Jones Magazine*, 1985-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *The Defence Diaries of W. Morgan Petty* Brian Bethell, 1985 *Nuclear Fictions* Michael Gardiner, 2024-11-30 In this book Michael Gardiner suggests that the conception of the war ending weapon was tied up with a longer commitment to unified space and singular progress The mission for total weapons can be seen rising with the highly technical defensive war of the later nineteenth century and passing through twentieth century atomic research then the targeting of the outsides of commercial empire and the post war consensus with deterrence as its foundation The end of the Cold War brought an opportunity to fully naturalise deterrence but also brought a tacit acceptance of nuclear violence while forms of violence against the individual were rigorously sought out If the world unifying role of deterrence has always been undermined by the rise of rival empires it has also been questioned by critical communities including the consensus sceptics of the 1950s 60s 1980s 90s Nuclear Criticism and readers of nuclear ism millennial campaigns for Scottish independence and twenty first century descriptions of nuclear colonialism Recently it has become more obvious that an Anglosphere concept of worldly deterrence was bound to a singular and ultimately nihilistic idea of progress bio Michael Gardiner is Professor in the Department of English and Comparative Literature at the University of Warwick **Jim Kobak's Kirkus Reviews**, 1985 *Kirkus Reviews*, 1985 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **Nuclear Times**, 1984-10 *British Nuclear Culture* Jonathan Hogg, 2016-01-28 The advent of the atomic bomb the social and cultural impact of nuclear science and the history of the British nuclear state after 1945 is a complex and contested story *British Nuclear Culture* is an important survey that offers a new interpretation of the nuclear century by tracing the tensions between official and unofficial nuclear narratives in British culture In this book Jonathan Hogg argues that nuclear culture was a pervasive and persistent aspect of British life particularly in the years following 1945 This idea is illustrated through detailed analysis of various primary source materials such as newspaper articles government files fictional texts film music and oral testimonies The book introduces unfamiliar sources to students of nuclear and cold war history and offers in depth and critical reflections on the expanding historiography in this area of research Chronologically arranged *British Nuclear Culture* reflects upon and returns to a number of key themes throughout including nuclear anxiety

government policy civil defence nukespeak and nuclear subjectivity individual experience protest and resistance and the influence of the British nuclear state on everyday life The book contains illustrations individual case studies a select bibliography a timeline and a list of helpful online resources for students of nuclear history *Late Cold War Literature and Culture* Daniel Cordle, 2017-03-03 This book analyses the 1980s as a nuclear decade focusing on British and United States fiction Ranging across genres including literary fiction science fiction post apocalyptic fiction graphic novels children's and young adult literature thrillers and horror it shows how pressing nuclear issues were particularly the possibility of nuclear war and how deeply they penetrated the culture It is innovative for its discussion of a nuclear transatlantic placing British and American texts in dialogue with one another for its identification of a vibrant young adult fiction that resonates with more conventionally studied literatures of the period and for its analysis of a politics of vulnerability animating nuclear debates Placing nuclear literature in social and historical contexts it shows how novels and short stories responded not only to nuclear fears but also crystallised contemporary debates about issues of gender the environment society and the economy
