## **The Diary Of Eva Braun:**

**The Diary of Eva Braun** Eva Braun, 2000 When the fake Hitler diaries were taken up by The Sunday Times it was accompanied by all the razzmatazz of the modern media Yet in 1949 when Eva Braun's diary was published there was no such circus in a world already tired of the war The Private Life of Adolf Hitler Eva Braun, 1949 *The Devil's Mistress* Alison Leslie Gold, 1997 Adapted from an actual fragment of Braun's diary this novel offers a look at what it was like to be the love of one of the world's cruelest men Eva Braun Heike B. Gortemaker, 2012-12-11 From one of Germany's leading young historians the first comprehensive biography of Eva Braun Hitler's devoted mistress finally wife and the hidden First Lady of the Third Reich In this groundbreaking biography of Eva Braun German historian Heike Gortemaker reveals Hitler's mistress as more than just a vapid blonde whose concerns never extended beyond her vanity table Twenty three years his junior Braun first met Hitler when she took a position as an assistant to his personal photographer Capricious but uncompromising and fiercely loyal she married Hitler two days before committing suicide with him in Berlin in 1945 her identity was kept secret by the Third Reich until the final days of the war Through exhaustive research newly discovered documentation and anecdotal accounts Gortemaker turns preconceptions about Eva Braun and Hitler on their head and builds a portrait of the little known Hitler far from the public eye

**The Lost Life of Eva Braun** Angela Lambert, 2014-09-02 Eva Braun is one of history's most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The Führer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man's woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the Führer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to

capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life's ambition by becoming Hitler's wife. Next day they both swallowed cyanide and died instantly. She was young, healthy and thirty-three years old. Based on detailed new research, this is an authoritative biography, only the second life of Eva written in English. [The Lost Life of Eva Braun](#) Angela Lambert, 2007-01-09. Featuring 32 pages of intimate home photos, this authoritative biography on Hitler's famous mistress is based on detailed new research and opens a new window on the life at the cold heart of the Nazi leadership. [The Hitler Diaries](#) Charles Hamilton, 2014-07-11. Now for the first time the complete expose of the most daring and successful forgery of all time. For seven days in April 1983 the sensational discovery of Hitler's sixty-two volumes of secret diaries dominated the news headlines of the world. Scholars hailed the diaries as the greatest find of the century, a historical bonanza that would entirely alter our views of Hitler and the Third Reich. Shocked readers followed daily installments showing that Hitler knew nothing about the Holocaust. Then in an abrupt reversal the diaries were proved to be bogus. **The Diary That Changed the World** Karen Bartlett, 2022-04-28. A meticulous account of the fascinating, convoluted and sometimes ugly publishing history of the world's most famous diary. Karen Bartlett's book is all the more relevant at a time of untruths and fake news. Caroline Moorehead, bestselling author of *Village of Secrets: Defying the Nazis in Vichy France*. When Otto Frank unwrapped his daughter's diary with trembling hands and began to read the first pages, he discovered a side to Anne that was as much a revelation to him as it would be to the rest of the world. Little did Otto know he was about to create an icon recognised the world over for her bravery, sometimes brutal teenage honesty and determination to see beauty even where its light was most hidden. Nor did he realise that publication would spark a bitter battle that would embroil him in years of legal contest and eventually drive him to a nervous breakdown and a new life in Switzerland. Today, more than seventy-five years after Anne's death, the diary is at the centre of a multi-million pound industry with competing foundations, cultural critics and former friends and relatives fighting for the right to control it. In this insightful and wide-ranging account, Karen Bartlett tells the full story of *The Diary of Anne Frank*, the highly controversial part it played in twentieth-century history and its fundamental role in shaping our understanding of the Holocaust. At the same time, she sheds new light on the life and character of Otto Frank, the complex, driven and deeply human figure who lived in the shadows of the terrible events that robbed him of his family while he painstakingly crafted and controlled his daughter's story. [Hitler's Women](#) Guido Knopp, 2003. First Published in 2003. Routledge is an imprint of Taylor & Francis, an information company. **Hitler** Volker Ullrich, 2016. Originally published Germany: S. Fischer Verlag.

**Hitler: Ascent** Volker Ullrich, 2017-10-24. NEW YORK TIMES BESTSELLER. This landmark biography of Hitler puts an emphasis on the man himself: his personality, his temperament and his beliefs. A fascinating Shakespearean parable about how the confluence of circumstance, chance, a ruthless individual and the willful blindness of others can transform a country and in Hitler's case lead to an unimaginable nightmare for the world. Michiko Kakutani, *The New York Times*. Volker Ullrich's

Hitler the first in a two volume biography has changed the way scholars and laypeople alike understand the man who has become the personification of evil Drawing on previously unseen papers and new scholarly research Ullrich charts Hitler's life from his childhood through his experiences in the First World War and his subsequent rise as a far right leader Focusing on the personality behind the policies Ullrich creates a vivid portrait of a man and his megalomania political skill and horrifying worldview Hitler is an essential historical biography with unsettling resonance in contemporary times

**The Life and Death of Adolf Hitler** Robert Payne, 2016-10-05 In *The Life And Death of Adolf Hitler* biographer Robert Payne unravels the tangled threads of Hitler's public and private life and looks behind the caricature with the Charlie Chaplin mustache and the unruly shock of hair to reveal a Hitler possessed of immense personal charm that impressed both men and women and brought followers and contributions to the burgeoning Nazi Party Although he misread his strength and organized an ill fated putsch Hitler spent his months in prison writing *Mein Kampf* which increased his following Once in undisputed command of the Party Hitler renounced the chastity of his youth and began a sordid affair with his niece whose suicide prompted him to reject forever all conventional morality He promised anything to prospective supporters then cold bloodedly murdered them before they could claim a share of the power he reserved for himself Once he became Chancellor Hitler step by step bent the powers of the state to his own purposes to satisfy his private fantasies rearming Germany slaughtering his real or imaginary enemies blackmailing one by one the leaders of Europe and plunging the world into the holocaust of World War II *THE LIFE AND DEATH OF ADOLF HITLER* is the story of not so much a man corrupted by power as a corrupt man who achieved absolute power and used it to an unprecedented degree knowing at every moment exactly what he was doing and calculating his enemies weaknesses to a hair's breadth It is the story of a living man

**Dietrich & Riefenstahl: Hollywood, Berlin, and a Century in Two Lives** Karin Wieland, 2015-10-05 Finalist for the National Book Critics Circle Award Biography Named one of the Best Books of the Year by the Washington Post and the Boston Globe Magisterial in scope this dual biography examines two complex lives that began alike but ended on opposite sides of the century s greatest conflict Marlene Dietrich and Leni Riefenstahl born less than a year apart lived so close to each other that Riefenstahl could see into Dietrich s Berlin apartment Coming of age at the dawn of the Weimar Republic both sought fame in Germany s burgeoning motion picture industry While Dietrich s depiction of Lola Lola in *The Blue Angel* catapulted her to Hollywood stardom Riefenstahl who missed out on the part insinuated herself into Hitler s inner circle to direct groundbreaking if infamous Nazi propaganda films like *Triumph of the Will* Dietrich who toured tirelessly with the USO could never truly go home again Riefenstahl could never shake her Nazi past Acclaimed German historian Karin Wieland examines these lives within the vicious crosscurrents of a turbulent century evoking piercing insights into the modern era s most difficult questions about illusion and mass intoxication art and truth courage and capitulation New Yorker

**The Hitler Years: Triumph, 1933-1939** Frank McDonough, 2025-09-23 From historian Frank McDonough the first volume of a new chronicle of the Third Reich under Hitler s hand On January 30th 1933 Adolf Hitler was appointed the German Chancellor of a coalition government by President Hindenburg Within a few months he had installed a dictatorship jailing and killing his leftwing opponents terrorizing the rest of the population and driving Jews out of public life He embarked on a crash program of militaristic Keynesianism reviving the economy and achieving full employment through massive public works vast armaments spending and the cancellations of foreign debts After the grim years of the Great Depression Germany seemed to have been reborn as a brutal and determined European power Over the course of the years from 1933 to 1939 Hitler won over most of the population to his vision of a renewed Reich In these years of domestic triumph cunning maneuvers pitting neighboring powers against each other and biding his time we see Hitler preparing for the moment that would realize his ambition But what drove Hitler s success was also to be the fatal flaw of his regime a relentless belief in war as the motor of greatness a dream of vast conquests in Eastern Europe and an astonishingly fanatical racism

*Hitler's Asian Adventure* Horst H. Geerken, 2025-06-06 From 1963 to 1981 Horst H Geerken lived in the new born Republic of Indonesia at a time of upheaval after the end of almost 350 years of colonial rule and exploitation by the Netherlands In both his professional and private activities he constantly came across German Japanese and Indonesian eyewitnesses who had lived through the Japanese occupation and the presence of the

German navy in Indonesia The relations between the German Reich and what was then the Dutch East Indies were obviously closer and more varied than had been previously assumed Hardly anyone was aware that Hitler was extremely interested in this distant archipelago and that thousands of German officers and seamen were in action in East and South East Asia Who knows that German U boats and auxiliary cruisers penetrated deep into the Pacific and that the German Navy used the Kerguelen Islands in the South Polar Sea as a secret base Or that Hitler gave massive support to the independence movements in Indonesia and India Many of the German naval personnel chose to make Indonesia their home after the war and joined the Indonesian freedom fighters The Second World War heralded the end of the colonial era in Asia especially in South East Asia The role played in this process by the Third Reich should not be underestimated The collaboration between the Axis powers especially that between German and Japan with all its problems is also investigated There was a lively exchange of new weapons technology There was even the re creation of a German Radar system in Japan under the management of a German engineer Documents from the Third Reich s Foreign Ministry published here for the first time show how brutally and inhumanely the German men women and children in the Dutch internment camps in the East Indies were treated by their captors These documents are supported by evidence from contemporary witnesses The author has encapsulated his many years of research in the two volumes of Hitler s Asian Adventure It is a fascinating documentation of the German Navy s involvement in a theatre of war that has until now been neglected by historians *Hitler Is Alive!* Steven A. Westlake, 2016-01-12 Actual articles from the notorious sensationalist journal that was a forerunner to the scandal sheets and tabloids of today Ridiculous alt history fun Booklist As the Allied armies closed in on Berlin the Nazi high command scrambled to escape their shattered city On May 1 1945 reports went out that Adolf Hitler and his mistress Eva Braun committed suicide in an underground bunker but their bodies were never found In this landmark expos by the legendary National Police Gazette the truth is finally told As peace fell across Europe two U Boats made mad dashes for Argentina remaining underwater for weeks at a time to evade detection In their incredible journeys lies the shocking secret of how the greatest mass murderer in history escaped punishment for his crimes In the aftermath of World War II the Police Gazette ruthlessly investigated any rumor of Hitler s survival in South America *Hitler Is Alive* is a true epic of twentieth century sensationalism **Through Amateur Eyes** Frances Guerin, A history of rare archival amateur photographs and films from Nazi Germany **Eva Braun: Hitler's Mistress** Nerin E. Gun, 1968 Eva Braun daughter of a respectable German bourgeois family was convent educated Yet she grew up to become the mistress of Adolf Hitler and went with him to her death in the holocaust of Berlin during the waning days of World War II The product of a happy but uneventful childhood in middle class Munich Eva went to work for photographer Heinrich Hoffmann after her schooling was completed It was at Hoffmann s that she met the rising National Socialist politician Adolf Hitler Though considerably older than the nubile Eva he exerted a strong fascination over her A stormy courtship ensued during which Eva attempted suicide Eventually she became mistress

to the man who would soon rule Germany From this point on she remained Hitler s faithful and dedicated companion for seventeen years during which time her paramour was destined to shake the very foundations of western civilization Eva Braun was Hitler s official hostess at Berchtesgaden and was present at most of the important gatherings where the fate of nations was being decided and where history was being made When the mighty edifice of the Third Reich was collapsing in ruin under the pounding of the Allies she joined her doomed lover in Berlin where he finally made her his wife and they perished together during the Russian assault Eva Braun had a uniquely intimate view of Adolf Hitler and Nazi Germany and no history of those days is complete without her The book contains numerous photographs of Hitler and his entourage and utilizes material taken from Eva Braun s unpublished scrapbooks and letters
