

More than 2,500 years ago, Gautama the Buddha walked
the earth, teaching in all ways words have. Still we
have lost it that directly when he taught, he himself was
so much light that they were able to see within the Buddha
but not words. These writings were composed over 25
photographs, an anthology of 100 years containing the
essence of his teachings. Today Buddha's teachings are
everywhere in the world.

Osho is one of the most provocative thinkers of our
time, who inspired millions of people worldwide to find
individual ways for meditation and enlightenment.
Through his talks on the teachings of Buddha,
Osho created a bridge from the highest peaks of
human consciousness to the everyday challenges of
contemporary life.
