## **The Diamond Contessa:**

**The Diamond Contessa** Kenneth Bulmer,2011-09-29 Harry Blakey remembered a childhood secret that there was a room under his folks home which crossed into another world When finally as a war veteran he came back to the old house he investigated and found his memory was true There were indeed other Earths and other civilisations and adventures to be had at great risks For when he enlisted in the special commando corps organised to stop the interdimensional warfare he came up against the terrifying hordes of the Diamond Contessa She had looted many Earths and her hunger was always increasing No mere human heroics would wrest the keys of the world away from her not white her army of monsters held a dozen civilisations in thrall **Ebony** ,1968-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Conquistador** S. M. Stirling,2003-02-04 In this luscious alternative universe sidekicks quote the Lone Ranger and Right inevitably triumphs with panache What more could adventure loving readers ask for Publishers Weekly Oakland 1946 Ex soldier John Rolfe newly back from the Pacific has made a fabulous discovery A portal to an alternate America where Europeans have never set foot and the only other humans in sight are a band of very curious Indians Able to return at will to the modern world Rolfe summons the only people with whom he is willing to share his discovery his war buddies And tells them to bring their families Los Angeles twenty first century Fish and Game warden Tom Christiansen is involved in the bust of a smuggling operation What he turns up is something he never anticipated a photo of authentic Aztec priests decked out in Grateful Dead T shirts and a live condor from a gene pool that doesn't correspond to any known in captivity or the wild It is a find that will lead him to a woman named Adrienne Rolfe and a secret that's been hidden for sixty years **The Wizards of Senchuria** Kenneth Bulmer,2012-07-02 Scobie Redfern was just a nice good looking American young man who had never heard of such things as Portals parallel worlds and Trugs So when someone materialized in his apartment with the Trugs in hot pursuit it all seemed sort of a funny game But there was nothing amusing about it once the monsters themselves arrived For it wasn't long before Scobie was himself running for his life from world to world and from Portal to Portal just to keep one jump ahead of the Trugs and hoping that the Wizards of Senchuria might just might be able to get him back home alive and whole [The Wind of Liberty](#) Kenneth Bulmer,2012-06-18 A planet's destiny trembled in the balance Waiting quiet and as dangerous as a timber wolf Vickery heard another faint slither of foot on stone A dark shape flitted past the lighted shop front on the opposite side of the street and vanished into the doorway Vickery's heard gave one gigantic lunge and a wolfish smile creased his face He fired at the shadows and the brilliance of the exploding charge threw everything out in the street into garish highlights **The Transylvanian Trilogy, Volumes II & III** Miklos Banffy,2013-07-02 Washington Post Best Books of 2013 The celebrated TRANSYLVANIAN TRILOGY by Count Mikl's Banffy is a stunning historical epic set in the lost world of the Hungarian aristocracy just before World War I Written in the 1930s and first discovered by the English speaking world after

the fall of communism in Hungary B nffy s novels were translated in the late 1990s to critical acclaim and appear here for the first time in hardcover They Were Found Wanting and They Were Divided the second and third novels in the trilogy continue the story of the two aristocratic cousins introduced in They Were Counted as they navigate a dissolute society teetering on the brink of catastrophe Count Balint Ab dy a liberal politician who defends his homeland s downtrodden Romanian peasants loses his beautiful lover Adrienne who is married to a sinister and dangerously insane man while his cousin L szl loses himself in reckless and self destructive addictions Meanwhile no one seems to notice the gathering clouds that are threatening the Austro Hungarian Empire and that will soon lead to the brutal dismemberment of their country Set amid magnificent scenery of wild forests snowcapped mountains and ancient castles THE TRANSYLVANIAN TRILOGY combines a Proustian nostalgia for a lost world insight into a collapsing empire reminiscent of the work of Joseph Roth and the drama and epic sweep of Tolstoy

**The Chariots of Ra** Kenneth Bulmer,2012-06-11 The chariots came on at great speed and there was no mistaking their purpose Tulley wondered if they were using this place as a base Then an arrow plunked into the parapet of his chariot Oolou lashed the reins The nageres sprang forward With suicidal speed the two chariot groups closed on each other Tulley swallowed down feeling the dryness in his throat loosed a shaft at the oncoming mass There must be twenty chariots out there He glanced at Oolou shouting She stared back at him with a ghastly grin the blood pouring from her neck above the corselet where an arrow stood stark and brutal The Chariots of Ra is a parallel worlds adventure novel set in Kenneth Bulmer s Keys to the Dimensions series

*The Wizard of Starship Poseidon* Kenneth Bulmer,2012-07-02 CONSPIRACY OF GENIUS His height barely reached five feet his spindly legs supported a bulging chest and his eyes protruded grotesquely from a gnome like head but within that absurd looking man lay the mind of a genius It was a genius that had carried mankind deep into the secrets of creation and was now on the verge of producing living organisms from test tubes filled with inert chemicals The world however ridiculed the theories of Professor Cheslin Randolph and the government refused to advance the millions needed for the final series of experiments But Professor Randolph was determined to get the money even if it meant turning his powerful brain to robbing a spaceship in mid flight using trained viruses as his accomplices

*The Demons* Kenneth Bulmer,2011-09-29 Gigantic were The Demons who terrorized the underground kingdom of Archon Yet who were they Whence came their fantastic power Why did they wage ruthless and relentless war against Archon These were questions to which there was no answer until Stead arrived in Archon apparently from nowhere Only after he had been a Forager for some months and had experienced the spine chilling dangers of The Outside did Stead arrive at a solution Even then he had a difficult task convincing the Controllers who for generations had insulated themselves against the harsh truth Only those who had actually seen The Outside the Foragers Soldiers and Workers could properly understand

*The Ships of Durostorum* Kenneth Bulmer,2012-08-06 WANTED ONE ENGINEER FOR MANAGERIAL POSITION IN IRUNIUM WAGES HIGH DEATH BENEFITS SUDDEN I am the Contessa Perdita di Montevarchi Here in

Ironium the only law is my will I shall seek out another engineer But this time he will be a real engineer from a dimension that understands these things from Slikitter probably from Earth He will be treated with respect because his function is valuable to me Almost inevitably he will terminate as this offal terminated but that is to be expected of imperfect tools He will not at first see the slaves in the mines and I do not with him treated as a slave My mines must continue to produce gems for my trace across the Dimensions An engineer is needed so I shall find one The Key to Venudine Kenneth

Bulmer,2012-12-14 Rodro s men were pushing past were blundering with reeking weapons into the room to kill and take the princess away Lai half stretched up from the princess s restraining arms The room was empty of other life apart from Sir Fezius and the two knights now lifting their swords ready to cut down Lai A popping noise sounded like a drum bursting A man appeared in the middle of the room One moment he was not there the next he stood there holding a bulky stick in his arm peering about with a white face He said something that sounded like Skeet The next instant the room resounded with an avalanche roar and a hellfire blast of scorching flame *The Hunters of Jundagai* Kenneth Bulmer,2012-07-12

Cy Yancey dreamt of being a big game hunter adventuring in Africa Little did he know that stepping into an alleyway outside his rifle club would lead him to the most important hunt in his life a hunt that would take Cy much farther than Africa a hunt through the worlds of the Dimensions seeking of all things Earth For Yancey in trying to grab a cab ends up hitching a ride with Porteurs Zelda and Jorine escapees from the power of the mysterious Contessa Fleeing with them Yancey is bounced from one Dimension to another until he arrives on Jundagai planet of the Hunters On Jundagai lies the answer to Yancey s dreams The Hunt reigns supreme though often one is not sure what the quarry is But Jundagai holds still a greater attraction Jundagai Yancey s prison holds the key to home Yancey has only to find the right lock before death finds him **In Love In**
