The Devil of Great Island Emerson W. Baker,2024-06-04 In 1682 ten years before the infamous Salem witch trials the town of Great Island New Hampshire was plagued by mysterious events strange demonic noises unexplainable movement of objects and hundreds of stones that rained upon a local tavern and appeared at random inside its walls Town residents blamed what they called Lithobolia or the stone throwing devil In this lively account Emerson Baker shows how witchcraft hysteria overtook one town and spawned copycat incidents elsewhere in New England prefiguring the horrors of Salem In

the process he illuminates a cross section of colonial society and overturns many popular assumptions about witchcraft in the seventeenth century **The Devil Stone** Beatrice Heron-Maxwell, **The Devil on Screen** Charles P. Mitchell, 2015-06-08 The Devil has been represented in many film genres including horror comedy the musical fantasy satire drama and the religious epic and in these works has assumed many shapes and forms This book begins with a discussion of how the devil has been portrayed on stage how that portrayal carried over to the big screen and what are the standard elements of a satanic plot Each entry in the filmography includes year of production running time writer editor cinematographer producer and director evaluative rating annotated cast list plot synopsis overall appraisal and a spotlight on the actor playing Satan Teutonic Mythology Jacob Grimm, 1883 **The Mystery of Stone Circles** Paul Mason, 2008 Examines the phenomenon of stone circles and the various theories that exist to explain them *Cloven Country* Jeremy Harte, 2023-08-25 Now in paperback an exploration of the myths of England's deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil's work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil's hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales *A Witches Revenge, is the Devils Parade* D.P. Pankratz, **The Battle for the Ephod** Yinka Areago, 2012-05-22 **The Devils Untold Story** Ethan Millan, 2016-12-15 Welcome to a world where blood lust power loyalty and desires to kill are taken to their limits Out of the darkness where that man's lust for power is allowed to exist the unimaginable emerged From the forgotten legends of ancient times they have been called forth into the world once again devils From within the shadows rogue hunters arise operating for their own reasons but aim for the same goals The devils do not walk unchallenged Terror doesn't flourish without resistance and a battle for survival erupts An age that changed from peace to violence and sin trading blood for blood humanity may be lost But from the ashes of destroyed hope a new legend emerges a figure harbored by death respectfully feared by devils and distrusted by humanity A stolen child who became a devil slayer and who became a devil his name is Heartnik Try to kill me if you can but ready or not I'm coming for you **Teutonic Mythology** Jacob Grimm, 2025-07-18 Reprint of the original first published in 1888 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Snow Maiden and Other Russian Tales** Bonnie Marshall, 2004-09-30 In this delightful collection you'll find more than 30 Russian tales animal tales fairy tales tales of everyday life and tales of spirits and the supernatural You'll discover new renditions of

Greed and Grievance Matthew G Allen,2013-09-30 This work offers important new perspectives on the violence and unrest that gripped Solomon Islands between late 1998 and mid 2003 a period known as the Ethnic Tension Based on in depth interviews and documents associated with the Tension Trials it is the first detailed account of the conflict that engages directly with the voices of the men who joined the rival militant groups These contemporary voices are presented against the backdrop of the socioeconomic and cultural history of Solomon Islands The findings provide a refreshing corrective to the pervasive framing of the Isatabu uprising and the Malaitan response as essentially criminal and apolitical activities driven by the self interest of those who participated in them Alternative motives for the men who participated in the Solomons conflict are elucidated foremost of which are their own conceptions of history and of the places of their respective peoples in the historical processes of colonization development and nation building Uneven development relative deprivation and rapid socioeconomic and cultural change are highlighted as salient structural causes of the unrest
