## **The Denver Post Tournament:**

*The Denver Post Tournament* Jay Sanford, 2003 The Denver Post tournament was played from 1915-1947. It began as a statewide competition and developed into America's premier baseball event outside of the major leagues. It was sometimes called The Little World Series or The Western World Series. Baseball Dorothy Seymour Mills, Harold Seymour, 1991-05-30 In *Baseball: The People's Game* Dorothy Seymour Mills and Harold Seymour produce an authoritative multi-volume chronicle of America's national pastime. The first two volumes of this study, *The Early Years* and *The Golden Age*, won universal acclaim. The New York Times wrote that they will grip every American who has invested part of his youth and dreams in the sport while The Boston Globe called them irresistible. Now in *The People's Game* the authors offer the first book devoted entirely to the history of the game outside of the professional leagues, revealing how from its early beginnings up to World War II baseball truly became the great American pastime. They explore the bond between baseball and boys through the decades, the game's place in institutions from colleges to prisons to the armed forces, the rise of women's baseball that coincided with nineteenth-century feminism and the struggles of black players and clubs from the later years of slavery up to the Second World War. Whether discussing the birth of softball or the origins of the seventh-inning stretch, the Seymours enrich their extensive research with fascinating details and entertaining anecdotes as well as a wealth of baseball experience. *The People's Game* brings to life the central role of baseball for generations of Americans. Note: On August 2, 2010, Oxford University Press made public that it would credit Dorothy Seymour Mills as co-author of the three baseball histories previously authored solely by her late husband, Harold Seymour: *The Early Years* (1960), *Baseball: The Golden Age* (1971), and *Baseball: The People's Game* (1991). Baseball in Denver Matthew Kasper Repplinger II, 2013-05-20 Images of Baseball *Baseball in Denver* shares the city's prominent role in America's great game. The lore of baseball's first pioneers plays out in a real-life soap opera for this Western city. From the early Hall of Fame players to the storied baseball talent barons of Denver's primitive days, baseball has always been on the forefront of the Denver sports horizon. From Tinker to Satchel Paige to The Babe himself, the Mile High City has been a barnstormers' oasis in a town that was nothing short of the Wild West. The Denver Post Tournament and the rich history of the Denver Bears are highlighted as well as the many fields and landmarks throughout the city. With the inception of the Colorado Rockies, Denver once again set the stage for big league baseball, which many of Denver's local baseball legends have been no stranger to. *The Denver Post Tournament and Pre-organized Baseball Integration* Eric Mark Stoneberg, 2009 This thesis looks at the Denver post tournament and how it helped erode the walls of segregation by proving to white America that African American baseball players were talented and had the ability to fill stadiums nationwide. Leaf 125 **The Negro Leagues, 1869-1960** Leslie A. Heaphy, 2015-03-13 At his induction into the Baseball Hall of Fame, former Negro League player Buck Leonard said, "Now we in the Negro Leagues felt like we were contributing something to baseball too when we were playing. We loved the game. But we thought that we should

have and could have made the major leagues The Negro Leagues had some of the best talent in baseball but from their earliest days the players were segregated from those leagues that received all the recognition This history of the Negro Leagues begins with the second half of the 19th century and the early attempts by African American players to be allowed to play with white teammates and progresses through the Gentleman s Agreement in the 1890s which kept baseball segregated The establishment of the first successful Negro League in 1920 is covered and various aspects of the game for the players discussed lodgings travel accommodations families difficulties because of race off season jobs play and life in Latin America In 1960 the Birmingham Black Barons went out of business and took the Negro Leagues with them There are many stories of individual players owners umpires and others involved with the Negro Leagues in the U S and Latin America along with photos appendices notes bibliography and index

Baseball and the House of David P.J. Dragseth,2021-03-08 House of David barnstorming baseball 1915 1957 was played without pre determined schedules leagues player statistics or standings The Davids quickly gained popularity for their hirsute appearance and flashy fast paced style of play During their 200 seasons they travelled as many as 30 000 miles criss crossing the United States Canada and Mexico The Benton Harbor teams invented the pepper game and were winners year after year becoming legends in barnstorming baseball Initially a loose affiliation of players the Davids expanded to three teams Western Central and Eastern as their reputation grew and hired outsiders to fill the rosters Prominent among them were pitchers Grover Cleveland Alexander and Charlie Chief Bender both player managers in the early 1930s They resisted the color barrier eagerly facing Negro League teams everywhere In 1934 before their largest crowd to date they defeated the first Negro team invited to the famed Denver Post Tournament the great Kansas City Monarchs for the championship

**The House of David: Baseball Team** Joel Hawkins,Terry Bertolino,2000-10-09 The Israelite House of David was founded in 1903 as a religious colony in Benton Harbor Michigan An entrepreneurial group of worshippers the colony contributed much to the community including a traveling baseball team that toured the United States Canada and Mexico The almost 200 images collected here by authors Joel Hawkins and Terry Bertolino document the history of this bearded barnstorming group of baseball players throughout their careers The colony accomplished much within the community credited with inventing the automatic pinsetter used in bowling and the first cold storage facility in the county However it was the House of David baseball players that caught the nation s attention with their long hair and beards which was

forbidden to be cut or shaved as a code of their faith As news of their prowess spread the team received more and more press throughout the country Much like the Negro Leagues of the same period the House of David baseball players would criss cross the country playing with such greats as the Kansas City Monarchs Pittsburgh Crawfords and Satchel Paige and his All Stars Invisible Men Donn Rogosin, Monte Irvin, 2020-10 On Feb 13 1920 a group of independent black baseball team owners held a meeting at a YMCA in Kansas City Missouri While they couldn't have known at the time that they were about to change the course of American history it was out of that meeting that the Negro National League was born The league flourished throughout the 1920s and beyond becoming the first successful organized professional black baseball league in the country By providing a playing field for African American and Hispanic baseball players to showcase their world class baseball abilities it became a force that provided cohesion and a source of pride in black communities Among them were the legendary pitchers Smokey Joe Williams whose fastball seemed to come off a mountain top Satchel Paige the ageless wonder who pitched for five decades and such hitters as Josh Gibson Buck Leonard and Oscar Charleston whose talents as players may have even been surpassed by their total commitment to their profession and hardiness Leading the leagues were memorable characters like Gus Greenlee of the Pittsburgh Crawfords and Effa Manley of the Newark Eagles Although their games were ignored by white owned newspapers and radio stations black ballplayers and their teams became folk heroes in cities such as Chicago Kansas City Pittsburgh Philadelphia New York and Washington DC where the teams drew large crowds and became major contributors to the local community life with influence extending far beyond the baseball fields This memorable narrative filled with the memories of many surviving Negro League players pulls the veil off these invisible men who were forced into the segregated leagues What emerges is a glorious chapter in African American history and an often overlooked aspect of our American past Color Blind Tom Dunkel, 2013-04-02 One of the great untold stories about baseball history one that almost sounds too good to be true Chicago Tribune A 2013 CASEY Award Finalist for Best Baseball Book of the Year When baseball swept America in the years after the Civil War independent semipro and municipal leagues sprouted up everywhere With civic pride on the line rivalries were fierce and teams often signed ringers to play alongside the town dentist insurance salesman and teen prodigy In drought stricken Bismarck North Dakota during the Great Depression one of the most improbable teams in the history of baseball was assembled by one of the sport's most unlikely champions A decade before Jackie Robinson broke into the Major Leagues car dealer Neil Churchill signed the best players he could find regardless of race and fielded an integrated squad that took on all comers in spectacular fashion Color Blind immerses the reader in the wild and wonderful world of early independent baseball with its tough competition and its novelty Dunkel traces the rise of the Bismarck squad focusing on the 1935 season and the first National Semipro Tournament This is an entertaining must read for anyone interested in the history of baseball A tale as fantastic as it is true The Boston Globe It is funny it is sad it is spellbinding required reading for anyone who loves baseball who loves a vivid story well told Philadelphia
