form used in all the card catalogues of this Library No attempt has been made to set forth or defend any rules of entry followed in cataloguing these rules for arrangement presuppose the acceptance of certain catalogue entries which are followed in this Library Rules which do not necessitate any deviation from the strictly alphabetical order are not given For example no statement is made about the filing of names differing but slightly in spelling as Green and Greene Brown and Browne etc because they are filed alphabetically in two files as spelled Some aids have been incorporated to guide the untrained assistant such as the entries for articles in foreign languages The alphabetical rather than the logical arrangement has been adopted to facilitate quick reference The rules represent the practice followed by the Catalogue Department and were compiled for publication by Margaret Mann Chief Cataloguer About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works First Supplement to the Dictionary Catalogue of the Public School Library of Grand Rapids, Mich Grand Rapids Public Library (Grand Rapids, Mich.), 1894 **Rules for Filing in the Dictionary Catalogue** University of Toronto.
