**The Apocalypse of Enoch and Bhu unda** The Apocalypse of Enoch and Bhu unda challenges the underlying assumptions of the classical roots of civilization by restoring the original context of creation mythology In this second volume of A Chronology of the Primeval Gods and the Western Sunrise ancient myths from multiple geographies are correlated to spikes in cosmic rays over the past 120 000 years as documented in ice core data The chronology and content of these myths tell us that the primary forces behind these cataclysms were the most ancient gods hyper nova at the Galactic Center associated with Sgr A The Dragon Sgr West The Beast and Sgr East Hirany ksha and Hiranyakas ipu with secondary supernova seen as the birth of new destructive gods Ancient myth has documented the cataclysmic destruction of the world on at least twenty occasions with four major geo polar migrations which has resulted in a shift of the earth s equator on at least one occasion Multiple myths are shown to represent a view of the sky that can only be seen from the Antarctic region Multiple versions of the myths of Orion are analyzed showing clear linkages between the Vedic myth of Trisanku the Book of Genesis Senmut s Tomb and the myths of Prajapati Daksa representing the oldest version of the Orion myth older than Trishanku and Genesis by 20 000 years The stunning conclusion explains how the Watchers of Enoch were the Vedic descendants of Ila and Ikshvaku These descendants of the seventh Manu had been observing and recording the stars as a source of cataclysm for at least 15 000 years prior to Enoch thus allowing Enoch to prophesize a new heaven That prophecy became the foundation for St John s Book of Revelations which is shown to be a description of a series of cataclysms attributed to Sgr West The book offers a new theory for explaining geo polar migration That theory suggests small shifts in the location of the earth s center of gravity underlie each migration but that there are multiple causes for the shifts

Tony Corelli has been wrestling with demons since he was a young child. His earliest memories are of the spirits that haunted his childhood home. As a teenager, he is visited by a messenger of God who sets him on the path of fighting demons on behalf of the oppressed. At age seventeen, he comes face to face with the familiar spirits that were tormenting his family. Now Pastor Anthony Corelli is an established exorcist who is often called upon to help those who are under demonic attack. Although he is frequently at odds with his superiors, he refuses to turn his back on those in need. In spite of his years of experience, nothing could have prepared him for the demonic forces tormenting the Stout family. His bravery does not take away from the fact that he is in over his head. A missing girl, an unsolved murder, and an angry detective all stand in the way of Pastor Anthony's efforts to free the Stouts from the most ancient of evils. Fortunately, his love for Christ and emotionally hurting people keeps him fighting for this helpless family. The ancient spirits are deceptive as the determined exorcist seeks to expel them once and for all. Many twists and turns will have you continuously second-guessing your theories and theology. The ending will not only shock you, but it will also haunt your nightmares. Even though the demon appears to have the upper hand, the love of God shines through in this tale that will force you to solidify what you believe about the demonic. When all is said and done, those involved will never be the same. Skeptics have become believers, survivors have become wiser, and unbreakable bonds have been formed. Perhaps the most important result of this spiritual battle is the fact that a new team has formed. A team that is ready to live in The Struggle.
